

**VILLAGE OF DOWNERS GROVE**  
**REPORT FOR THE VILLAGE COUNCIL WORKSHOP**  
**JANUARY 9, 2007 AGENDA**

SUBJECT:	TYPE:	SUBMITTED BY:
IRS Reimbursement Resolution - New Fire Station 2	✓ Resolution Ordinance Motion Discussion Only	David Fieldman Deputy Village Manager

**SYNOPSIS**

A resolution has been prepared stating the Village's intent to issue General Obligation bonds for the construction of a new Fire Station 2. Adoption of the resolution is required for the Village to be able to "reimburse" project expenditures from the proceeds of a tax-exempt bond.

**STRATEGIC PLAN ALIGNMENT**

The Five Year Plan and Goals for 2006-2011 identified *Top Quality Village Infrastructure and Facilities*. A supporting objective of this goal is *Improved Fire and Emergency Medical Services Delivery*.

**FISCAL IMPACT**

There is no immediate fiscal impact of approving the resolution. Upon issuance of a general obligation bond, the Village may utilize bond proceeds for expenses related to the new Fire Station as early as 60 days prior to the passage of this resolution.

**RECOMMENDATION**

Approval on the January 16, 2007 consent agenda.

**BACKGROUND**

On August 8, 2006 the Village Council discussed options for funding the construction of the new Fire Station 2. The Council supported the issuance of General Obligation bonds for this purpose. The first step in the process is to adopt a reimbursement resolution. This resolution would:

- Express the Village's intent to issue General Obligation bonds.
- Allow the Village to reimburse itself for all or a portion of the expenditures relating to the Fire Station 2 project that have been paid up to 60 days prior to adoption of the reimbursement resolution or that will be paid after the adoption of the resolution.

The resolution states that the Village intends to issue bonds up to \$11 million. This amount has been recommended by Bond Counsel and is in excess of anticipated amount of the project in order to allow for issuance costs. The resolution does not obligate the Village to issue the bonds nor does it determine the total amount of the bonds issue. In the coming months, the Council will be asked to take additional steps to issue the bonds. The bonds should be ready for issuance near the time construction on Fire Station 2 begins in the spring of 2007.
