

VILLAGE OF DOWNERS GROVE
REPORT FOR THE VILLAGE COUNCIL WORKSHOP
MARCH 27, 2007 AGENDA

SUBJECT:	TYPE:	SUBMITTED BY:
Bid: Supply of Traffic Sign Maintenance Materials	Resolution Ordinance ✓ Motion Discussion Only	David H. Barber, PE Director of Public Works

SYNOPSIS

A motion is requested to award contracts for the supply of traffic sign maintenance materials in an amount not to exceed \$60,000 as follows:

- Traffic control sign posts in the amount of \$17,410 from Vulcan Signs of Foley, Alabama,
- Traffic sign blanks in an amount not to exceed \$22,590 from US Standard Sign of Franklin Park, Illinois, and
- Traffic sign facing materials in an amount not to exceed \$20,000 from the 3M Company of St. Paul, Minnesota.

STRATEGIC PLAN ALIGNMENT

The Five Year Plan and Goals for 2006-2011 identified *Top Quality Village Infrastructure and Facilities*.

FISCAL IMPACT

The adopted FY07 General Fund budget provides \$60,000 for the purchase of traffic control sign posts, traffic sign blanks and traffic sign materials.

RECOMMENDATION

Approval on the April 3, 2007 consent agenda.

BACKGROUND

The supply of traffic sign maintenance materials was competitively bid for 2007, with 17 responses to the three categories of materials as detailed in the attached bid tabulations. This purchase provides for approximately 1,000 sign posts and an associated variety of quantities of sign blanks and facing materials to be used by the Department of Public Works for sign repairs and replacements at various locations throughout the Village. Traffic sign maintenance work continues throughout the year. In 2006, United Rentals provided sign posts, sign blanks and some sign facing materials in the amount of \$17,768.12 and the 3M Company provided sign facing materials in the amount of \$9,038.50. The figures for 2006 were only for the 8-month budget period. Due to higher prices associated with these materials and the need for larger quantities of some of the materials this budget was increased for FY2007.
