

**VILLAGE OF DOWNERS GROVE**  
**REPORT FOR THE VILLAGE COUNCIL WORKSHOP**  
**JUNE 24, 2008 AGENDA**

SUBJECT:	TYPE:	SUBMITTED BY:
Bid: Dunham Place Stormwater Improvements	Resolution Ordinance ✓ Motion Discussion Only	Robin A. Weaver Interim Director of Public Works

**SYNOPSIS**

A motion is requested to authorize award of a contract for the Dunham Place Stormwater Improvement Project to Trine Construction, Inc. of West Chicago, Illinois, in the amount of \$63,094.35.

**STRATEGIC PLAN ALIGNMENT**

The Five Year Plan and Goals for 2007-2012 identified *Top Quality Village Infrastructure and Facilities*. A supporting objective of this goal is *Improve Neighborhood Infrastructure Curbs, Gutters, Streets, Sidewalks, Stormwater and Drainage System*.

**FISCAL IMPACT**

The FY08 Stormwater Improvement Fund identifies \$550,000 for this project. The project scope has been reduced and resulted in a significantly smaller contract amount than what was estimated in the budget. An allowance of \$3,000 will be set aside for materials testing services.

**RECOMMENDATION**

Approval on the July 1, 2008, consent agenda.

**BACKGROUND**

The scope of this project was significantly reduced when it was discovered that a large storm sewer pipe previously thought to be in need of replacement was found to be soundly installed. The remaining work proposed for this contract primarily consists of inlet replacement to enhance roadway drainage. This project is identified as a High priority project in the Watershed Infrastructure Improvement Plan.

Bids were received on June 6, 2008. A synopsis of the bids is as follows:

Vendor	Total Bid
Trine Const., Inc.	\$63,094.35
Lifco Const, Corp.	\$73,635.00
Brothers Asphalt, Inc.	\$80,295.00

Trine Construction, Inc has recently performed work for the Village, including last year's Leonard Avenue Storm Sewer Improvement Project and the Dunham Road Ditch and Storm Sewer Replacement Project. Both projects were completed successfully.
