UPDATE & RECOMMENDATION

This item was discussed at the November 11, 2008 workshop. Staff recommends approval on the November 18, 2008 active agenda.

BACKGROUND

Based upon a request from the Alexander Bradley Burns Post 80, the Downers Grove Liquor Commission discussed amending the Class “C” Club liquor license classification which would allow the consumption of alcoholic liquor in an outdoor area. Currently, the Village allows outdoor liquor service, but a food service component is required.

Class “C” clubs are private in nature, require membership and do not have regular food service. The Post is seeking to promote rental of the facility’s outdoor gazebo and pavilion. With this amendment, liquor service will be allowed in the outdoor area provided that it is limited to private party rentals where food service is available. A manager will be on duty to oversee these events.

In 2006, the Village re-categorized and re-named liquor license classifications. There are additional technical amendments to this ordinance which make outdoor licenses consistent with license classifications that are currently in use.

The Liquor Commission discussed this matter at their meetings of June 5th, August 7th and September 4th. On September 4, 2008 they recommended that the ordinance be forwarded to the Council for their consideration and approval.
