UPDATE & RECOMMENDATION

This item was discussed at the June 9, 2009 workshop. Staff recommends approval on the June 16, 2009 active agenda.

BACKGROUND

At their meeting of May 7, 2009, the Downers Grove Liquor Commission discussed creating a new liquor license classification which would allow the consumption of beer and wine only on-premise and allow full alcohol off-premise sales at an establishment where the primary business is a grocery store in the Downtown Business District. Currently, the Village does not allow on-site consumption of beer and wine in grocery stores. The proposed operators of a grocery store in the downtown area have requested that a license be created in order to allow beer and wine only in a dining area and in an outdoor seating area. The areas will be operated in conjunction with a deli and food service will be available at all times. There will be no physical bar on-site.

The Liquor Commission unanimously recommended that the draft ordinance creating a Class “P-O-2” beer and wine on-premise consumption and full alcohol off-premise consumption liquor license classification be forwarded to the Council for their consideration and approval.
