

VILLAGE OF DOWNERS GROVE
REPORT FOR THE VILLAGE COUNCIL WORKSHOP
JULY 14, 2009 AGENDA

SUBJECT:	TYPE:	SUBMITTED BY:
Bid: Claremont Drive Traffic Calming Project (TR-015)	Resolution Ordinance ✓ Motion Discussion Only	Naneil R. Newlon, P.E. Director of Public Works

SYNOPSIS

A motion is requested to authorize award of a contract for the Claremont Drive Traffic Calming Project (TR-015) to Lorusso Cement Contractors, Inc. of West Chicago, IL in the amount of \$93,016.75.

STRATEGIC PLAN ALIGNMENT

The Five Year Plan and Goals for 2008-2013 identified *a Goal of Preservation of our Residential and Neighborhood Character*. A supporting objective of this goal is *Maintaining Safe and Secure Neighborhoods*.

FISCAL IMPACT

The FY09 budget provides \$100,000 in the Capital Projects Fund for this program. Of this allocation, \$90,000 was budgeted for construction and the remaining \$10,000 was budgeted for design. All necessary design work has been completed for the year at a cost of \$4,700; therefore, the remaining amount of \$95,300 is available for construction.

RECOMMENDATION

Approval on the July 21, 2009 active agenda.

BACKGROUND

A Neighborhood Petition Form was submitted to the Village in March of 2007 by residents on Claremont Drive between Main Street and Fairview Avenue asking for interventions to reduce speeding. Staff analyzed the situation, confirmed the residents' observations and devised a trial installation of four temporary speed cushions. The initial installation proved effective and based upon public comments received at the August, 2008 Transportation and Parking Commission (TaP) meeting, six additional cushions were installed. Analysis of the revised deployment showed further speed and volume reductions, but also found less public support. With this input, staff proposed a permanent traffic calming plan which consisted of the following items:

- Medians at Fairview, Osage and Blackburn
- Bulb-outs or curb extensions near Grand and Lyman (both north and south)
- Permanent asphalt speed humps just east of Parkview and just west of Clayton

This plan was reviewed by TaP at their March 11, 2009 meeting. Of the residents at the meeting, nine supported the plan, four opposed it and three expressed reservations about specific elements (drainage impacts, visibility and narrowness). TaP recommended the addition of a rumble-strip median at Main Street as part of the plan.

At the April 21, 2009 Council Meeting the concept plan was approved and staff was directed to complete final plans and solicit bids. The final plans are consistent with the concept plans reviewed and approved by the Village Council. A total of four (4) bids were received on July 1, 2009. A synopsis of the bids is as follows:

Contractor	Total Bid	
LORUSSO CEMENT CONTRACTORS, INC.	\$93,016.75	low bid
MARTAM CONSTRUCTION	\$109,740.00	
LANDMARK CONTRACTORS, INC.	\$135,670.00	
ALLIANCE CONTRACTORS, INC.	\$150,192.50	

The low bidder is Lorusso Cement Contractors, Inc. of West Chicago, Illinois. The bidder has not worked for the Village in the past but has successfully worked for the Cities of Elmhurst and Naperville.
