PREAMBLE

This Agreement entered into by the Village of Downers Grove (hereinafter referred to as the "Employer") and the Illinois Fraternal Order of Police Labor Council (hereinafter referred to as the "Council" or "Union"). The purpose of this Agreement is the promotion of harmonious relation between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of an agreement covering all rates of pay, hours of work and conditions of employment applicable to bargaining unit employees.

Therefore, in consideration of the mutual promises and agreements contained in this Agreement, the Employer and the Labor Council do mutually promise and agree, as follows:

ARTICLE 1

RECOGNITION

In accordance with the Illinois State Labor Relations Board's (ISLRB) Certification of Representative #S-RC-09-067 dated December 8, 2008, the Employer hereby recognizes the Illinois FOP Labor Council ("Labor Council" or "Union") as the sole and exclusive collective bargaining representative for all full-time Communications Operators employed by the Village of Downers Grove. The following are excluded from the bargaining unit: All part-time Communication Operators, the Village Operations Supervisor and the Village Operations Manager; all other employees; all supervisors and confidential, managerial and short-term employees as defined by the Illinois Public Labor Relations Act, as amended, and all elected officials of the Village of Downers Grove.

ARTICLE 2

MANAGEMENT RIGHTS

Except as specifically limited by the express provisions of this Agreement, the Employer has and will continue to retain the right to operate and manage its affairs in each and every respect. The rights reserved to the sole discretion of the Employer shall include, but not be limited to, rights:

- 1) To determine the organization and operations of the Village Operation Center;

- 2) To set standards of performance for its employees;
- 3) To direct the employees, including the right to assign work and overtime;
- 4) To hire, examine, classify, select, promote, train, transfer, assign and schedule employees;
- 5) To increase, reduce or change, modify or alter the composition and size of the workforce, including the right to relieve employees from duties because of lack of work or funds or other proper reasons;
- 6) To establish work schedules and to determine the starting and quitting time and the number of hours worked;
- 7) To establish, modify, combine or abolish job positions and classifications;
- 8) To add, delete or alter methods of operation, equipment or facilities;
- 9) To determine the locations, methods, means and personnel by which the operations are to be conducted;
- 10) To suspend, demote, discharge or take other disciplinary action against employees for just cause (discharge of probationary employees without cause);
- 11) To add, delete or alter policies, procedures, rule and regulations; and
- 12) To execute the mission of the Village of Downers Grove.

Inherent managerial functions, prerogatives and policy-making rights and the impact thereof, whether listed above or not, which the Employer has not expressly restricted by a specific provision of this Agreement are not in any way, directly or indirectly, subject to the grievance and arbitration procedures contained herein, provided that no right is exercised contrary to or inconsistent with other terms of this Agreement.

ARTICLE 3

UNION RIGHTS

A. Union Activity During Working Hours

The Union shall not engage in Union Activities on Village time or its property which will unreasonably interfere with employees' assignments or duties. Authorized representatives of the Union shall have access to the Employer's establishment with prior notice to the Chief of Police during working hours for the purpose of adjusting disputes and/or grievances, investigating working conditions, and ascertaining that the Agreement is being adhered to, provided however, there is no unreasonable interruption of the Village's working schedule, or employee's job duties.

B. Time Off For Union Activities

The Employer agrees that only one authorized local union representative ("Steward") may be allowed to use their available time off to attend general, executive or special meetings of the Labor Council, provided that reasonable notice of such meetings shall be given in writing to the VOC Manager or his/her designee.

C. Grievance Processing

A local union representative ("Steward") may request advance approval from the VOC Manager, or in his/her absence, the VOC Supervisor for the purpose of attending a grievance meeting. Such approval shall not be unreasonably withheld. The Steward will remain in pay status for that portion of the grievance meeting that occurs during their scheduled working hours.

D. Local Union Negotiating Team

Members designated as being on the Local Union negotiating team who are scheduled to work on a day on which negotiations will occur, shall, for the purpose of attending scheduled negotiations, be responsible for providing adequate coverage for his/her assigned shift (trades, etc.). The VOC Manager or his/her designee shall be notified of any trades or shift reassignments and must approve any trades or reassignments, which approval shall not be unreasonably withheld.

E. Claims and Civil Suits

Employees who receive notice of any suit or claim against an employee for injury or damages suffered by another, arising out of acts or omissions of the employee while acting within the scope of such employee's employment shall serve notice of such claim or suit by delivering a copy to the office of the Village Attorney, with a copy to the VOC Manager, on the next business day following receipt. All employees shall cooperate and assist in the processing and defense of such claims and suits, as well as any claim or suit against the Village in general, as requested by the Village Attorney. Employees shall not discuss or provide information regarding any claim or suit involving the Village, or its employee acting within the scope of their employment, except as authorized by

the Village Attorney. Employees shall be compensated provided that the employee has not been suspended without pay or discharged.

The Village shall comply with the Illinois Local Governmental and Governmental Employees Tort Immunity Act 745 ILCS 10/1-101, et al.

F. Bulletin Boards

The Village shall provide the Union with designated space on bulletin boards in the VOC to post its notices. The Union agrees that the postings shall be of a non-political, non-discriminatory and non-inflammatory nature and shall be limited to notices and other Union-related informational material. A copy of all postings shall be provided as a courtesy to the VOC Manager or his/her designee.

ARTICLE 4

NO STRIKE

A. No Strike Commitment

During the term of this Agreement, neither the Union nor any officers or employees will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, slowdown, and sit-down, concerted stoppage of work or any other intentional interruption or disruption of the operations of the Village, regardless of the reason for so doing. Any employee who violates any of the provisions of this Article may be discharged or otherwise disciplined by the Village. Stewards of the Lodge will attempt to bring about compliance with the provisions of this Article. In addition, in the event of a violation of this Section of this Article, the Union agrees to inform its members of their obligations under this Agreement and to direct them to return to work.

B. No Lockout

The Village will not lock out any employees during the term of this Agreement as a result of an actual or anticipated labor dispute with the Union.

C. Union Liability

Upon the failure of the Union to comply with the provisions of Section A, above, any employee that is covered by this Agreement may be subject to the provisions of Section D, below.

D. Discipline of Strikers

Any employee who violates the provisions of Section A, above, may be subject to discipline, up to and including discharge. Any action taken by the Employer against any employee who participates in action prohibited by Section A above shall not be considered as a violation of this Agreement and shall not be

subject to the provisions of the grievance procedure, except that the issue of whether an employee in fact participated in a prohibited action shall be subject to the grievance procedure.

E. Judicial Restraint

Nothing contained herein shall preclude the village or the Union from obtaining judicial restraint and damages in the event the other party violates this Article.

ARTICLE 5

DISCIPLINE

A. Just Cause Standard

The Village may discipline operators only for just cause.

B. Discipline Files

Employees shall be provided a copy of, and be required to initial, all disciplinary records prior to their inclusion in the employee's personnel and/or disciplinary file(s). Such initialing of the record in no way indicates agreement on the part of the employee. If the employee refuses to initial the record, it shall be so indicated on the record.

C. Representation

Any employee that may be subject to disciplinary action has the right to ask for a Union representative to be present at any inquiry, investigation questioning, interview or interrogation. Such representation request shall not unreasonably delay such inquiry, investigation, questioning, interview or interrogation.

D. Pre-discipline Meeting

Before an employee is disciplined, the Employer shall convene a pre-discipline meeting. The meeting shall provide the employee an explanation of the charges giving rise to the contemplated action, and an explanation of the evidence giving rise to the charges. The employee shall be afforded the opportunity to rebut or clarify the charges during the pre-discipline meeting.

In the case of an employee who may present an immediate danger to himself or others the Village is not obligated to conduct a physical meeting with said employee.

ARTICLE 6

GRIEVANCE PROCEDURE

A. Definition

A grievance is defined as dispute or difference of an opinion raised by an employee or the Union against the Village involving an alleged violation, misinterpretation or misapplication of an express provision of this Agreement. For purposes of this Article Business Day is defined as Monday through Friday, excluding holidays as set forth in this Agreement.

B. Procedure

A grievance filed against the Village shall be processed in the following manner:

Grievance Steps

Step 1:

The employee, with or without a Union representative, or the Union, shall first attempt to orally resolve the dispute with the VOC Manager, and only after such attempt is made, upon its failure, may file a formal written grievance with the VOC Manager within ten (10) business days from the occurrence of the event giving rise to the grievance.

The VOC Manager shall be responsible for making inquiry into the facts and circumstances of the grievance and providing the employee and the Union with a written response within ten (10) business days after receipt of the grievance.

Step 2:

If the grievance remains unsettled after the response in Step 1, the Union may advance the grievance in writing to the Chief of Police or designee within ten (10) business days from the date of the written response to the Step 1 grievance.

The Chief of Police or his/her designee shall be responsible for making inquiry into the facts and circumstances of the appeal; and, providing the grievant and the Union with a written response within ten (10) business days after receipt of the grievance.

Step 3: Village Manager

If the grievance is not settled at Step 2, and the Union desires to appeal, it shall be referred in writing to the Village Manager within ten (10) business days after receipt of the response to the Step 2 grievance. The Manager, or the Manager's designee, shall consider the information provided and may, at the Manager's sole discretion, conduct an informal meeting with

the employee, the Chief of Police, a Union Steward and a representative of the Union; and, other involved individuals, as determined by the Manager. The Manager will render in writing his/her findings and decision within fifteen (15) business days after receiving the request for review and provide the grievant and the Union a copy. If the grievance is not settled in Step 3, and the Union or Village desires to appeal the grievance from Step 3, the Union and/or Village may refer the grievance to arbitration, as described below, within fifteen (15) business days of receipt of the response to the Step 3 grievance as provided to the Union in Step 3. If no such request for arbitration is made within the fifteen (15) business day period, such request shall be considered waived.

Arbitration Procedure

If the grievance remains unsettled after the response in Step 3, the Union may refer the grievance to arbitration within fifteen (15) business days of the Step 3 response. The parties shall request the Federal Mediation and Conciliation Service (or other mutually agreeable arbitration service) to submit a panel of seven (7) Arbitrators. The parties shall alternately strike the names of Arbitrators. The order of alternate striking shall be determined by a coin toss with the loser striking first. The person whose name remains shall be the Arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of Arbitrators. The Arbitrator shall be notified of his/her selection by a joint letter from the Village and the Union, requesting that he/she set a time and place for the hearing, subject to the availability of both parties.

Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the Arbitrator. Both parties shall have the right to request the Arbitrator to require the presence of witnesses and/or documents. Each party shall bear the costs of its own witnesses.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement. The arbitrator shall have no authority to make a decision on any issue not so submitted or raised in the grievance. The arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with, in any way, applicable laws or rules, and shall not in any way limit or interfere with the powers, duties and responsibilities of the Village under the law. Questions of arbitrability shall be decided by the Arbitrator. The Arbitrator shall make a preliminary determination on the question of arbitrability. If it is determined that the matter is arbitrable, or if such preliminary determination cannot reasonably be made, the Arbitrator shall then proceed to determine the merits of the dispute.

In the conduct of any arbitration under this Article, the rules and procedure governing the conduct of arbitration proceedings of the American Arbitration Association shall control, except where specifically limited by this Article.

The expenses and fees of the Arbitrator, and the cost of the hearing room, shall be shared equally by both parties. Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent Arbitrator(s) during the term of this Agreement.

If either party desires a verbatim record of the proceedings, it may cause such to be made, providing it pays for the record and makes a copy available, without charge, to the Arbitrator. If the other party desires a copy, it shall equally pay for the expense of such.

The Arbitrator shall render his/her decision in writing to the parties within thirty (30) calendar days following the close of the arbitration hearing or the submittal date of briefs, whichever is later, unless more time is requested by the Arbitrator. The Arbitrator shall support his/her findings with a written opinion. The decision and opinion shall be based solely on, and directed to, the issue presented. The award shall clearly direct the parties as to what action(s) must be taken in order to comply with the award.

The decision and award of the arbitration shall be final and binding to the Union, employee(s) and Village. Such decision shall be within the scope and terms of this Agreement, but shall not change any of its terms or conditions.

Disciplinary grievances involving oral and written reprimands may be processed through the grievance procedure through and including Step 3, but shall not be subject to arbitration.

Grievance Forms And Content

The written grievance required under this Article shall be on a form which shall be provided by the Union, which form shall be approved by the Village. At every Step of the grievance process, the written grievance shall contain a statement of the facts involved in Grievant's complaint, the Section(s) of this Agreement that have been allegedly violated, the date of the alleged violations and the relief being sought. The form shall be signed and dated by the Grievant and/or his/her representative. Typographical errors will not be grounds for denying a grievance.

Settlements

Any grievance not appealed to the next succeeding Step in writing and within the appropriate number of work days of the Village's last answer will be considered settled on the basis of the Village's last answer and shall not be eligible for further appeal.

ARTICLE 7

LABOR-MANAGEMENT CONFERENCES

A. The Union and the Employer mutually agree that in the interest of management and employee relations, it is desirable that meetings be held between Union representatives and administrative representatives of the Employer. Such meetings may be requested at least seven (7) days in advance by either party by placing in writing a request to the other for a "labor-management conference" and expressly providing the agenda for such meeting. Such meetings shall be held in the Police Department or other mutually agreed upon place and limited to:

1. Discussion on the implementation and general administration of this Agreement.
2. A sharing of general information of interest to the parties.
3. Notifying the Union of changes in conditions of employment contemplated by the Employer which may affect employees.

B. It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure. Grievances being processed under the grievance procedure shall not be considered at "labor-management conferences," nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings.

C. Off-duty attendance at "labor-management conferences" shall be voluntary on the employee's part and attendance during such meetings shall not be considered time worked for compensation purposes. Up to three (3) persons from each side shall attend these meetings, schedules permitting, unless mutually agreed to by the parties otherwise. The Union may be represented by on-duty operators at "labor-management conferences", schedule permitting and subject to approval of the VOC Manager or his/her designee. Such approval shall not be unreasonably withheld.

ARTICLE 8

SENIORITY

A. Definition of Seniority

As used herein, the term "seniority" shall refer to and be defined as the continuous fulltime length of departmental service as a communications operator

from the date of last hire. Employees hired on the same day shall be placed on the seniority list in alphabetical order in accordance with their last name.

B. Seniority List

The Employer shall prepare and maintain a list setting forth the present seniority dates for operators covered by this Agreement which shall become effective on or after the date of execution of this Agreement. Such list shall be provided to the Union upon request and the Village shall not be responsible for any errors in the seniority list unless such errors are brought to the Village's attention in writing within fourteen (14) calendar days after the Union's receipt of the list. Such list shall resolve all questions of seniority affecting operators covered under this Agreement or employed at the time this Agreement becomes effective. Disputes as to seniority listing shall be resolved through the grievance procedure.

C. Termination of Seniority

An employee shall be terminated by the Employer and his seniority broken when he:

1. resigns; or
2. is discharged for just cause (no cause needed for an employee who is discharged during his/her probationary period); or
3. is laid off pursuant to the provisions of the applicable agreement for a period of twenty-four (24) months; or
4. is absent for three (3) consecutive scheduled work days without proper notification or authorization, except under exigent circumstances.

D. Accrual of Seniority

Employees will not continue to accrue seniority while on an authorized leave of absence, but will not lose seniority accrued at the time the leave commences.

E. Probationary Period

The probationary period for new employees shall be twelve (12) months in duration. During the probationary period, an employee's performance will be subject to a review based on performance, ability, attitude, and such other factors as may be deemed appropriate for such employment review. The probationary period is to be used in conjunction with other examinations to determine an employee's fitness for employment. At the conclusion of the probationary period, a determination shall be made as to the employee's fitness for employment; provided, however, that an employee may be terminated during the probationary period at any time without cause.

Article 9

Layoff AND RECALL

A. Layoff

The Village, in its discretion, shall determine whether lay offs are necessary. If it is determined that layoffs are necessary, employees covered by this Agreement will be laid off in accordance with their seniority (the least senior being the first to be laid off). Prior to laying off any full time non-probationary employees covered by this agreement all part time or temporary employees shall be laid off. The Employer shall not hire or contract out to other parties to perform the duties that members covered by this agreement perform while there are covered members on lay off. Nothing in this Article shall prohibit the Village from consolidating or regionalizing the bargaining unit. The Village agrees to discuss any consolidation or regionalization plan with the Union and its impact to its employees.

Except in emergency, no layoff will occur without at least sixty (60) days notification to the Union.

B. Recall

Employees who are laid off shall be placed on a recall list and remain eligible for a recall for a minimum of twenty-four (24) months. If there is a recall, employees shall be recalled in order of seniority, (the most senior being the first to be recalled) and given fourteen (14) calendar days notice of recall. Notice of recall shall be sent to the covered member by certified or registered mail, return receipt requested, with a copy to the Labor Council, provided that the covered member must notify the Village of his/her intention to return to work within seven (7) calendar days after receiving notice of recall. The employee will be expected to report to work fourteen (14) calendar days after sending such notice of recall. This time period can be mutually extended. The Village shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the mailing address last provided by the employee, it being the obligation and responsibility of the employee to provide the Village with his/her latest mailing address. If an employee fails to timely respond to a recall notice his/her name shall be removed from the recall list.

ARTICLE 10

ACCESS TO PERSONNEL FILE

The Village shall maintain an official personnel file for each employee with the Department of Human Resources. The parties recognize and will adhere to the Illinois Personnel Record Review Act (820 ILCS 40/1) regarding access to

personnel files, provided that alleged violations of any such statute shall not be subject to the arbitration provisions of this Agreement.

ARTICLE 11

SAFETY ISSUES

The Village will continue to adhere to its rules regarding safety, subject to such modifications as may be agreed upon by the Safety Committee.

ARTICLE 12

DUES DEDUCTION AND FAIR SHARE

A. Dues Deduction

While this Agreement is in effect, the Village will deduct from each employee's paycheck once each pay period the uniform, regular monthly Union dues for each employee in the bargaining unit who has filed with the Village a voluntary, effective checkoff authorization in the form set forth in Appendix B. The Village shall submit a copy of this dues deduction form to new hires. The Village shall remit such deductions, including those referred to in Section B below, along with a list indicating the employees for whom the deductions were made, to the Illinois Fraternal Order of Police Labor Council at the address designated by the Union on the tenth (10th) day of the month following the month in which the deduction is made. If a conflict exists between that form and this Article, the terms of this Article and Agreement control. The Employer, per 5 ILCS 315/6 (c) will furnish to the Union a complete list of names and addresses of the employees covered in the bargaining unit upon request

A Union member desiring to revoke the dues checkoff may do so by written notice to the Employer at any time during the thirty (30) day period prior to the annual anniversary date of the contract, in each year during the life of the contract.

The actual dues amount deducted, as determined by the Union, shall be uniform in nature for each employee in order to ease the Employer burden of administering this provision.

If the employee has no earnings due for that period, the Union shall be responsible for collection of dues. The Union agrees to refund to the employee any amounts paid to the Union in error on account of this dues deduction provision. The Union may change the fixed uniform dollar amount which will be

considered the regular monthly fees once each year during the life of this Agreement. The Union will give the Village thirty (30) days' notice of any such change in the amount of uniform dues to be deducted.

B. Fair Share

Any operator who is not a member of the Union shall, as a condition of employment, be required to pay a fair share (not to exceed the amount of Union dues) of the cost of the collective bargaining process, contract administration in pursuing matters affecting wages, hours, and other conditions of employment, but not to exceed the amount of dues uniformly required of members. All operators hired on or after the effective date of this Agreement and who have not made application for membership shall, on or after the thirtieth (30th) day of their hire, also be required to pay a fair share as defined above.

With respect to any operator on whose behalf the Employer has not received a written authorization as provided for above, the Employer shall deduct from the wages of the operator the fair share financial obligation including any retroactive amount due and owing, and shall forward said amount to the Union on the tenth (10th) day of the month following the month in which the deduction is made, subject only to the following:

1. The Union has certified to the Employer that the affected operator has been delinquent in his obligations for at least thirty (30) days;
2. The Union has certified to the Employer that the affected operator has been notified in writing of the obligation and the requirement for each provision of this Article and that the employee has been advised by the Union of his obligations pursuant to this Article and of the manner in which the Union has calculated the fair share fee;
3. The Union has certified to the Employer that the affected operator has been given a reasonable opportunity to prepare and submit any objections to the payment and has been afforded an opportunity to have said objections adjudicated before an impartial arbitrator assigned by the employee and the Union for the purpose of determining and resolving any objections the operator may have to the fair share fee.

C. Objections on Other Grounds

Any non-member making a fair share payment may object to the amount of his fair share payments on the grounds that all or part of such payments have been expended by the Union for political activities or causes not germane to the collective bargaining process, contract administration and matters affecting employee wages, hours and conditions of employment.

Any such employee with any such objection shall process his/her objection in accordance with the notice and objection procedure established by the Union, which procedure shall be consistent with the requirements of the law.

D. Religious Objections

The obligation to pay a fair share fee to the Union shall not apply to any employee, who on the basis of a bona fide religious tenet, teaching or a church or religious body of which such employee is a member, objects to the payment of a fair share fee to the Union. Upon proper substantiation and collection of the entire fee, the Union will make payment on behalf of the employee to a non-religious charitable organization mutually agreed to by the objecting employee and the Union. If the employee and the Union are unable to agree upon a non-religious charitable organization, the organization shall be determined in accordance with the procedures established by the Illinois State Labor Relations Board.

E. Indemnification

The Union agrees to indemnify and save the Village harmless against any claims, demands, suits or other form of liability which may arise by reason of any action taken or omitted by the Union or Village in complying with the provisions of this Article.

Includes cannabis;
