#### RECOMMENDATION

Approval on the December 14, 2010 consent agenda.

#### **BACKGROUND**

The Municipal Code requires that the Village Council annually approve a Class A Scavenger License for the Village's designated contractual waste hauler. Allied Waste Services currently holds the Class A License and is under contract with the Village through March 30, 2016. All other haulers that operate in the Village must obtain a Class B License, which allows the license-holder to provide services other than weekly single-family residential solid waste collection. Renewal of a Class B license requires approval by the Village Manager, following notification to the Village Council. The Village Council will be provided with a list of Class B License applicants in the Non-Agenda Packet prior to issuance of the licenses.
