

**VILLAGE OF DOWNERS GROVE
REPORT FOR THE VILLAGE COUNCIL MEETING
DECEMBER 14, 2010 AGENDA**

SUBJECT:	TYPE:	SUBMITTED BY:
2010 Aggregate Tax Levy and Abatements for the Village of Downers Grove	✓ Resolution Ordinance Motion Discussion Only	Judy Buttny Finance Director

SYNOPSIS

Ordinances have been prepared to adopt the 2010 Aggregate Tax Levy and abate a portion of the levy related to debt service.

STRATEGIC PLAN ALIGNMENT

The Five Year Plan and Goals identified *Exceptional Municipal Organization* with an objective of *Financially Sound and Sustainable Village Government*.

FISCAL IMPACT

Without the abatement of any debt, the proposed levy is estimated to be \$26,173,365. However, it is recommended that tax levy abatements totaling \$7,861,827, which would abate all Village debt, be approved and therefore, the net taxes to be raised by taxation for 2010 upon the taxable property is \$18,311,538 which includes the levy for the Village and the Public Library. The Village portion of the levy after abatements is estimated to be \$13,376,337.

UPDATE & RECOMMENDATION

A public hearing was held at the December 9, 2010 Council meeting. The Village Council requested more detail on what accounts for the increase in the tax levy. The Village portion of levy, after abatements, would increase by \$898,391, or 7.2%. Contributions to Police and Fire Pension Funds account for \$398,391 or 3.2% of the increase. The increase to the levy for operations accounts for \$500,000 or 4.0%. Staff recommends approval on the December 14, 2010 active agenda.

BACKGROUND

The tax levy process requires the adoption of the motion presented in advance of the following:

- Publication of Truth in Taxation Notice and Announcement of Public Hearing 11/24/10
- Public Hearing on Tax Levy 12/07/10
- Adoption of Tax Levy 12/14/10
- Abatement of Certain Debt Levies 12/14/10

Annually, the Village Council is required to levy taxes for the following:

- Village Services defined as corporate/police, fire protection, police pension, fire pension, the total amount of all General Obligation (G.O.) Bond payments due for the fiscal year;
- Library operating, Library debt; and
- all Special Services Areas.

Following the levy of taxes, the Council may *abate* or reduce the levy (reduce the property tax collections) for the specific amount that the Village has other resources available to pay for debt service. The amount to be abated is determined by the budget when specific revenues such as gas tax are identified to pay for the Fairview Avenue debt, water revenues that are identified to pay for bonds issued to improve the water system, revenues from stormwater and capital funds, and revenues from the Tax Increment Financing (TIF) districts that are available and budgeted for debt service.

The Mayor and Village Council have the opportunity to evaluate the proposed tax levy in the context of the budget. In addition, the proposal includes the tax levy and abatements. The amounts proposed for abatement are those debt instruments for which the Village has funds other than property taxes identified to pay principal and interest obligations.
