This item was discussed at the January 3, 2012 Village Council meeting. In response to Council discussion, staff revised the Letter of Credit to be 105% (\$33,894) of the estimated costs. Staff recommends approval on the January 10, 2012 Consent Agenda.

BACKGROUND

The Downers Grove Rotary Club is proposing to conduct the third annual Grove Festival. The festival is proposed for June 21-24, 2012. The event will have the same layout and activities as last year’s festival. The Rotary Club is proposing the following activities for this year’s event: amusement games and rides, food vendors, a beer garden, one stage for musical entertainment, space for not-for-profit organizations, a car show (on Sunday) and a craft fair in Fishel Park (on Saturday and Sunday). The organizers are expecting between 25,000-30,000 attendees over the entire event.

The festival’s hours of operations are as follows:

- Thursday, June 21, 2012, 5:30 pm – 10:00 pm amusement rides only
- Friday, June 22, 2012, 12:00 pm – 11:00 pm
 - Amusement rides & vendors start at 12:00 pm
 - Entertainment area opens at 5:00 pm
- Saturday, June 23, 2012, 9:00 am – 11:00 pm
 - Craft Fair Hours: 9:00 am – 5:00 pm
 - Not for Profits: 12:00 pm – 5:00 pm
 - All other activities: 12:00 pm – 11:00 pm
- Sunday, June 24, 2012, 12:00 pm – 10:30pm

- Craft Fair Hours: 9:00 am – 4:00 pm
- Car show 10:00 am – 4:00 pm
- Not for Profits: 12:00 pm – 5:00 pm
- All other activities: 12:00 pm – 10:30 pm

Street closures and parking lot closures would begin on Tuesday, June 19, 2012 at approximately 7:00 pm. Main Street would be closed on Thursday, June 21, 2012 at 3:00 pm. All lots and streets will be open by 5:00 am on Monday, June 25, 2012.

A detailed site plan is attached. The event would have the same boundaries and layout as the 2011 event - Main Street between Rogers Street and Curtiss Street; Warren Avenue from Washington Street to Main Street; Burlington Avenue from Mochel Drive to Forest Avenue. The Rotary Club's proposed event footprint also encompasses Forest parking lots north and south; Lot A; Lot B and Warren Avenue from Forest to Linscott (Sunday only for a car show). Curtiss Street would remain open during the festival.

The festival's parking would be provided in the Village's parking garage as well as other public lots. Village staff believes the public parking system in the Downtown will be able to accommodate the expected attendance.

A complete list of Community Event Commission and staff's recommended conditions is attached. The key conditions of approval for this event are:

- The Rotary Club provided a staffing plan. Staff reviewed and approved this plan.
- The agreement requires training for event volunteers.
- The Rotary Club provided a security and emergency communication plan. Staff has reviewed and approved this plan.
- The Rotary Club and vendors for the event will be required to provide insurance pursuant to Village standards.
- The Rotary Club must provide advance notification to affected residents, businesses and commuters.
- The Rotary Club is working with work with the organizers of the Downtown Market and the Friday Night Car Show to coordinate Downtown events for the week-end
- The proposed agreement permits the Village to close or modify the event.

The Community Events Commission met on December 8, 2011 to review and discuss the proposed Rotary event. The Community Events Commission expressed a need for the event organizers to communicate with residents, businesses and commuters that would be affected by the event. They concurred with the staff's recommendations. The Commission unanimously passed a motion to recommend approval of the event with staff's conditions.

The Rotary Club of Downers Grove is submitting an application for a street festival to take place June 21st thru June 24th, 2012, in downtown Downers Grove. Our goal is to enhance the Downers Grove community, by providing a community event for residents to come together while giving an opportunity for local non-profits to fundraise.

The Rotary Club of Downers Grove has over 30 + years of running successful events in the downtown business district including last year's Rotary GroveFest, Heritage Fest - Beer Garden, Oktoberfest, and Halloween Window Painting.

We look to leverage our relationships with Downtown Downers Grove Management, The Downers Grove Area Chamber of Commerce & Industry, and EDC along with our existing sponsorship and volunteer network to guarantee a successful event.

The event will possess a variety of attractions from live musical acts, food, amusement rides, car show, craft fair, youth activities, and beer garden. The festival will cover portions of Main, Burlington, and Warren Ave streets as well parking lots A, Forest North, Lot B, Lot C, Lot F and the library parking lot. Fishel Park will be utilized for the craft fair.

The carnival rides will be open to the public starting on Thursday night, June 21st (ride preview night). The rest of the festival will be open to the public starting on the afternoon of Friday, June 22nd, and will continue throughout the weekend.

Location (See Attachment B for Layout)

- The amusement ride area will run on Warren Ave from Forest to Washington and on Burlington from Main to Mochel (leaving Mochel open to East bound traffic) and Lot B. North American Midway has been selected to provide Amusement rides and carnival type food due to their outstanding service.
- Main Street will be closed from Rogers Street to Curtiss. Curtiss will remain open. Main Street will be utilized for exhibiting restaurants and businesses.
- The entertainment area and beer garden will host entertainment on its stage during its operational hours. Food will be available in the entertainment area. On Saturday we will have youth activities in the afternoon.
- Non-Profits will have tables available to them near the entertainment area 12pm -5 pm on Saturday and Sunday so they may fundraise and /or dispense information.
- The Sunday car show will be located in the Community Bank of Downers Grove parking lot and on Warren Ave from Linscott to Forest Ave. The Downers Grove Car Show Committee will be assisting in this area.
- The Craft Fair will be held at Fishel Park on Saturday and Sunday and will be operated by a Downers Grove Junior Women's Club. We have engaged the Park District to obtain the necessary permits.
- Commuter Parking Lot A will be utilized for the amusement companies internal operations.

Marketing

Our target audience is local residents of all ages in Downers Grove and the surrounding suburbs. Advertising will include a Rotary GroveFest web site, local newspapers, local access cable, and social media. We will leverage relationships with Downers Grove EDC, Chamber, Downtown Downers Grove Management and the Village to inform the residents. Expected attendance is to be in the 25k -30k range over the weekend.

Transportation & Parking

Four days prior to the event, we will utilize message boards to announce the closing and detour dates of Burlington Ave, Warren Ave, Main Street, and Lot A, and Forest North, and South parking lots, Lot C, Lot F and Lot B. We will have detour and directional arrow signage in place at the time of the road closures.

Announcement Sign Listing:

- 1) Two electronic message boards on Main Ave announcing closure and detour dates.
- 2) Two message board signs on Burlington Ave announcing closure and detour dates.
- 3) Two message board signs announcing closure of Lot A (one at entrance and one exit)
- 4) Two message board signs announcing closure Forest Ave North (entrances)
- 5) Message board signs announcing closure Forest Ave South (entrances)
- 6) Two message board signs announcing closure Lot C (entrances)
- 7) Two message board signs announcing closure Lot B (entrances)
- 8) Two message board signs announcing closure Lot F (entrances)

Working with the village we will designate no parking signs in surrounding festival area. Consideration to traffic flow, merchant customer parking, and safety will be taken into consideration. Based on past year's feedback every effort will be made to keep as many streets open as possible to minimize the impact to local businesses. No parking signs will go up during road closures. Road closures on June 19th and June 20th will be performed by a professional barricade company. Due to the foot print and estimated attendance levels, remote parking will not be needed.

Sanitation

Rotary has hired a professional sanitation companies to be responsible for trash pick up through the fest area, portable toilet maintenance, trash removal from the fest area. Rotary GroveFest supplied trash receptacles located throughout the fest area will be dumped throughout the day into common dumpsters located in the library alley, and at the intersection of Warren Ave and Forest Ave. The dumpsters will be monitored and emptied on an as needed basis throughout the fest. The 31 toilets will be cleaned daily and monitored throughout the fest. A grease and hot coal disposal area will be made available to vendors in the library alley. Please see map (attachment B), for common dumpster, portable toilet, and grease disposal locations. At the conclusion of the event, the fest area equipment (tents, generators, fencing, rides, and trash containers) will be removed. The fest area sidewalks will be swept and the fest area streets and parking lots will be cleaned by a street sweeper in time to be open to the public by 6am on June 25th.

Insurance

Upon being granted the permit, The Downers Grove Rotary Club will provide proof of insurance and the Village shall be named and covered under the policy. The insurance policy will provide a minimum coverage of \$1,000,000 per accident, \$2,000,000 general liability and \$5,000,000 umbrella coverage.

Notifications to Area Business and Residents

The Rotary Club of Downers Grove has discussed its plans with Downtown Downers Grove Management and to the Downtown businesses owners group. Property owners, businesses, residents and commuters directly affected by street and parking lot closures will be notified at least two times - 30 and 7 days prior to the event. In addition to informational signs at pertinent locations, the Rotarygrovefest.com website will provide fest information, and a dedicated phone number will be published in newspapers and various advertisements. Rotary will meet directly with property and business owners immediately adjacent to the fest area to let them know what resources are available to them and how to contact us for questions.

Training

Training for key personnel will take place one week prior to the festival. Liquor ID training and procedures will take place at this time.

1. The Rotary Club of Downers Grove will have a Site Manager on Duty and security during all festival hours.
2. We will follow the same communication plan as 2011.
3. The Rotary Club will rent and maintain enough 2 way radios to equip the Site Manager, key area managers, security staff and radios to interface with the village during fest hours.
4. There will be 2 channels used on the radios. One channel will be for general fest communications (non-emergency) throughout the festival and the other will be for security personnel and emergencies (to communicate with village officials and police and fire).
5. Once an incident has been reported to emergency services Rotary staff will receive its direction from emergency services.
6. The Rotary Club representatives planning the festival will work with emergency services prior to the festival to insure that communications and staffing operate smoothly and efficiently and provide a clear chain of command for insuring the safety and enjoyment of all attendee's.

2012
Rotary GroveFest
Entertainment Overview

Entertainment for the 2012 Rotary GroveFest will be similar in scope and content as it was in 2011. We will focus on local bands to provide entertainment beginning Friday, June 22nd through Sunday, June 24th, 2012.

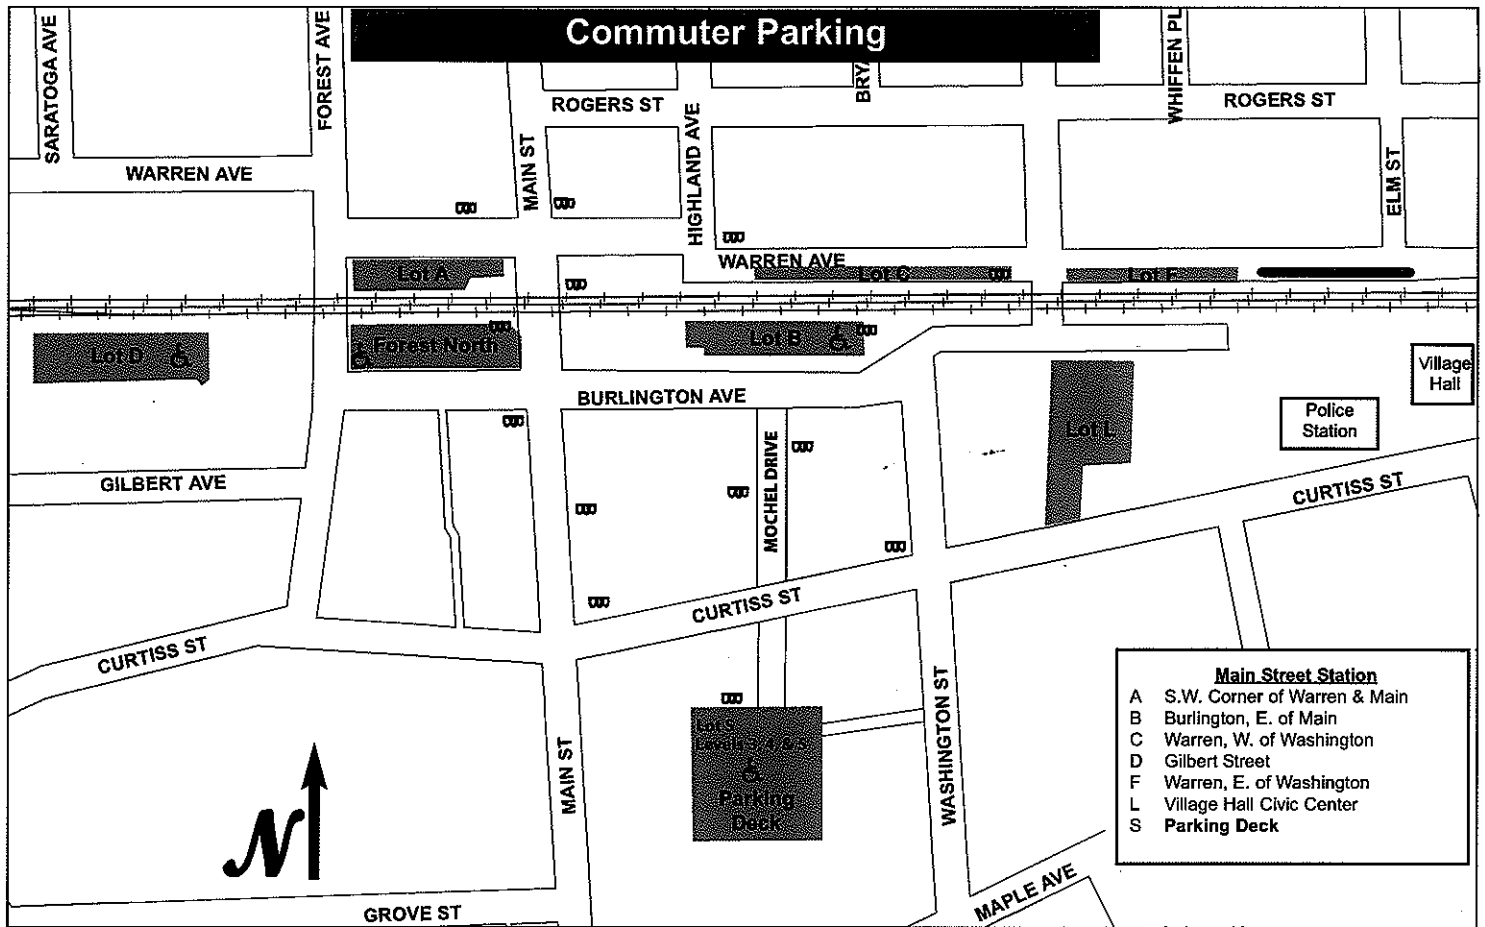

We intend to reach out to organizations like the Rock Academy, Judges Night Band, various Downers Grove dance studios, etc.

We do not intend to contract with any "big name" or "headline" bands that tend to draw thousands of people.

2012
Rotary GroveFest
Sanitation & Clean-Up Plan Overview

Rotary will hire a professional sanitation company to be responsible for trash pick up through-out the fest area, and portable toilet maintenance. We will contract with a professional waste management company like Allied for trash removal from the fest area. This same company will supply trash receptacles through-out the fest area. These will be dumped throughout the day into common dumpsters (see map for locations). The dumpsters will be monitored and emptied on an as needed basis before the fest opens each day. The 31 toilets will be cleaned daily by the sanitation company, before the fest opens, and monitored throughout the fest. A grease and hot coal disposal area will be made available to vendors. Please see map (attachment B), for common dumpster, portable toilet, and grease disposal locations. At the conclusion of the event, the fest area equipment (tents, generators, fencing, rides, and trash containers) will be removed. The fest area streets and parking lots will be cleaned by a street sweeper in time to be open to the public by 6am on June 25th.

The professional sanitation and trash disposal companies' names and emergency contact information will be provided to the village prior to fest opening.

Re: Temporary Use Permit for 2012 GroveFest

Dear Dr. Webster:

Thank you for your application for the 2012 GroveFest in Downtown Downers Grove. Staff offers the following comments and recommendations that must be addressed prior to the Community Events Commission meeting:

1. Exhibit H shall be revised to indicate times for all set-up activities.
2. Based on the proposed site plans, Lot F (south side of Warren Avenue, east of Washington Street) is not affected by the festival. As such, this lot does not need to be closed. Please revise exhibits to reflect that Lot F will remain open.

The following comments will be conditions of approval and will appear in proposed agreement:

1. Main Street shall be closed no later than 3:00 pm on June 21, 2011.
2. The Village will permit use of the eastern portion of the south parking lot at Village Hall for the amusement company's lodging needs.
3. Street closure for the Car Show, on Warren Avenue, shall take place after 11:45pm on Saturday, June 24, 2012 giving ample time for festival attendees to disburse after closing.
4. Ticket sales for beer shall end at 10:15 pm on Friday-Saturday and end at 9:45 pm on Sunday. Beer service shall end at 10:30 pm on Friday-Saturday and 10:00 pm on Sunday.
5. Staff would request a list of entertainment and any entrance fees that will apply to this year's event to better gauge attendance no later than **June 1, 2012**.
6. Event organizers are required to attend at least 2 meetings with Village staff. One to discuss preliminary plans and one to finalize details. *All* subcontractors shall be present at the final meeting.
7. Due to concerns regarding road closures at the 2011 festival, the road closure contractor must appear at both meetings to discuss specific barricade plans and detour routes.
8. Additional volunteers shall be posted at the barricades at Washington Street and Warren Avenue as well as Warren Avenue and Forest Avenue.
9. A question hotline shall be provided to answer questions regarding the event. The hotline must be staffed from June 11-24, 2012.
10. The ride ("Free Fall") on the east side of the entrance to Lot B on Burlington Avenue shall be relocated to avoid conflicts with vehicular traffic and festival attendees. No rides may be placed east of the Lot B entrance.
11. Please provide confirmation that the organizers of the Friday Night Car Show and Downtown Market are coordinating their events with GroveFest.
12. Written support for the event shall be obtained from Downtown Management prior to Village Council consideration.
