BACKGROUND

The Village has a surplus of thirty retired Village vehicles and other equipment as well as four vehicles seized by the Police Department. The attached schedule lists each vehicle considered for designation as surplus.

The Village employs a variety of approaches for obtaining the highest amount of compensation for its surplus equipment. In addition to the semi-annual DuPage Mayors and Managers Conference (DMMC) auction, the Village has also sold surplus equipment through on-line auction venues such as E-bay and through private auctions. Staff has established minimum bids for vehicles based upon conservative Kelly Blue Book values. The Village Manager or his designee may accept a bid below the minimum stated if needed.
