VILLAGE OF DOWNERS GROVE REPORT FOR THE VILLAGE COUNCIL MEETING NOVEMBER 20, 2012 AGENDA

SUBJECT:	TYPE:			SUBMITTED BY:		
		✓	Resolution			
		\checkmark	Ordinance			
FY13 Budget Implementation			Motion	David Fieldman, Village		
Actions			Discussion Only	Manager		

SYNOPSIS

An ordinance and resolutions have been prepared to address the following items related to the implementation of the FY13 Budget, which the Village Council approved on November 13, 2012:

- Increase in Water Rates per the Water Rate Study
- Updates to the Compensation Plan
- Formalizes a program to allow overnight parking in Lot L
- Removes parking fees from the Municipal Code and lists the items in the Administrative Regulation titled "User-Fee, License and Fine Schedule." Quarterly Commuter Parking Fees will increase as shown in the table included in this memo.

STRATEGIC PLAN ALIGNMENT

The goals for 2011-2018 include Steward of Fiscal and Environmental Sustainability.

FISCAL IMPACT

The fee updates and increases are consistent with the FY13 Budget approved on November 13, 2012.

UPDATE & RECOMMENDATION

This item was discussed at the November 20, 2012 Village Council meeting. Staff recommends approval on the December 4, 2012 Consent Agenda.

BACKGROUND

Water Rates

Per the approved FY13 budget and the Long-Range Financial Plan (LRFP) recommendations, the water rates will be increased to align with the recommendations of the 2010 Water Rate Study. The 2013 water rates also include the increases in the rates charged by the DWC, which announced a series of rate increases that became effective January 1, 2012. The price increase from the DuPage Water Commission (DWC) reflects a pass-through of the City of Chicago water rate increases as well as increases for DWC existing debt service payments and planned capital improvements.

The 2010 Water Rate Study included a model projecting the total cost of owning, operating and maintaining the Village water system, assuming 10% annual increases in the cost of water from the DWC. Because the increases implemented by the DWC are substantially greater than the increases assumed in the 2010 model, staff updated the model to account for the increases proposed by the DWC through 2015.

Year	Required Revenue Increases per 2010 Model	Required Revenue Increases Per the Revised Model
2012	14%	25%✓
2013	14%	18%
2014	10%	14%
2015	9%	14%

The following table shows the proposed water rates that will go into effect for bills received after March 1, 2013. The bi-monthly fixed charges by water meter size are consistent with the proposed rates contained in the Water Rate Study. The bi-monthly volume charge reflects the increases proposed in the Water Rate study plus the additional amount needed to cover the DWC rate increase.

Bi-Monthly Fixed Charge		
by Water Meter Size	2012	2013 Proposed
5/8"	\$9.31	\$10.50
1"	\$13.96	\$15.75
1 ½"	\$46.53	\$52.52
2"	\$74.45	\$84.02
3"	\$139.59	\$157.55
4"	\$232.66	\$262.58
6"	\$465.31	\$525.15
10"	\$1,116.75	\$1,260.36
Bi-Monthly Unit Fee	2012	2013 Proposed
Inside Village	\$4.13	\$4.89
Outside Village	\$4.76	\$5.61
<u> </u>		

It is important to note that the pass-through of the increase in the cost of purchasing water from the DWC affects only the unit fee portion of the Village rates, and the fixed fee portion does not change from the original plan. The following table shows how the new water rates will impact typical users in 2013.

User Category	Typical Meter Size	Current Bi-Monthly Bill	Proposed 2013 Bi-monthly Bill
Typical Residential User	5/8"	\$71.26	\$83.85
Typical Commercial User	1.5"	\$459.53	\$541.52
Typical Industrial User	2"	\$900.45	\$1,062.02

Compensation Plan

The Village maintains a compensation plan and structure for its employees that are not otherwise represented by a collective bargaining unit. The wages and salary ranges that make up this plan have not been adjusted since December 2008, just as the Village was beginning to experience the effects of the recession. Consistent with the information prepared as part of the FY2013 budget, staff recommends an increase in all ranges by 2%. This increase, which has been reflected in the attached Draft Compensation Plan, will go into effective January 1, 2013. This action will not increase actual salaries for any employee, but provides the ability for employees to receive performance-based increases to base pay at the time that they are determined in May 2013. The

increase in ranges in comparable to the wage step plan increases in all of the collective bargaining agreements. No step plan increases exceed 2%.

Parking Fees and Housekeeping Items

In 2011, the Village conducted the Downtown Parking Study. The study found that the quarterly parking fees charged for commuter spaces were lower than nearby stations, including Lisle (\$105 per quarter) and Naperville (ranging from \$110 to \$145). The fee survey conducted by Rich and Associates can be found here. Per the terms of the Village's agreement with Burlington Northern Santa Fe and Metra, staff provided 60 days notice of the quarterly fee increases in writing to both agencies. Staff proposes to remove the fees from the Municipal Code and list them in the Administrative Fee Schedule.

Fee increases would be presented to Council as part of the annual fee review and update. The updated Administrative Fee Schedule adjusts the fee as shown below:

Train Station	Current Quarterly Fee	Proposed Quarterly Fee
Belmont Train	\$80 Resident	\$100 Resident
Station	\$110 Non-Resident	\$120 Non-Residents
Main Street Train \$80 Resident (\$90 for Lot S)		\$100 Resident
Station & Parking \$110 Non-Resident (\$120 for Lot S)		\$120 Non-Residents
Deck (Lot S)		
Fairview Train	\$75 Resident	\$80 Resident
Station	\$105 Non-Resident	\$110 Non-Resident

Staff also recommends removing other parking-related fees from the Municipal Code and listing them in the User-Fee, License and Fine Schedule.

Lot L Overnight Parking

In May 2012, under the Village Manager's authority, staff initiated a trial overnight parking program in Lot L, located next to the Police Station, to accommodate requests for occasional multi-day parking. Prior to this program, staff regularly received requests from residents and others to park overnight primarily for the purpose of using Metra to travel to Chicago for several days. Under the current parking regulations, the only options for overnight parking are permit parking in Lot R in the deck and metered parking in Lot G at Belmont. Residents may also request permission to park overnight in the deck; however, all vehicles must be removed on weekdays to allow for commuter parking.

This program provides an option, at a cost of \$6 per day, for multi-day parking on weekends and weekdays. The program was reviewed and approved by the Transportation and Parking Commission (TAP) and has not shown to be problematic for implementation or enforcement. The parking fee is paid in person, in advance at Village Hall and the user provides appropriate license plate and contact information. There is a maximum limit of 5 days per month, per car, to prevent commuters from using this program to circumvent the commuter parking waiting list.

RESOI	UTION	
KESUL	ULIUN	

A RESOLUTION AMENDING THE DOWNERS GROVE COMPENSATION PLAN BY ADOPTING A REVISED PLAN EFFECTIVE JANUARY 1, 2013

WHEREAS, on November 29, 1993, the Village Council adopted Resolution 93-51 entitled "A Resolution Establishing the Village of Downers Grove Classification Plan" (hereinafter referred to as the "Classification Plan"); and,

WHEREAS, pursuant to the Classification Plan, the Village Council is to establish, and from time to time amend, a Compensation Plan for Village employees which groups positions into pay grades; and,

WHEREAS, the Village Council has previously established the Compensation Plan; and, WHEREAS, the Village Council has determined that it is necessary and desirable to further

amend the Compensation Plan as provided herein.

NOW, THEREFORE, BE IT RESOLVED by the Village Council of the Village of Downers Grove, DuPage County, Illinois, as follows:

- For Village employees employed as of January 1, 2013, and effective pay period beginning January 1, 2013, the Compensation Plan is hereby amended by deleting the existing Compensation Plan, and, in its place, substituting the revised Compensation Plan, effective January 1, 2013, a copy of which is attached hereto and made a part hereof by reference.
- 2. To the extent of any conflict with this resolution, all resolutions or parts of resolutions in conflict with the provisions of this Resolution are hereby repealed.

Group 7: Assistant Village Forester

Lead Fleet Technician

Part-Time Wages

The Village of Downers Grove may establish certain part-time positions, such as Crossing Guard and seasonal hires, with hourly rates of pay ranging from a minimum of \$8.00/hour to a maximum of \$16.00/hour.

Calculation of Minimum and Maximum

Control points are established by conducting external market analysis of comparable municipal organizations. The minimum of the range is calculated at 20% below the control point (control amount / 1.2). The maximum of the range is calculated at 37.5% above the minimum (minimum amount * 1.375).
