As requested by Commissioner Durkin, below are the bid results for the Library Bond Refunding authorized by parameters ordinance by the Village Council.

<u>Financial Institution</u>	<u>Bid</u>
JP Morgan	0.9200%
BMO Capital Markets	1.2029%
MB Financial	2.2640%
Popular Community Bank	3.2505%

Education Session for Residents on Water Conservation and Stormwater Incentives - On February 21 at 7 p.m., Village staff and Jim Kleinwachter of the Conservation Foundation will provide an educational presentation to residents regarding the benefits of water conservation and stormwater management, as well as additional information for residents interested in pursuing incentives as part of the stormwater utility. The presentation will focus on rain barrels, rain gardens, permeable pavers and other practices that can help residents save on water bills, as well as take advantage of the stormwater utility incentives. The location for the session is the the 3rd Floor of the Lincoln Center (935 Maple Ave).

Strategic Planning Dates - This year's Long-Range Financial Plan process will include identification of strategically important issues and solutions in additional to financial planning. The process will take place over four meetings, tentatively scheduled for May 21, June 11, July 9 and August 13. The meetings are scheduled to take place in the Committee Room following regularly scheduled Village Council meetings.

Maple Tower Water Tank Rehabilitation Project - The work on the inside of the tank was completed this week and the paint is fully cured. The disinfection process started this week and staff anticipates that the tank will be filled and put back into service by the end of next week. This project will be completed in the Spring with the exterior painting of the tank.
