Bid: Purchase of Replacement Vehicles	Resolution Ordinance ✓ Motion Discussion Only	Nan Newlon, P.E. Director of Public Works

SYNOPSIS

A motion is requested to authorize the purchase of nine vehicles in the total amount of \$260,000.21.

STRATEGIC PLAN ALIGNMENT

The goals for 2011-2018 identified *Exceptional Municipal Services*.

FISCAL IMPACT

The adopted FY13 budget includes \$285,000 in the Equipment Replacement Fund for the purchase of these nine replacement vehicles. This recommended purchase is \$260,000.21.

RECOMMENDATION

Staff recommends approval on the March 12, 2013 Consent Agenda.

BACKGROUND

The 2013 vehicle replacement schedule provides for the replacement of 13 vehicles. The table below shows the nine vehicles recommended for purchase at this time.

Quantity	Type of Vehicle	Make and Model	Dealer	Price
2	Hybrid Four Door Sedans	2013 Ford Fusion Hybrid	Wright Automotive of Hillsboro, IL	\$47,596.00
2	E85 Two wheel drive utility vehicles	2013 Chevrolet Tahoe	Miles Chevrolet of Decatur, IL	\$55,292.79
5	E85 Four wheel drive utility vehicles	2013 Chevrolet Tahoe	Miles Chevrolet of Decatur, IL	\$157,111.42

The Village's Fleet Team, consisting of representatives from the Village Manager's Office and Finance, Public Works, Police and Fire Departments have evaluated the need to replace the vehicles and pieces of equipment scheduled for this year. All Village vehicles and equipment are targeted for replacement according to useful lifecycle replacement criteria. These criteria include age, usage, condition, repair costs, fuel efficiency and environmental impact. The Fleet Team reviewed the vehicles scheduled to be replaced and determined that the criteria for replacement were met. Staff prepared additional information related to several of the proposed purchases, which is included as an attachment.

The purchase of these nine vehicles would be made through existing cooperative purchasing contracts, which is permissible based on the provisions of the Village Purchasing Policy. The Chevrolet Tahoe utility vehicles and Ford Fusion sedans would be purchased through State of Illinois Joint Purchase Contracts (PSD 4016025 and PSD 4017336, respectively).

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
