New Teachers Luncheon - Council members are invited to attend the annual New Teachers Luncheon on Aug. 13 at noon at Downers Delight Restaurant.

Maple Avenue Water Tower - The work at the Maple Avenue Water Tower was substantially completed this week and the 1.5 million gallon water tower has been placed back in service. The work included:

- Interior and exterior cleaning and re-coating for corrosion protection
- Safety improvements including enlarging head clearance on interior dry ladders, installing a top platform curb, cover and lower toe bar, and
- Operational improvements including installing an overflow pipe screened flap gate, installing a screen condensate drain pipe, and enlarging the roof manhole cover overlap.

Stormwater Open Houses - Over 100 residents attended three Village open house forums this week at the Public Works facility to talk with staff and provide information about flooding from the April 18th storm event. The information gathered will be used to help finalize the Storm report and plan future drainage improvements. Staff members were available to answer questions and the input gathered will be used to help finalize the Storm Report and plan future drainage improvements. A final report with recommendations will be completed and available on the Village website in August, in time for the 2014 budget process, which begins in September.
