**REPORT FOR THE VILLAGE COUNCIL MEETING**  
**SEPTEMBER 17, 2013 AGENDA**

<b>SUBJECT:</b>	<b>TYPE:</b>	<b>SUBMITTED BY:</b>
Bid: Installation of CNG Fuel Systems on Police Patrol Vehicles	<div style="display: flex; align-items: center;"> <div style="margin-right: 10px;">✓</div> <div>           Resolution            Ordinance            Motion            Discussion Only         </div> </div>	Nan Newlon, P.E. Director of Public Works

**SYNOPSIS**

A motion is requested to authorize the installation of compressed natural gas (CNG) fueling systems on ten Chevrolet Tahoe police patrol vehicles to IMPCO Technologies, Inc., of Union City, Indiana in the amount of \$105,100.

**STRATEGIC PLAN ALIGNMENT**

The Goals for 2011 to 2018 include *Steward of Financial and Environmental Sustainability, Exceptional Municipal Services* and *Continual Innovation*.

**FISCAL IMPACT**

The FY13 Equipment Replacement Fund budget includes sufficient budget authority for this expense. The ten natural gas powered conversions are eligible for a total \$40,000 rebate through the Illinois Environmental Protection Agency's Alternative Fuel Rebate Program. Rebates will likely be received in 2014.

**RECOMMENDATION**

Approval on the September 17, 2013 consent agenda.

**BACKGROUND**

The 2012 and 2013 equipment replacement schedules included the purchase of Chevrolet Tahoe utility vehicles to replace the discontinued Ford Crown Victoria for the Police Department. The proposed project will include the on-site installation of EPA certified CNG fueling systems on ten, four-wheel drive Chevrolet Tahoe police patrol vehicles. Following the installation these vehicles will be considered "bi-fuel" in that they will primarily operate on 100% CNG and then automatically revert to regular unleaded gas only if the on-board CNG supply is depleted. The vehicles will have a CNG storage capacity equivalent to 9.4 gallons of gasoline. The calculated return on investment for this project is 15 months with the savings from compressed natural gas fueling.

A Request for Proposal (RFP) was issued and published in accordance with the Village's Purchasing Policy. Three proposals were received by the due date of September 10, 2013. A synopsis of the proposals is as follows:

<b>Contractor</b>	<b>Proposed Price</b>
IMPCO Technologies, Inc., Union City, Indiana	\$105,100
Dual Fuel Systems, Inc., Batavia, Illinois	\$113,656.60
AutoTruck Group, Bartlett, Illinois	\$124,500

IMPCO Technologies submitted the lowest cost proposal for this project. IMPCO designs, manufactures and supplies alternative fuel systems to vehicle manufacturers and aftermarket installers.

25.2 The Campaign Disclosure Certificate is required pursuant to the Village of Downers Grove Council Policy on Ethical Standards and is applicable to those campaign contributions made to any member of the Village Council.

25.3 Said Campaign Disclosure Certificate requires any individual or entity bidding to disclose campaign contributions, as defined in Section 9-1.4 of the Election Code (10 ILCS 5/9-1.4), made to current members of the Village Council within the five (5) year period preceding the date of the bid or proposal release.

25.4 By signing the bid or proposal documents, contractor/proposer/bidder/vendor agrees to refrain from making any campaign contributions as defined in Section 9-1.4 of the Election Code (10 ILCS 5/9-1.4) to any Village Council member and any challengers seeking to serve as a member of the Downers Grove Village Council.

### **26. SUBLETTING OF CONTRACT**

26.1 No contract awarded by the Village shall be assigned or any part subcontracted without the written consent of the Village Manager. In no case shall such consent relieve the Contractor from their obligation or change the terms of the contract.

All approved subcontracts shall contain language which incorporates the terms and conditions of this Contract.

### **27. TERM OF CONTRACT**

27.1 This Contract may be extended no more than twice for subsequent annual periods (two

annual extensions) by mutual agreement of both parties, providing such agreement complies with Village purchasing policies and the availability of funds. However, if this Contract is not one that is subject to extension, such information will be available in the detailed specifications or special conditions section.

### **28. TERMINATION OF CONTRACT**

- 28.1 The Village reserves the right to terminate the whole or any part of this Contract, upon written notice to the Contractor, for any reason and/or in the event that sufficient funds to complete the Contract are not appropriated by the Village.
- 28.2 The Village further reserves the right to terminate the whole or any part of this Contract, upon written notice to the Contractor, in the event of default by the Contractor. Default is defined as failure of the Contractor to perform any of the provisions of this Contract or failure to make sufficient progress so as to endanger performance of this Contract in accordance with its terms. In the event that the Contractor fails to cure the default upon notice, and the Village declares default and termination, the Village may procure, upon such terms and in such manner as the Village may deem appropriate, supplies or services similar to those so terminated. The Contractor shall be liable for any excess costs for such similar supplies or services unless acceptable evidence is submitted to the Village that failure to perform the Contract was due to causes beyond the control and without the fault or negligence of the Contractor. Any such excess costs incurred by the Village may be set-off against any monies due and owing by the Village to the Contractor.

### **29. BILLING & PAYMENT PROCEDURES**

- 29.1 Payment will be made upon receipt of an invoice referencing Village purchase order number. Once an invoice and receipt of materials or service have been verified, the invoice will be processed for payment in accordance with the Village payment schedule. The Village will comply with the Local Government Prompt Payment Act, 50 ILCS 505/1 et seq., in that any bill approved for payment must be paid or the payment issued to the Proposer within 60 days of receipt of a proper bill or invoice. If payment is not issued to the Proposer within this 60 day period, an interest penalty of 1.0% of any amount approved and unpaid shall be added for each month or fraction thereof after the end of this 60 day period, until final payment is made.
- 29.2 The Village shall review in a timely manner each bill or invoice after its receipt. If the Village determines that the bill or invoice contains a defect making it unable to process the payment request, the Village shall notify the Contractor requesting payment as soon as possible after discovering the defect pursuant to rules promulgated under 50 ILCS 505/1 et seq. The notice shall identify the defect and any additional information necessary to correct the defect.
- 29.3 If this Contract is for work defined as a "fixed public work" project under the Illinois Prevailing Wage Act, 820 ILCS 130/2, any contractor or subcontractor is required to submit certified payroll records along with the invoice. No invoice shall be paid without said records.

### **37. SEVERABILITY OF INVALID PROVISIONS**

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
