**SYNOPSIS**

An ordinance has been prepared to amend the Village's Liquor Code to increase the number of Class P-1 liquor licenses available.

**RECOMMENDATION**

Consideration on the October 15, 2013 active agenda.

**BACKGROUND**

Class P-1 packaged liquor licenses authorize the retail sale of alcohol for off-premise consumption. The premises must be in excess of three thousand six hundred (3,600) square feet. Tastings are permitted on the premises in accordance with State law. These licenses are allowed in locations where the sale of packaged liquor is the primary business and/or in locations where the primary business is that of a drug store, grocery store or convenience store.

The current number of Class P-1 licenses available is 17 and all of them have been issued. It is proposed that the Village Council increase the number of Class P licenses from 17 to 20, as staff has received inquiries from applicants interested in securing a Class P-1 license. In addition, over the course of the past two years, 5 licensees (3 Walgreens and 2 CVS) have upgraded their licenses from beer and wine only (Class P-2) to full alcohol (Class P-1). Adopting the increase in Class P-1 licenses available will not result in the issuance of a liquor license to any specific establishment; rather it will allow an establishment to apply for an available license. Any applicant will be required to go through the entire application process. This ordinance will not alter any other provision of the Class P-1 license.
