SUBJECT:	TYPE:	SUBMITTED BY:
Resolution Authorizing Amendment to Sales Tax Rebate Agreement with Bentley of Downers Grove	✓ Resolution Ordinance Motion Discussion Only	David Fieldman Village Manager

SYNOPSIS

A resolution has been prepared authorizing an amendment to the Sales Tax Rebate Agreement between the Village of Downers Grove and Gold Coast Exotic Imports, LLC, doing business as Bentley of Downers Grove. The amendment would reflect the operation of Lamborghini Downers Grove at the property at 310-330 Ogden Avenue.

STRATEGIC PLAN ALIGNMENT

The 2013-2015 Long Range Plan Goals include *Strong, Diverse Local Economy* and *Steward of Financial and Environmental Sustainability* and *Exceptional Municipal Services*.

FISCAL IMPACT

The operation of the Lamborghini dealership at this location is expected to generate an additional \$8 million of taxable sales each year (\$80,000 in annual sales tax revenue). After the 50% sales tax rebate, the Village's net annual sales tax revenue is expected to increase by \$40,000.

RECOMMENDATION

Approval on the January 7, 2014 active agenda.

BACKGROUND

In December 2011 the Village entered into a sales tax rebate agreement with Gold Coast Exotic Imports, LLC d/b/a Bentley of Downers Grove for the property at 310-330 Ogden Avenue. The sales tax rebate agreement provides a rebate of 50% of the sales tax revenue received by the Village for a period of ten years, after the base amount of \$5 million in taxable sales is achieved each year. Additional information about the agreement can be found here:

http://www.downers.us/public/docs/agendas/2011/12-06-11/RES00-04736_BENTLEY.pdf

Gold Coast Exotic Imports, LLC will be operating a Lamborghini dealership from the property at 310-330 Ogden Avenue. They currently operate the Bentley Downers Grove at this location. The Bentley dealership will continue to operate.

Gold Coast Exotic Imports, LLC will remodel a portion of the interior of the building to meet Lamborghini show room specifications, make minor changes to the building exterior and change the freestanding and building signage to incorporate Lamborghini signs.

The proposed amendment to the sales tax rebate agreement includes the following key terms:

- Sales tax revenue generated from Lamborghini Downers Grove is included in the agreement.

- No later than December 31, 2014 Gold Coast Exotic Imports shall make all improvements required in the agreement.
- The Village may use funds from the Ogden Tax Increment Financing (TIF) District fund to make the rebate payments for TIF eligible expenses. The payment amounts will continue to be based on sales tax revenue generation. Gold Coast Exotic Imports shall submit proof of paid invoices for TIF eligible expenses no later than December 31, 2014.
- All other terms and conditions of the agreement (including the term and amount of rebate payments, holdback of quarterly payments, the requirements to continue operating the dealerships, the requirements to comply with Village Code and the terms of the agreement, forfeiture of payments in the event of non-compliance and the reimbursement of payments if the dealerships cease operation) remain in place.

WHEREAS, Bentley is endeavoring to operate a third franchise, Lamborghini Downers Grove, on the Property and make on-site improvements such as remodeling the existing showroom, improvements to the exterior façade, adding an additional free standing sign, repairing its existing parking lot, landscaping the site, installing screening on the northern lot line, repairing the fence on the western boundary line, enhancing green space and altering all signs to conform to Village Ordinance in accordance with the Ogden Avenue Master Plan (the "Redevelopment Project"); and,

WHEREAS, the Village has determined that the Redevelopment Project will promote economic development as well as other benefits within the Village by creating employment opportunities and enhancing the Village's tax base and seeks to assist Bentley in its endeavors to enhance and improve the Property; and

WHEREAS, the Village and Bentley agree that in order to construct the Redevelopment Project, it is necessary that the Village provide an incentive in the form of certain sales tax rebate assistance in accordance with law and the terms of this Agreement; and

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby covenant and agree as follows:

1. **Incorporation of Recitals:** The foregoing recitals are hereby incorporated and adopted as set forth herein.

2. **General Terms:**

a) Bentley, after receipt of the promises and inducements contained herein, agrees to redevelop its existing automobile sales dealerships (Bentley Downers Grove and Gold Coast Exotic Imports) and add an additional dealership (Lamborghini Downers Grove) (collectively referred to as

the "Dealerships") in substantial accordance with the Design Plan (Exhibit A & B). Specifically, Bentley agrees to remodel the existing showroom, improve the exterior façade, add an additional free standing sign, repair its existing parking lot, landscape the site, install screening on the northern lot line, repair the fence on the western boundary line, enhance green space and bring all signs into compliance with Village Ordinances. It is understood and agreed that there may be a specific plan to be submitted to and approved by the Village in relation to the Property as required by the Village Municipal Code at some time in the future. In addition, the architecture, building, zoning, sign requirements and landscape plans for the Property must be submitted to and approved by the Village. The Village agrees to expeditiously review the site plan and required permits after submission thereof. Bentley shall obtain all necessary permits prior to beginning any such improvements on the Property. The Redevelopment Project shall be constructed substantially in accordance with the plans and specifications approved by the Village. The Redevelopment Project described in this paragraph must be completed no later than December 31, 2014. Bentley agrees to submit to the Village proof of all paid invoices for all work performed in connection with the Redevelopment Project.

b) The parties hereto acknowledge, and Bentley represents and warrants, that it requires economic assistance from the Village in order to commence and complete the Redevelopment Project, and that, but for said economic assistance, the Redevelopment Project as contemplated would not be economically viable, nor would the funds necessary for its commencement and completion be available.

c) For purposes of this Agreement, the use of the terms "sales tax" and "sales tax revenue" shall be construed to refer to that net portion of taxes imposed by the State of Illinois for distribution to the Village pursuant to the Retailers' Occupation Tax Act and the Service Occupation Tax Act (as said Acts may be amended from time to time) and which are collected by the State and distributed to the Village, and all revenue derived from such taxes. It is expressly understood that if a

governmental or legislative body other than the Village enacts any law or statute which results or which may result in any material changes or amendments to the foregoing sales tax provisions, which changes or amendments prohibit the Village from complying with this Agreement or which adversely affect the Village's ability to comply herewith, then the Village and Bentley shall reevaluate this Agreement and the incentives provided hereunder and may mutually agree to restructure the Agreement. If a restructured agreement cannot be agreed to by both parties within a reasonable period of time not more than sixty (60) days from the effective date of the law or statute which has materially affected the Village's compliance herewith, then this Agreement shall automatically terminate releasing both parties from their obligations hereunder. The use of the terms "sales tax" and "sales tax revenue" shall not be construed to mean any additional taxes imposed by the Village as a home rule municipality

d) For purposes of this Agreement, the incentives and inducements set forth herein shall apply only to Bentley and the Redevelopment Project. It is expressly understood that this Agreement shall not apply to any automobile sales that may occur on the Property prior to January 1, 2012.

e) Bentley agrees that in the event there is a change in the ownership (legal or beneficial) of the Dealerships, or any portion thereof, except as provided in Section 8, the Village shall no longer be required to pay all or any portion of the incentive payments provided for in this Agreement.

In the event that all terms and conditions set forth in this Agreement are satisfactorily met by Bentley, including the construction, development and operation of the Dealerships on the Property, the Village hereby agrees to pay Bentley certain sales tax rebates ("Incentive Payments") by quarterly installments over a maximum period of ten (10) years (the "Incentive Period"), subject however to the following conditions and restrictions:

- i. It is understood that the amount of each Incentive Payment will be based solely on the amount of proceeds of sales tax revenue received by the Village from the Dealerships on the Property. However, the Village reserves the right to make payments from any Village funding source it deems appropriate.

- ii. It is acknowledged and understood by and between the parties hereto that the Village receives sales tax revenue monthly, and that the taxes generated by sales in any one month are distributed to the Village approximately three months later (e.g. taxes generated by sales in July are generally not received by the Village until October).
- iii. The initial payment year (hereinafter referred to as the "Initial Payment Year") shall commence January 1, 2012.
- iv. The incentive base for the Initial Payment Year and for each Subsequent Incentive Year shall be taxable retail sales equal to **FIVE MILLION DOLLARS (\$5,000,000.00)** (hereinafter referred to as the "Incentive Base"). The Incentive Base shall reset to zero on each January 1st that this Agreement is in effect. For the Initial Payment Year and each Subsequent Incentive Year, the Village shall be entitled to all the sales tax revenue received from the Dealerships on retail sales up to the Incentive Base; once the Incentive Base has been reached, Bentley shall be entitled to Incentive Payments equal to fifty percent (50%) of the sales tax revenue, if any, received by the Village from the Dealerships on retail sales that exceeds the Incentive Base.
- v. For each ninety (90) day period the improvements remain uncompleted after December 31, 2014, Bentley permanently forfeits that quarterly Incentive Payment.
- f) The Incentive Payments shall be computed at the close of each calendar quarter by the

Village as provided herein. The Village will make quarterly payments to Bentley within thirty (30) days after it receives notification from the State of the sales tax revenue generated by the Dealerships for each month in the respective calendar year. However, the Village shall withhold an amount equal to one quarterly payment. If Bentley fails to continue to operate the Dealerships in accordance with Section 5, the withheld Incentive Payment shall be automatically forfeited to the Village in accordance with Section 6. Upon expiration of the term of this Agreement, if Bentley is in compliance with Section 5, the withheld Incentive Payment shall be paid to Bentley.

g) It is understood that if Bentley has not completed all of the improvements described in Paragraph 2(a) by December 31, 2014, it shall forfeit the Incentive Payments for calendar year 2014. It is further understood that if Bentley is in violation of any Village of Downers Grove Ordinance, the Village reserves the right to withhold Incentive Payments until the violation no longer exists. If the

violations are not corrected within ninety (90) days of notice of violation, the Village shall have the right to permanently withhold said Incentive Payments and they shall be deemed forfeited.

3. **Disclosure:** Bentley shall execute and provide the Village with a power of attorney letter (or other necessary document), in form and content reasonably acceptable to the Village Attorney, which letter shall be addressed to the Illinois Department of Revenue and shall authorize the Illinois Department of Revenue to release any and all gross revenue and sales tax information on a monthly basis with respect to the operation of the Dealerships on the Property to the Village during the Incentive Period. In addition to said letter, Bentley shall prepare and submit such other or additional forms as may be required from time to time by the Illinois Department of Revenue in order to release such information to the Village. Finally, in the event that the sales tax revenue information is not released by the State due to the failure of Bentley to execute the necessary authorization and/or release, the Village shall not be required to make any of the Incentive Payments provided for in this Agreement.

4. **Construction of Redevelopment Project:** Bentley shall submit plans for the construction of the Redevelopment Project on or before June 1, 2014, and shall not cause or permit the existence of any violation of Village ordinances, including but not limited to the Village's building code, zoning ordinances, fire code and any and all rules and regulations thereunder. Bentley shall have completed construction of the Redevelopment Project and shall have begun operations and sales from Bentley on or before December 31, 2014. If the conditions of this Section are not met, this Agreement shall be declared null, void and of no legal effect.

5. **Commitment to Continue Dealerships:** The parties agree that all Incentive Payments are based in part upon: 1) a commitment by Bentley to continue operation of the Dealerships, or an equivalent dealership, on the Property for a period of not less than fifteen (15) years from the effective date of this Agreement (January 1, 2012), and; 2) a scheduled reimbursement of such

Incentive Payments, if the terms of this commitment are not fulfilled. To that end, Bentley agrees to continue the operation of new and used car Dealership(s) on the Property and shall continue to offer automotive sales with the point of sale being in Downers Grove for fifteen (15) years from the effective date of this Agreement. If, at any time during this time period, Bentley, or a successor, fails to offer automotive sales of new and used automobiles as proposed by Bentley, then the Village shall be released and discharged from any further obligation to make payments under this Agreement, and Bentley or its successors shall reimburse the Village in accordance with Section 6. of this Agreement. The failure to meet this commitment is not a breach, but rather a foreseeable event for which the offsetting terms have been agreed to in Section 6 of this Agreement.

6. **Reimbursement:** In the event Bentley, or any approved successor, fails to continue the operation of the Dealerships on the Property as provided in Section 5 of this Agreement, Bentley, or such approved successor, shall forfeit the withheld Incentive Payment and shall reimburse to the Village within sixty (60) days of receipt of a written demand from the Village specifying the amount of the reimbursement of the Incentive Payments due hereunder according to the following schedule:

If said event occurs during:

- * *Year one through year five - One hundred percent (100%) of the Incentive Payment*
- * *Year six through year ten - seventy-five percent (75%) of the Incentive Payment*
- * *Year eleven through year fifteen - fifty percent (50%) of the Incentive Payment*

After the expiration of a sixty (60) day written demand by the Village to Bentley or its successors, specifying the amount due, the Village may, in its sole discretion, pursue any and all available legal remedies to recover said monies, including, without limitation, proceeding with an action in law or in equity to recover the amounts owed.

7. **Limitation of Actions:** No recourse under or upon any obligation, covenant or agreement of this Agreement or for any claim based thereon or otherwise in respect thereof shall be had against the Village, its officers, agents and employees, in any amount or in excess of any specific

sum agreed by the Village to be paid to Bentley hereunder, subject to the terms and conditions herein, and no liability, right or claim at law or in equity shall attach to, or shall be incurred by the Village, its officers, agents and employees in excess of such amounts, and all and any such rights or claims of Bentley against the Village, its officers, directors, agents and employees are hereby expressly waived and released as a condition of and as consideration for the execution of this Agreement by the Village.

8. **Assignments:** Bentley shall not assign this Agreement to any person or entity without the prior written consent of the Village, said consent not to be unreasonably withheld. No such assignment shall be effective, even if consented to by the Village, unless and until the Assignee acknowledges in writing to the Village that the obligations of the Village to Bentley or any Assignee hereunder are contingent upon certain obligations on the part of Bentley which such Assignee is willing to assume. Notwithstanding any such assignments and/or assumption of responsibility, Bentley shall remain liable for all of its agreements, covenants and obligations and the performance thereof pursuant to this Agreement.

9. **Prevailing Wage:** Bentley is hereby notified by the Village that work contemplated by this Agreement may be subject to the Prevailing Wage Act 820 ILCS 130/1 *et seq.* Bentley agrees to comply with all applicable provisions of the Illinois Prevailing Wage Act as administered by the Illinois Department of Labor (IDOL). Bentley further agrees to contact IDOL for a determination of applicability of the Prevailing Wage Act to the projects contemplated by this Agreement. If required by IDOL, Bentley agrees to pay the prevailing wage rates and to require that all of its subcontractors pay prevailing wage to any laborers, workers or mechanics who perform work on the projects contemplated by this Agreement. For applicable rates, go to the State of Illinois – Department of Labor website and use the most current DuPage County rate. Bentley recognizes and agrees that it is solely responsible for compliance with the Prevailing Wage Act and agrees to fully indemnify, defend and hold harmless the Village pursuant to Section 10 below with regard to any actions or proceedings

instituted regarding such compliance.

10. Indemnification: In the event that any third party or parties institutes any legal proceedings against the Village and/or Bentley, which relate to the terms of this Agreement, then, in that event, Bentley shall indemnify and hold harmless the Village from any and all such proceedings. Further, Bentley, upon receiving notice from the Village of such legal proceedings, shall assume, fully and vigorously, the entire defense of such lawsuit or proceedings and any and all costs and expenses of whatever nature relating thereto; provided, however, that Bentley may not at any time settle or compromise such proceedings without the Village's consent and even then only so long as such settlement or compromise does not involve an admission of wrongdoing on the part of the Village, nor any liability on the part of the Village, monetary or otherwise.

If the Village, in its sole discretion, determines that there is, or may probably be, a conflict of interest between the Village and Bentley on an issue of material importance to the Village, or which may reasonably have a potentially substantial adverse effect on the Village, then the Village shall have the option of being represented by its own legal counsel. In the event that the Village exercises such option, then Bentley shall reimburse the Village from time to time on written demand from the Village and notice of the amount due for any and all reasonable out-of-pocket costs and expenses, including but not limited to court costs, reasonable attorney's fees, witnesses' fees and/or other litigation expenses incurred by the Village in connection therewith.

In the event that the Village institutes legal proceedings against Bentley for a breach of this Agreement, or any term or condition hereof, and secures a judgment in its favor, the court having jurisdiction thereof shall determine and include in any judgment against Bentley all costs and expenses of such legal proceedings incurred by the Village, including but not limited to court costs, reasonable attorney's fees and witnesses' fees, incurred in connection therewith. Either party may, in its sole discretion, appeal any judgment rendered in relation thereto.

11. Breach: In the event of breach of any of the terms and conditions of this Agreement, the non-breaching party shall have the right to terminate this Agreement, which will not relieve the breaching party from performance. In addition, the non-breaching party shall have the right, by any action or proceeding at law or in equity, to secure the specific performance of the covenants and agreements herein contained, and may be awarded damages or specific performance, or both, except that the exclusive remedy for the failure to meet the Section 5 commitment is the payment of the scheduled reimbursements as set forth in Section 6. The foregoing rights and remedies shall be cumulative and exclusive. Nothing herein shall modify, limit or abrogate any right of the Village to a refund as provided under Section 6 of this Agreement.

12. Amendments: This Agreement sets forth all the promises, inducements, agreements, conditions and understandings by and between the parties relative to the subject matter hereof, and there are no promises, agreements, conditions or understandings, either oral or written, express or implied, between them, other than those expressly set forth herein. No subsequent alteration, amendment, change or addition to this Agreement shall be binding upon the parties hereto unless authorized in accordance with the law and reduced in writing and signed by them.

13. Time: Time is of the essence under this Agreement and all time limits set forth herein are mandatory and cannot be waived except by a lawfully authorized and executed written waiver by the party excusing such timely performance.

14. Notices: Any notices required in this Agreement shall be effective when in writing and upon mailing by certified mail return receipt requested, or by delivering the same in person or to an officer of such party or by prepaid telegram or private overnight courier, when appropriate, addressed to the party to be notified.
