Prairie State Cycling Series - The Prairie State Cycling Series has expressed interest in holding one of their national bicycle races in Downers Grove. The Prairie State Cycling Series applicant is proposing that the event occur on Sunday, July 27, the last day of their 10-day series. The event would be required to get approval from the Village in the form of a temporary use permit that will come before council after received and reviewed by village staff. Village staff along with the Economic Development Corporation and the Downers Grove Park District will be exploring this option and offering updates as they become available. More information on The Prairie State Cycling Series can be found at their website <http://www.prairiestatecyclingseries.com>.

Neighborhood Meeting for Traffic Study - Staff held a neighborhood meeting on Thursday, February 27 at Lester Elementary School to present study findings, draft recommendations and to solicit comments and feedback from residents in the neighborhood. Approximately 30 residents attended. The next opportunity for discussion about this project will be at the Transportation and Parking Commission meeting in April.
