**C. Motion: Award a Contract for \$594,877.95 to Swallow Construction Corporation, Downers Grove, for Forest Avenue Drainage Improvements**

*Does the Village have information about the age, material and general condition of all of the stormsewers in the Village?*

The Village has an inventory of the material of all storm sewers, but not the condition or age. This winter, staff plans to substantially complete an inventory of the current condition of our storm sewers. The Village has about 800,000 feet of storm sewer pipes. About 70% is concrete pipe, 9% is plastic, 7% is clay, 3% is corrugated, 1% is ductile iron and 10% is of an unknown material.

**A. Ordinance: Authorize a Third Extension of a Final Planned Development Amendment for Planned Development #31 for Additions to the Existing Parking Garage and the Construction of a New Six-Level Parking Garage at 3500 Lacey Road**

*Can the Village grant an extension longer than one year, or grant multiple one year extensions under the new zoning ordinance?*

No, not under the current Zoning Ordinance. Per Section 12.040C(7)(a) of the Zoning Ordinance, the applicant may request a one-time extension for a period of up to one additional year.
