9. FIRST READING

A. Ordinance: A. Resolution: Maintenance of Streets and Highways by Municipality Under the Illinois Highway Code

How else could the Village use MFT funding?

MFT funding can also be used for parkway trees and street maintenance.

B. Motion: Authorize the Purchase of Bulk Road Salt from Cargill Incorporated Salt Division, North Olmsted, Ohio, via the State Contract

What is the estimated cost to purchase the salt to fill the new salt dome?

The estimated cost to purchase the salt needed to fill the new salt dome is \$347,000. The Village has an existing salt stockpile of approximately 1,000 tons.

When will the Village take delivery of the salt for this winter season?

The Village will begin to take delivery of the salt after the dome is complete (early October) with all deliveries anticipated to be complete by early December.
