The Village and the Developer agree to cooperate in implementing the Redevelopment Project in accordance with the Parties’ respective obligations set forth in this Redevelopment Agreement.

ARTICLE FIVE

VILLAGE COVENANTS AND AGREEMENTS

5.1 Village's Redevelopment Obligations. The Village shall have the obligations set forth in this Article Five for the development, construction financing, completion and furtherance of the Redevelopment Project.

This Redevelopment Agreement shall not constitute a debt of the Village within the meaning of any constitutional statutory provision or limitation.

5.2 Reimbursement for TIF Eligible Expenses. Upon Substantial Completion of the Project and the submission to the Village by the Developer of Requisition(s) for Eligible Redevelopment Project Costs incurred and paid and the approval thereof by the Village in accordance with the terms and conditions of this Redevelopment Agreement, the Village shall pay or reimburse the Developer an amount equal to the amount of Eligible Redevelopment Costs as represented on the Requisition(s) and said reimbursement shall not exceed TWO HUNDRED TWENTY-FIVE THOUSAND DOLLARS (\$225,000) from the Ogden Avenue Redevelopment Tax Increment Fund. The Village shall not be required to make any payments under this Redevelopment Agreement unless Developer has made application to governmental agencies (other than the Village) for grant or reimbursement monies for environmental remediation as required in Section 6.4 below and received responses therefrom. Developer shall provide copies to the Village of any applications and/or documentation submitted to other agencies. In the event Developer receives any such monies from any other governmental agency or other third party, the total amount of Eligible Redevelopment Costs available under this Redevelopment Agreement shall be reduced dollar for dollar by such monies.

5.3 Payment Procedures. The Village and the Developer agree that the Eligible Redevelopment Project Costs constituting the Reimbursement Amount shall be paid solely from incremental property taxes that are deposited in the Ogden Avenue Redevelopment Tax Increment Fund and not otherwise. The Village represents and warrants to Developer that adequate funds will be maintained by the Village in the Ogden

5.4 Approval and Resubmission of Requisitions. The Village shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that (i) all or some part of the Requisition does not constitute Eligible Redevelopment Project Costs or has not otherwise been sufficiently documented as specified herein; (ii) any subsequent amendment to the Act or any subsequent decision of a court of competent jurisdiction makes any such payment to not be authorized; or (iii) a default pursuant to Article 12 of this Redevelopment Agreement by the Developer has occurred and is continuing. If a Requisition is disapproved by the Village, the reason for the disallowance will be set forth in writing to the Developer and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required, if that is the basis for denial. The same procedures set forth herein shall be applicable to resubmittals.

5.5 Time of Payment. Provided that performance of this Redevelopment Agreement has not been suspended or terminated by the Village pursuant to Article 12, the Village shall pay an amount not to exceed One Hundred Percent (100%) of the Reimbursement Amount which is approved by any one or more Requisitions under this Article to the Developer within forty-five (45) days of approval of any such Requisition.

In the event that any court or governmental agency, having jurisdiction over enforcement of the Act shall determine that the entire Redevelopment Project Area is contrary to law or is otherwise challenged before a court or governmental agency having jurisdiction thereof, the Village will, at its sole cost and expense, defend the integrity of the Redevelopment Project Area. The Village shall not enact any law, ordinance, rule or regulation (or amendment thereto) which would have the effect of increasing Developer's obligations hereunder, including an increase in the cost of the Redevelopment Project, unless said law, ordinance, rule or regulation is one of general applicability to all the property in the Village.

6.3 Agreement to Complete the Redevelopment Project. Subject to Uncontrollable Circumstances, Developer covenants and agrees to use its best efforts to Substantially Complete the Redevelopment Project by no later than January 31, 2017, in accordance with this Redevelopment Agreement and in substantial compliance with the Redevelopment Project plans attached hereto and incorporated herein by reference as Exhibit A. 6.4 Environmental Remediation. As part of the Redevelopment Project the Developer agrees to obtain either (a) the NFR; or (b) the Removal Letter. Notwithstanding anything to the contrary contained in this Redevelopment Agreement, Developer's failure to obtain the NFR or Removal Letter by January 31, 2017 pursuant to this Section 6.4 will under no circumstances be an Event of Default. Any failure to obtain the NFR or Removal Letter by January 31, 2017, subject to extension for Uncontrollable Circumstances, will give rise to the termination rights of the Parties under Section 14.1 of this Redevelopment Agreement. Developer shall make application to the Illinois Environmental Protection Agency, Federal Environmental Protection Agency or any other appropriate governmental agency for a grant or reimbursement monies from the State Petroleum Fund, Underground Storage Tank (UST) Fund or any other available funds for environmental remediation efforts.

6.5 Authorized Developer Representatives. Subject to the provisions in Article Three, the Developer's Authorized Developer Representatives have the full power and authority to meet with Village staff for purposes of coordinating and implementing obligations of the Parties under this Redevelopment Agreement.

6.6 Tax Exempt Status. Developer and successor owners shall not assert a tax-exempt status during their respective period of ownership. This prohibition shall run with the land and shall expire on the date the entire Redevelopment Project Area expires (February 6, 2024) or an earlier date if agreed by the Village and Developer.

6.7 Real Estate Tax Payments. Developer and successor owners, including but not limited to building unit owners, agree to pay all general and special real estate taxes levied and payable during their respective period of ownership against their respective interest in the Redevelopment Project on or prior to the date same is due and said taxes

shall not become delinquent. Developer and successor owners shall deliver evidence of payment of such taxes to the Village upon request.

ARTICLE SEVEN

ADDITIONAL COVENANTS OF DEVELOPER

- (a) the failure of Developer to comply with any of the terms, covenants or

conditions of this Redevelopment Agreement which Developer is obligated to comply with, after the benefit of any applicable notice and cure periods;
or

- (b) the failure of Developer or any of Developer's contractors to pay contractors, subcontractors or material men in connection with the Redevelopment Project (subject to any amounts being contested in good faith by Developer); or
- (c) material misrepresentations or omissions of Developer relating to the Redevelopment Project, financial information or this Redevelopment Agreement which are the result of information supplied or omitted by Developer; or
- (d) the failure of Developer to cure any material misrepresentations or omissions of Developer in this Redevelopment Agreement relating to the Redevelopment Project within the applicable cure provisions of this Redevelopment Agreement; or
- (e) any claim or cause of action for injury or damage brought by a third party arising out of the construction or operation of the Redevelopment Project by Developer; or
- (f) any violation by Developer of local ordinance, State or federal laws, in connection with the offer and sale of interests in the Developer or any part of the Redevelopment Project; or

but only to the extent that such Indemnified Party's misconduct or negligence contributed to the loss, or that the loss is attributable to such Indemnified Party's misconduct or negligence.

7.4 **Further Assistance and Corrective Instruments.** The Village and Developer agree that they will from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may be reasonably required for carrying out the intention of or facilitating the performance of this Redevelopment Agreement to the extent legally permitted and within the Village's sound legal discretion.

7.5 **No Gifts.** Developer covenants that no officer, member, manager, stockholder, employee or agent of Developer, or any other person connected with Developer, has made, offered or given, either directly or indirectly, to the Mayor, any Council member, or any officer, employee or agent of the Village, or any other person connected with the Village, any money or anything of value as a gift or bribe or other means of influencing his or her action in his or her capacity with the Village.

7.6 **Conveyance.** In recognition of the nature of the Redevelopment Project and the Village's projections of the need for incremental tax revenues to finance Redevelopment Project Costs, in accordance with the Act, during the life of the TIF (until February 6, 2024) consistent with its covenants in Section 6.6, Developer shall not knowingly undertake to convey the Property to persons whose ownership and use of such Property will cause it to be exempt from payment of property taxes, and will impose in the deed conveying all or any portion of the Property, a prohibition against granting such conveyance consistent with the covenants in Section 6.6.

7.7 **Disclosure.** Developer hereby represents, warrants and covenants to the Village that the only current members of the Developer are Chris Ilekis and Ryan Murphy and that such members shall not own less than 51% of the Developer in the aggregate. Any proposed assignee of any of Developer's obligations under this Redevelopment Agreement prior to Substantial Completion shall have the qualifications, financial ability, reputation and character necessary, adequate and desirable, in the Village's sole discretion, to fulfill these obligations. The proposed assignee shall execute an assumption and assignment agreement agreeing to adhere to the terms and conditions of this Redevelopment Agreement, as they apply to said assignee, and shall submit such information, including financial information, as may be requested by the Village Council. Before any permissible assignment shall be of any force and effect, Developer shall give notice of such proposed assignment to the Village, and the Village Council shall have thirty (30) days to accept or reject such assignee at its sole discretion. In the event the Village rejects such assignee, the Village shall state the reasons therefor. If the Village does not respond to the notice of such intended assignment within such thirty-day (30) period, such assignment shall be deemed approved. Notwithstanding anything in this Section 7.8, no part of this Section 7.8 shall require the

Village's consent to the collateral assignment hereof to Developer's construction lender or permanent lender, if required thereby or the assignment of this Redevelopment Agreement to a Permitted Transfer or to an assignment of the Redevelopment Agreement after Substantial Completion.

7.9 **No Transfer without Village's Consent.** Prior to Substantial Completion, no portion of the Project shall be transferred or conveyed without the Village Council's prior written approval (other than Permitted Transfers). Before being requested to consent to a transfer (except a Permitted Transfer) of all of the Property by Developer to another developer (a "separate developer") who will develop such portion of the Redevelopment Project and the Property, the following must be satisfied regarding such transfer:

c. All material instruments and legal documents involved and affecting any such transfer from Developer to any transferee shall be submitted to the Village Council for its approval, and no transfer shall be effective until the Village Council has authorized the Village Manager to execute the same. Except in the event of a written agreement

authorized by the Village Council, no transfer shall be deemed to relieve Developer or any other party bound in any way by this Redevelopment Agreement or otherwise with respect to the construction of the Redevelopment Project from any of their obligations with respect thereto as to the interest transferred. Developer shall in any event notify the Village of any transfer of any interest in the Redevelopment Project other than: (i) transfers to an Affiliate of Developer; as used herein, an "Affiliate of Developer" shall mean an entity which controls, is controlled by, or is under common control with Developer and which has the same manager, members, partners or shareholders owning in the aggregate, more than fifty percent (50%) of the ownership interests in Developer owning more than fifty percent (50%) of the ownership interests in said Affiliate; and as used herein, "control" shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person or entity, whether through the ownership of voting securities or rights, by contract, or otherwise (the foregoing transfers in clause (i), shall herein be referred to as the "Permitted Transfers"). Developer shall not be required to obtain Village review, approval or consent to any Permitted Transfer. The Village shall have no duty to return any letter of credit or other security posted in connection with the portion of the Redevelopment Project so transferred until substitute security acceptable to the Village in its sole discretion is received.

d. Upon the conveyance of the Property to a separate developer (as consented to by the Village Council, and as evidenced by execution by the separate developer of an assumption and assignment agreement in a form acceptable to the Village), such separate developer shall be responsible for the development of the Redevelopment Project and Developer shall be relieved from all further liability under this Redevelopment Agreement with respect to the Redevelopment Project and the Property so transferred. Each separate

developer shall be bound by all terms, conditions, and obligations of this Redevelopment Agreement applicable to the Redevelopment Project and Property and, except as set forth below in this Section, any reference to Developer in this Redevelopment Agreement shall be deemed to be (or include) a reference to a separate developer to the extent such reference is to (or includes) the Redevelopment Project or the Property owned by such separate developer.

e. Following Substantial Completion, Developer may transfer the Project without the consent of the Village.

ARTICLE EIGHT

ADHERENCE TO VILLAGE CODES AND ORDINANCES

All development and build-out of the Redevelopment Project shall comply in all respects with the applicable provisions in the Building, Plumbing, Mechanical, Electrical, Storm Water Management, Fire Prevention, Property Maintenance, Zoning and Subdivision Codes of the Village and all other germane and applicable codes and ordinances in the Downers Grove Municipal Code in effect on the date that an application for a building permit for such development or build-out is filed, and from time to time during build-out that are applicable, except as otherwise provided herein. Developer warrants that its development of the Redevelopment Project shall be performed in accordance with all the applicable covenants, conditions, restrictions, building regulations, zoning ordinances, property maintenance regulations, environmental regulations and land use regulations, codes, ordinances, federal, State and local ordinances affecting the Redevelopment Project.

ARTICLE NINE

REPRESENTATIONS AND WARRANTIES OF DEVELOPER

Developer represents, warrants and agrees as the basis for the undertakings on its part herein contained that as of the date hereof and until Substantial Completion of the Redevelopment Project:

9.1 Organization and Authorization. Developer is an Illinois limited liability company authorized to do business in Illinois and existing under the laws of the State of Illinois, and is authorized to and has the power to enter into, and by proper action has been duly authorized to execute, deliver and perform, this Redevelopment Agreement. Developer is solvent, able to pay its debts as they mature and financially able to perform all the terms of this Redevelopment Agreement. To Developer's knowledge, there are no actions at law or similar proceedings which are pending or threatened against Developer which would result in any material and adverse change to Developer's financial condition, or which would materially and adversely affect the level of Developer's assets as of the date of this Redevelopment Agreement or that would materially and adversely affect the ability of Developer to proceed with the build-out and development of the Redevelopment Project.

9.2 Non-Conflict or Breach. Neither the execution and delivery of this Redevelopment Agreement by Developer, the consummation of the transactions contemplated hereby by Developer, nor the fulfillment of or compliance with the terms and conditions of this Redevelopment Agreement by Developer conflicts with or results in a breach of any of the terms, conditions or provisions of any offerings or disclosure statement made by Developer, any organizational documents, any restriction, agreement or instrument to which Developer or any of its partners or venturers is now a party or by which

Developer or any of its partners or its venturers is bound, or constitutes a default under any of the foregoing, or results in the creation or imposition of any prohibited lien, charge or encumbrance whatsoever upon any of the assets or rights of Developer, any related party or any of its venturers under the terms of any instrument or agreement to which Developer, any related party or any of its partners or venturers is now a party or by which Developer, any related party or any of its venturers is bound.

9.3 Location of Redevelopment Project. The Redevelopment Project will be located entirely within the Property.

9.4 Financial Resources. Developer and any affiliate to which portions of this Redevelopment Agreement are assigned have sufficient financial and economic resources to implement and complete Developer's obligations contained in this Redevelopment Agreement.

ARTICLE TEN

REPRESENTATIONS AND WARRANTIES OF THE VILLAGE

The Village represents, warrants and agrees as the basis for the undertakings on its part herein contained that:

10.1 Organization and Authority. The Village is a municipal corporation duly organized and validly existing under the laws of the State of Illinois, is a home rule unit of government, and has all requisite corporate power and authority to enter into this Redevelopment Agreement.

10.2 Authorization. The execution, delivery and the performance of this Redevelopment Agreement and the consummation by the Village of the transactions provided for herein and the compliance with the provisions of this Redevelopment Agreement (i) have been duly authorized by all necessary corporate action on the part of

the Village, (ii) require no other consents, approvals or authorizations on the part of the Village in connection with the Village's execution and delivery of this Redevelopment Agreement, and (iii) shall not, by lapse of time, giving of notice or otherwise result in any breach of any term, condition or provision of any indenture, agreement or other instrument to which the Village is subject.

10.3 Litigation. To the best of the Village's knowledge, there are no proceedings pending or threatened against or affecting the Property, the Redevelopment Project, the Village or the Redevelopment Project Area in any court or before any governmental authority which involves the possibility of materially or adversely affecting the ability of the Village to perform its obligations under this Redevelopment Agreement.

ARTICLE ELEVEN

PREVAILING WAGE

The Developer is hereby notified by the Village that work contemplated by this Redevelopment Agreement may be subject to the Prevailing Wage Act 820 ILCS 130/1 *et seq.* The Developer agrees to comply with all applicable provisions of the Illinois Prevailing Wage Act as administered by the Illinois Department of Labor ("IDOL"). The Developer further agrees to contact IDOL for a determination of applicability of the Prevailing Wage Act to the projects contemplated by this Redevelopment Agreement. If required by IDOL, the Developer agrees to pay the prevailing wage rates and to require that all of its subcontractors pay prevailing wage to any laborers, workers or mechanics who perform construction work on the Redevelopment Project contemplated by this Redevelopment Agreement. The Developer recognizes and agrees that it is solely responsible for compliance with the Prevailing Wage Act and agrees to fully indemnify, defend and hold harmless the Village pursuant to Section 7.3 above with regard to any

actions or proceedings instituted regarding such compliance.

ARTICLE TWELVE

EVENTS OF DEFAULT AND REMEDIES

12.1 Events of Default. The following shall be Events of Default with respect to this Redevelopment Agreement:

- (a) If any representation made by Developer in this Redevelopment Agreement, or in any certificate, notice, demand or request made by Developer, in writing and delivered to the Village pursuant to or in connection with any of said documents, shall prove to be untrue or incorrect in any material adverse respect as of the date made; provided, however, that such default shall constitute an Event of Default only if Developer does not remedy the default within thirty (30) days of written notice from the Village.
- (b) Default by Developer for a period of thirty (30) days after written notice thereof from the Village in any representation contained in this Redevelopment Agreement concerning the existence, structure, financial condition of Developer; provided, however, that such default or breach shall not constitute an Event of Default if such default can be cured within said thirty (30) days and Developer, within said thirty (30) days, initiates and diligently pursues appropriate measures to remedy the default.
- (c) A material failure by Developer in the performance of any obligation hereunder or the material breach of any covenant or warranty contained in this Redevelopment Agreement; provided, however, that such default shall not constitute an Event of Default if such default can be cured within said thirty (30) days and the Developer, within said thirty (30) days, initiates and

diligently pursues appropriate measures to remedy the default and in any event cures such default within ninety (90) days after such notice, subject to Uncontrollable Circumstances.

- (d) The entry of a decree or order for relief by a court having jurisdiction in the premises in respect of Developer in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or State bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignees, custodian, trustee, sequestrator (or similar official) of Developer for any substantial part of its property, or ordering the winding-up or liquidation of its affairs and the continuance of any such decree or order unstayed and in effect for a period of sixty (60) consecutive days.
- (e) The commencement by Developer of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or State bankruptcy, insolvency or other similar law, or the consent by Developer to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of Developer or of any substantial part of the Property, or the making by any such entity of any assignment for the benefit of creditors or the failure of Developer generally to pay such entity's debts as such debts become due or the taking of action by Developer in furtherance of any of the foregoing, or a petition is filed in bankruptcy by others.
- (f) Failure to have funds to meet Developer's obligations.
- (g) Developer fails to comply with applicable governmental codes and

regulations.

12.2 Village Events of Default. The following shall be Events of Default with respect to this Redevelopment Agreement:

- (a) If any material representation made by the Village in this Redevelopment Agreement, or in any certificate, notice, demand or request made by a party hereto, in writing and delivered to Developer pursuant to or in connection with any of said documents, shall prove to be untrue or incorrect in any material respect as of the date made; provided, however, that such default shall constitute an Event of Default only if the Village does not remedy the default within thirty (30) days after written notice from Developer.
- (b) Default by the Village in the performance or breach of any material covenant contained in this Redevelopment Agreement concerning the existence, structure or financial condition of the Village; provided, however, that such default or breach shall constitute an Event of Default only if the Village does not, within thirty (30) days after written notice from Developer, initiate and diligently pursue appropriate measures to remedy the default.
- (c) Default by the Village in the performance or breach of any material covenant, warranty or obligation contained in this Redevelopment Agreement; provided, however, that such default shall not constitute an Event of Default if the Village commences cure within thirty (30) days after written notice from Developer and in any event cures such default within ninety (90) days after such notice, subject to Uncontrollable Circumstances.
- (d) Failure to have funds to meet the Village's obligations.

12.3 Remedies for Default.

In the case of an Event of Default hereunder:

- (a) The defaulting party shall, upon written notice from the non-defaulting party, take immediate action to cure or remedy such Event of Default. If, in such case, any monetary Event of Default is not cured, or if in the case of a non-monetary Event of Default, action is not taken or not diligently pursued, or if action is taken and diligently pursued but such Event of Default or breach shall not be cured or remedied within a reasonable time, but in no event more than thirty (30) additional days unless extended by mutual agreement, the non-defaulting party may institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such default or breach, including, but not limited to, proceedings to compel specific performance of the defaulting party's obligations under this Redevelopment Agreement.
- (b) In case the Developer or Village shall have proceeded to enforce its rights under this Redevelopment Agreement and such proceedings shall have been discontinued or abandoned for any reason, then, and in every such case, Developer and the Village shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of Developer and the Village shall continue as though no such proceedings had been taken.

12.4 No Waiver by Delay or Otherwise. Any delay by either party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights under this Redevelopment Agreement shall not operate to act as a waiver of such rights or to deprive

it of or limit such rights in any way (it being the intent of this provision that neither party should be deprived of or limited in the exercise of the remedies provided in this Redevelopment Agreement because of concepts of waiver, laches or otherwise); nor shall any waiver in fact made with respect to any specific Event of Default be considered or treated as a waiver of the rights by the waiving party of any future Event of Default hereunder, except to the extent specifically waived in writing. No waiver made with respect to the performance, or the manner or time thereof, of any obligation or any condition under this Redevelopment Agreement shall be considered a waiver of any rights except if expressly waived in writing.

12.5 Rights and Remedies Cumulative. The rights and remedies of the Parties to this Redevelopment Agreement, whether provided by law or by this Redevelopment Agreement, shall be cumulative, and the exercise of any one or more of such remedies shall not preclude the exercise by such Party, at that time or different times, of any other such remedies for the same Event of Default.

ARTICLE THIRTEEN

EQUAL EMPLOYMENT OPPORTUNITY

13.1 No Discrimination. Developer will not discriminate against any employee or applicant for employment on the basis of race, color, religion, sex, national origin ancestry, age, marital status, physical or mental handicap or unfavorable discharge for military service. To the fullest extent permitted by law, Developer will take affirmative action to ensure that applicants are employed and treated during employment, without regard to their race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap or unfavorable discharge for military service. Such action shall include, but not be limited to, the following: employment, upgrading, demotion,

transfer, recruitment, recruitment advertising, layoff, termination, rate of pay or other forms of compensation and selection for training, including apprenticeship. Developer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

13.2 Advertisements. Developer will, in all solicitations or advertisements for employees placed by or on behalf of Developer related to the Redevelopment Project, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap or unfavorable discharge for military service.

13.3 Contractors. Any contracts made by Developer with any general contractor, agent, employee, independent contractor or any other Person in connection with Developer's Redevelopment Project shall contain language similar to that recited in Sections 13.1 and 13.2 above.

ARTICLE FOURTEEN

MISCELLANEOUS PROVISIONS

14.1 Cancellation. In the event Developer or the Village shall be prohibited, in any material respect, from performing covenants and agreements or enjoying the rights and privileges herein contained, or contained in the Redevelopment Plan, including Developer's duty to build-out the Redevelopment Project, (i) by the order of any court of competent jurisdiction; (ii) in the event that all or any part of the Act or any ordinance adopted by the Village in connection with the Redevelopment Project, shall be declared invalid or unconstitutional, in whole or in part, by a final decision of a court of competent jurisdiction and such declaration shall materially affect the Redevelopment Project or the covenants and agreements or rights and privileges of Developer or the Village; (iii) failure to obtain

the NFR or Removal Letter on or before January 31, 2017 subject to extension for Uncontrollable Circumstances; or (iv) the failure of the Developer to Substantially Complete the Redevelopment Project on or before January 31, 2017 subject to extension for Uncontrollable Circumstances, then and in any such event, the party so materially affected may, at its election, cancel or terminate this Redevelopment Agreement in whole (or in part with respect to that portion of the Redevelopment Project materially affected) by giving written notice thereof to the other party within sixty (60) days after such final decision or event. If the Village terminates this Redevelopment Agreement pursuant to this Section 14.1, to the extent it is then appropriate, the Village, at its option, may also terminate its duties, obligation and liability under all or any related documents and agreements provided, however, that (i) the cancellation or termination of this Redevelopment Agreement shall have no effect on the authorizations granted to Developer for building permits issued and under construction to the extent permitted by said Court order; (ii) the cancellation or termination of this Redevelopment Agreement shall have no effect on perpetual easements contained in any recorded document; and (iii) the cancellation or termination of this Redevelopment Agreement shall release the Village from any and all liability or obligation relating to the payment or reimbursement to the Developer for any Eligible Redevelopment Project Costs. If the Developer terminates this Redevelopment Agreement pursuant to this Section 14.1, to the extent it is then appropriate, the Developer, at its option, may also terminate its duties, obligation and liability under all or any related documents and agreements provided, however, that the cancellation or termination of this Redevelopment Agreement shall have no effect on perpetual easements contained in any recorded document.

14.3 Time of the Essence. Time is of the essence of this Redevelopment Agreement.

14.4 Integration. Except as otherwise expressly provided herein, this Redevelopment Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter hereof and is a full integration of the agreement of the Parties.

14.5 Counterparts. This Redevelopment Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same Redevelopment Agreement.

14.6 Recordation of Redevelopment Agreement. The Parties agree to record this Redevelopment Agreement with the DuPage County Recorder's Office.

14.7 Severability. If any provision of this Redevelopment Agreement, or any section, sentence, clause, phrase or word, or the application thereof, in any circumstance, is held to be invalid, the remainder of this Redevelopment Agreement shall be construed as if such invalid part were never included herein, and this Redevelopment Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

14.8 Choice of Law. This Redevelopment Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

14.9 Entire Contract and Amendments. This Redevelopment Agreement (together with the exhibits attached hereto) is the entire contract between the Village and Developer relating to the subject matter hereof, supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, between the Village and Developer, and may not be modified or amended except by a written instrument executed by the Parties hereto.

14.10 Third Parties. Nothing in this Redevelopment Agreement, whether

expressed or implied, is intended to confer any rights or remedies under or by reason of this Redevelopment Agreement on any other persons other than the Village and Developer, nor is anything in this Redevelopment Agreement intended to relieve or discharge the obligation or liability of any third persons to either the Village or Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the Village or Developer. This Redevelopment Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

14.11 Waiver. Any party to this Redevelopment Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Redevelopment Agreement.

14.12 Cooperation and Further Assurances. The Village and Developer each covenants and agrees that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments, easements if necessary, and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better clarifying, assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the Village or Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Redevelopment Agreement.

14.13 Successors in Interest. This Redevelopment Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective authorized successors and assigns; provided, however, that, except as provided in Section 7.8 hereof, Developer

may not assign its rights under this Redevelopment Agreement without the express written approval of the Village. Notwithstanding anything herein to the contrary, the Village may not delegate its obligation hereunder or transfer any interest in the Property without the express written approval of Developer.

14.14 No Joint Venture, Agency or Partnership Created. Nothing in this Redevelopment Agreement, or any actions of the Parties to this Redevelopment Agreement, shall be construed by the Parties or any third person to create the relationship of a partnership, agency or joint venture between or among such parties.

14.15 No Personal Liability of Officials of Village or Developer. No covenant or agreement contained in this Redevelopment Agreement shall be deemed to be the covenant or agreement of the Mayor, Village Council member, Village Manager, any official, officer, partner, member, director, agent, employee or attorney of the Village or Developer, in his or her individual capacity, and no official, officer, partner, member, director, agent, employee or attorney of the Village or Developer shall be liable personally under this Redevelopment Agreement or be subject to any personal liability or accountability by reason of or in connection with or arising out of the execution, delivery and performance of this Redevelopment Agreement, or any failure in that connection.

14.16 Repealer. To the extent that any ordinance, resolution, rule, order or provision of the Village's code of ordinances, or any part thereof, is in conflict with the provisions of this Redevelopment Agreement, the provisions of this Redevelopment Agreement shall be controlling, to the extent lawful.

14.19 Municipal Limitations. All municipal commitments are limited to the extent required by law.

ARTICLE FIFTEEN

Re: 1201 W. Ogden / Downers Grove

Gabriel Environmental Services recently performed a number of Focused Environmental Borings at the aforementioned property. Previously, another consultant had also performed borings at the subject site.

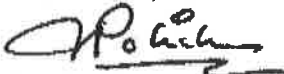

Contamination was found by these two sets of borings to exist generally across both the northern half of site, and the southeast quadrant of same.

Our understand is that you will be building a 5800+ sq. ft. building on the property, centered in the southeast portion of same. We also understand that your lender will require that you procure a NFR letter for the property. Moreover, since there are USTs that still exist on the site, the Fire Marshal will mandate that these tanks be removed, before the site can be redeveloped.

To reduce liability, the best overall remedial strategy for the property is to remove the contaminant that exists where the building will be built. Our estimated cost for this removal, coupled with the removal of the tanks, and procurement of a NFR letter for the contamination that would be left under the parking lot on the northern half of the property, is \$365,000 - \$475,000.

The estimated time frame for receipt of an NFR letter is 11 to 18+ months. Both the timeline and expenses may change dependent on the IEPA's review of the site. We do not believe it likely that IEPA will mandate removal of the contaminated soils on the northern portion of the site. Some type of cap, however, is a likely requirement.

Re: 1201 W. Ogden / Downers Grove

Gabriel Environmental Services recently performed a number of Focused Environmental Borings at the aforementioned property. Previously another consultant had also performed borings at the subject site.

Contamination was found to exist on the northern portion of the property, and the southeastern quadrant of same. Because of this contamination, we would recommend entrance of the site into IEPA's SRP program, the goal of which would be to procure a NFR (No Further Remediation) letter for the property. The USTs that remain now on site will also need to be removed.

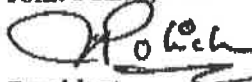

Based upon the results of the testing performed during our investigation, we believe it unlikely that the Illinois Environmental Protection Agency (IEPA) will require any large amount of active site remediation prior to site closure and issuance of an NFR Letter. Due to new Agency regulations, however, it is likely that they will mandate Vapor Intrusion (VI) mitigation.

Our best cost estimate for finalizing the closure paperwork, removing the USTs, and installing VI Mitigation, is \$113,500 - \$164,500+, and our best estimate for a worst-case scenario \$165,000 and \$247,500+. Since VI Regulation enforcement is still a work in progress, our upper end range has high variability.

The estimated time frame for receipt of an NFR letter is 11 to 18+ months. Both the timeline and expenses may change dependent on the IEPA's review of the site.

There is at least some possibility that the State Petro Fund will help to pay for closure. Assuming it does, that would reduce your ultimate out of pocket costs by \$45,000 to \$85,000.
