VILLAGE OF DOWNERS GROVE
Report for the Village Council Meeting
4/14/2015

SUBJECT:	SUBMITTED BY:
Contract for Office Supplies	Judy Buttny Finance Director

SYNOPSIS

A motion is requested to authorize a one-year contract with the option for two one-year extensions with Shane's Office Supply of Downers Grove, IL for the purchase of office supplies.

STRATEGIC PLAN ALIGNMENT

The goals for 2011 to 2018 identified *Exceptional Municipal Services*.

FISCAL IMPACT

The FY15 budget includes \$50,500 in the General Fund for the purchase of office supplies.

RECOMMENDATION

Approval on the April 14, 2015 consent agenda.

BACKGROUND

Staff issued a Call for Bids that requested pricing for commonly used office supplies. Three firms submitted bids: Shane's Office Supply, Warehouse Direct, and Exceed Group. Staff evaluated the proposals in terms of the price for commonly purchased office supply items. The prices of individual items included in the bids varied. None of the companies provided the lowest price on all the items in the bid.

Staff determined that Shane's Office Supply submitted the bid with the lower cost for the majority of the commonly purchased office items. Staff also compared prices with cooperative purchasing contracts from US Communities and the National Joint Purchasing Alliance. Shane's costs are also lower than the cooperative purchasing contracts for the commonly purchased office items.

Based on the results of the bidding process, staff recommends awarding the contract to Shane's Office Supply for a one year period. Pricing for the commonly purchased office supplies will be locked in for this one year period. Shane's has provided the Village with excellent customer service for the past six years. Orders are placed on-line and are delivered free the next day. This agreement does not require the Village to purchase from Shane's exclusively and staff will continue to have the ability to use other vendors.

40. TERM OF CONTRACT

- 40.1 This Contract may be extended no more than twice for subsequent annual periods (two annual extensions) by mutual agreement of both parties, providing such agreement complies with Village purchasing policies and the availability of funds. However, if this Contract is not one that is subject to extension, such information will be available in the detailed specifications or special conditions sections.

41. TERMINATION OF CONTRACT

- 41.1 The Village reserves the right to terminate the whole or any part of this Contract, upon written notice to the Contractor, for any reason and/or in the event that sufficient funds to complete the contract are not appropriated by the Village.
- 41.2 The Village further reserves the right to terminate the whole or any part of this Contract, upon written notice to the Contractor, in the event of default by the Contractor. Default is defined as failure of the Contractor to perform any of the provisions of this Contract or failure to make sufficient progress so as to endanger performance of this Contract in

accordance with its terms. In the event that the Contractor fails to cure the default upon notice, and the Village declares default and termination, the Village may procure, upon such terms and in such manner as the Purchasing Manager may deem appropriate, supplies or services similar to those so terminated. The Contractor shall be liable for any excess costs for such similar supplies or services unless acceptable evidence is submitted to the Purchasing Manager that failure to perform the Contract was due to causes beyond the control and without the fault or negligence of the Contractor. Any such excess costs incurred by the Village may be set-off against any monies due and owing by the Village to the Contractor.

42. BILLING & PAYMENT PROCEDURES

42.1 Payment will be made upon receipt of an invoice referencing Village of Downers Grove purchase order number. Once an invoice and receipt of materials or service have been verified, the invoice will be processed for payment in accordance with the Village's payment schedule. The Village will comply with the Local Government Prompt Payment Act, 50 ILCS 505/1 et seq., in that any bill approved for payment must be paid or the payment issued to the Contractor within 60 days of receipt of a proper bill or invoice. If payment is not issued to the Contractor within this 60 day period, an interest penalty of 1.0% of any amount approved and unpaid shall be added for each month or fraction thereof after the end of this 60 day period, until final payment is made.

42.2 The Village shall review in a timely manner each bill or invoice after its receipt. If the Village determines that the bill or invoice contains a defect making it unable to process the payment request, the Village shall notify the Contractor requesting payment as soon as possible after discovering the defect pursuant to rules promulgated under 50 ILCS 505/1 et seq. The notice shall identify the defect and any additional information necessary to correct the defect.

42.3 If this Contract is for work defined as a "fixed public work" project under the Illinois Prevailing Wage Act, 820 ILCS 130/2, any contractor or subcontractor is required to submit certified payroll records along with the invoice. No invoice shall be paid without said records.

42.4 Please send all invoices to the attention of Village of Downers Grove, Accounts Payable, 801 Burlington, Downers Grove, IL 60515.

43. RELATIONSHIP BETWEEN THE BIDDER AND THE VILLAGE

43.1 The relationship between the Village and the Bidder is that of a buyer and seller of professional services and it is understood that the parties have not entered into any joint venture or partnership with the other.

44. STANDARD OF CARE

44.1 Any services performed by Bidder under this Contract will be conducted in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions. No other representations express or implied, and no warranty or guarantee is included or intended in this Contract or in

any report, opinions, and documents or otherwise.

- 44.2 If the Bidder fails to meet the foregoing standard, Bidder will perform at its own cost, and without reimbursement from the Village, the professional services necessary to correct errors and omissions caused by Bidder's failure to comply with the above standard and reported to Bidder within one (1) year from the completion of Bidder's services for the Project.
- 44.3 For Professional Service Agreements (i.e. Engineer, Consultant): Project site visits by Bidder during construction or equipment installation or the furnishing of Project representatives shall not make Bidder responsible for: (i) constructions means, methods, techniques, sequences or procedures; (ii) for construction safety precautions or programs; (iii) or for any construction contractor(s') failure to perform its work in accordance with contract documents.

45. SUCCESSORS AND ASSIGNS

- 45.1 The terms of this Contract will be binding upon and inure to the benefit of the parties and their respective successors and assigns; provided, however, that neither party will assign this Contract in whole or in part without the prior written approval of the other. The Bidder will provide a list of key staff, titles, responsibilities, and contact information to include all expected subcontractors.

46. WAIVER OF CONTRACT BREACH

- 46.1 The waiver by one party of any breach of this Contract or the failure of one party to enforce at any time, or for any period of time, any of the provisions hereof will be limited to the particular instance and will not operate or be deemed to waive any future breaches of this Contract and will not be construed to be a waiver of any provision except for the particular instance.

47. CHANGE ORDERS

- 47.1 The contract price is a "not-to-exceed" cost. At any time additional work is necessary or requested, and the not-to-exceed price is increased thereby, all parties must agree to any change, addition or price increase in writing.
- 47.2 Change orders for public works projects which authorize an increase in the contract price that is 50% or more of the original contract price or that authorize or necessitate any increase in the price of a subcontract under the contract that is 50% or more of the original subcontract price must be resubmitted for bidding in the same manner by which the original contract was bid. (50 ILCS 525/1)

48. SEVERABILITY OF INVALID PROVISIONS

- 48.1 If any provisions of this Contract are held to contravene or be invalid under the laws of any state, country or jurisdiction, contravention will not invalidate the entire Contract, but it will be construed as if not containing the invalid provision and the rights or obligations of the parties will be construed and enforced accordingly.
