Construction for 2015 Water Main Improvements is Underway

Work in preparation for the 2015 Water Main Improvements contract began this past week. The contractor began installing tree fence and root pruning on Bryan Pl., Birch Ave., and Otis Ave., as well as pavement saw-cutting. They will begin mobilizing equipment and materials the week of 4/13. The water main installation is scheduled to begin on Bryan Pl. at Rogers St. next Tuesday and will progress north to Prairie Ave.
