A resolution has been prepared to declare certain vehicles and equipment as surplus property and to authorize disposal of such property pursuant to Section 2.35 of the Municipal Code.

STRATEGIC PLAN ALIGNMENT

FISCAL IMPACT

Staff has established minimum bids for all surplus items. The combined total of the minimum bids is \$25,125. Funds resulting from the disposal of the surplus vehicles and equipment will be revenues in the Equipment Replacement Fund if the vehicle is a Village fleet vehicle, or earmarked for police activities if the proceeds are from the sale of a seized vehicle.

RECOMMENDATION

Approval on the June 9, 2015 consent agenda.

BACKGROUND

When the Village replaces vehicles, it declares them as surplus to be sold or disposed of. The Village has a surplus of 20 retired Village vehicles or pieces of equipment as well as 13 vehicles seized by the Police Department. The attached schedule lists each vehicle.

The Village uses multiple methods to achieve the highest amount of compensation for its surplus equipment. Most of these vehicles will be sold online through E-bay, private auctions or through salvage or recycling companies. Staff has established minimum bids for vehicles based upon conservative Kelly Blue Book values. The Village Manager or his designee may accept a bid below the minimum stated if needed.
