SYNOPSIS

A resolution has been prepared authorizing the Village to enter into an agreement with the Education Foundation of Downers Grove District 58 to host Oktoberfest on Saturday September 12, 2015 from 11:00am to 12:00am.

STRATEGIC PLAN ALIGNMENT

The goals for 2011-2018 include *Exceptional Municipal Services*.

FISCAL IMPACT

The Village will be providing the following services for the event:

- Public Works staff to close and re-open streets prior to and after the event
- Police staff to ensure that public safety is maintained during the event

Staff estimates the costs of Village services to be \$6,484.00. All costs associated with the event will be billed to the applicant after the event.

UPDATE & RECOMMENDATION

This item was discussed at the July 7, 2015 Village Council meeting. Staff recommends approval on the July 14 Consent Agenda.

BACKGROUND

The Education Foundation of Downers Grove District 58 (Foundation) has requested approval of an agreement to host a community event, Oktoberfest, on Saturday, September 12, 2015. The Foundation is a not-for-profit organization that is using the event to raise money for District 58 schools.

The Foundation is proposing to close Burlington Avenue between Mochel Drive and Main Street and host the event on Burlington Avenue. The event would be open to the public from 11:00 a.m. to 12:00 a.m on Saturday, September 12, 2015. Oktoberfest will feature food and beer and wine service and an entertainment stage throughout the duration of the event. A children's zone will provide bounce houses and games from 12:00 p.m to 6:00 p.m. The event area will be completely enclosed with two entrances, one near the Main Street Station fountain and the second at the NE corner of Burlington Avenue and Mochel Drive.

To accommodate the proposed closure of Burlington Avenue between Mochel Drive and Main Street, the Village will take responsibility of the street closures and re-opening. The Village will begin the road closures and detours at 2:00 a.m., September 12. The Village will convert Burlington Avenue between Washington Street and Mochel Drive from one-way westbound to one-way eastbound. Access to Lot B would remain open and the YMCA farmers market would remain accessible on Saturday as well. All roads will be open no later than 5:00 a.m., Sunday, September 13, 2015.

In addition to public works assistance, the Village will provide one police officer between 12:00 p.m. and 6:00 p.m. and two officers from 6:00 p.m. through 12:00 a.m. No other Village services have been requested.

Per the agreement, the Foundation is solely responsible for the administration and operation of the Oktoberfest. As noted above, the Village will be responsible for closing the surrounding streets and setting up the appropriate detour routes around the event and will provide three police officers during the event. All Village incurred costs for the event will be billed to the Foundation after the event.

In addition to the proposed Oktoberfest, there are two other Downtown events occurring that weekend. The YMCA Downtown Market has previously been approved for operation in Lot B from 7:00am to 12:30pm on Saturday September 12. Additionally, Downtown Management has requested approval for the Fine Arts Festival on Saturday September 12, and Sunday September 13, 2015 from 10:00am to 5:00 pm each day. The Fine Arts Festival is proposed to be held on Main Street between Curtiss Street and Grove Street. Curtiss Street will remain open during the event.

Due to the potential challenges of three events in the downtown, staff facilitated a group discussion with all event operators. The Village identified concerns and discussed potential solutions with the event operators to the different challenges. The parties agreed to work together managing these challenges. The attached spreadsheet notes the challenges, solutions and responsibilities.

The Oktoberfest application and the Fine Arts Festival application were reviewed by the Community Events Commission on June 11, 2015. The commission also reviewed the spreadsheet and discussed the challenges with all three event operators. The Commission determined that the challenges can be overcome with all parties meeting their responsibilities. The Commission voted 5-0 to forward a positive recommendation for both Oktoberfest and the Fine Arts Festival applications to the Village Council for approval.

Lemon Tree Grocer Special Event Liquor Serving Guidelines Proposal:

Saturday September 12, 2015

Serving Hours:

Saturday 12:00 p.m. – 10:45 p.m.

Beer Tent:

The beer tent holds all the beer intended for consumption at the event. Behind the beer tent there will be a beer trailer featuring multiple beer taps to serve fresh beer, canned/bottled beers/wine.

Beer shall be served in plastic cups.

Anyone over the age of 21 will have a wristband put on their wrist so it is tight and cannot be slipped off by a member of our staff. Signs will be displayed that alcoholic beverages are not to be permitted to leave the marking structure.

The employee at the tent will pour beer/wine. AT NO TIME WILL CUSTOMERS BE PERMITTED TO SERVE THEMSELVES ALCOHOL! ONLY ONE ALCOHOLIC BEVERAGE CAN BE SOLD TO ONE PERSON AT A TIME.

"Passing" of any alcoholic beverages:

THE PASSING OF ALCOHOL WILL NOT BE TOLERATED! Notify a security personal or DG Police officer immediately if any such incident occurs. Volunteers and DG Police Officers will be present during the event to prevent underage drinking, passing of alcohol and presence of offsite alcohol.

Product List:

- Identification is required if the customer appears to be under the age of 35.

Acceptable forms of Identification:

1. Current Driver's License (Vertical Drivers License not accepted)
2. Current (state issued) ID cards
3. Valid Passport

If any form of ID seems questionable, they should be taken to the manager on duty immediately for approval. Under no circumstances will traffic tickets be accepted as valid forms of ID for the purchase of alcohol. Do not be afraid to ask for another form of ID if there is any doubt of the validity of that ID. Employees are not to accept Under 21 vertical ID's.

When checking a person's ID look for the following:

- Date of Birth
- Compare the picture on the ID to the customer
- Expiration date of ID
- Height, weight, hair and eye color are good things to check for validity.

When in doubt, DO NOT serve or make the sale.

Responsibilities to the Customers:

Employees of the Lemon Tree should take a firm stand on the responsibility they have to their customers in terms of alcohol consumption. We do not want our customers to drive home if they have had too much to drink! If you think a customer should not be served, or if you think a customer has had too much to drink, servers should contact the manager immediately.

Lemon Tree Employees should have the interest of the individual and public safety in mind, and therefore, have the obligation to the community and the individual to spot people who have over consumed alcohol. This applies to all customers.

Management is responsible for actually "cutting off" customers, but it takes a team effort from all employees to help spot these people and tell the manager on duty. Rely on good judgment when someone in the establishment has had too much to drink.

- Employees should be fully aware that they have the legal right to refuse to sell alcoholic beverages to anyone unable to produce proper identification or they feel is already intoxicated.

Tips for Employees:

Alcohol Awareness

Serving alcohol is a privilege that is granted by the local authorities. This privilege carries with it a duty for us to operate in a responsible manner and involved public safety and considerable liability to the company as well as our employees. It is our **policy** to deal with situations that arise from serving alcohol. If there is any doubt as to the age of a guest ask them for proof of age. Be polite, but remember; you as well as the Lemon Tree and the Education Foundation for District 58, can be held liable if a minor is served. Remember, these policies are designed for our guests' safety. They must be applied impartially. Alcohol awareness is a serious subject; and you, the Server, are the most important element to the program.

Take Action:

If you feel that a guest is intoxicated, you should cease serving the guests drinks immediately and inform your Manager. If the guests persists in ordering alcoholic beverages, acknowledge the drink request, but ask the Manager to explain to your guest that the drink must be declined.

Watch for these signs:

Be aware of the condition of your guests at all times. Any guest who has consumed more than three drinks could soon be approaching intoxication. An intoxicated person will usually display recognizable behavioral characteristics. Alert Manager at the first sign of any of these:

- Slurred speech, thick-tongued
- Eyes become glassy, unable to focus
- Unusual change in the color of facial skin going pale or flushed
- Loss of physical motor skills; staggers or stumbles when walking, spills drinks or food
- Abusive language; questioning the Server's performance; profanity, bragging
- Obvious changes in behavior; more or less talkative; loud voice
- Exaggerated emotional outbursts; crying or loud laughing

- Unable to respond coherently when addressed or questioned
- Unreasonable and exaggerated responses
- Blank staring, facial expression
- Obvious impairment of judgment
- Annoying other guests

Offer Alternatives

- If possible, invite the guest to stay and eat something
- Let the guest know that he or she is welcome to stay and finish their meal
- Offer complimentary food, check with the Manager.
- Arrange for a taxi if the guest is driving.
- Strongly discourage the guest from driving; if he or she ignores your suggestions and insists upon driving, call the Manager

Be Prepared

You will be dealing with a person who is to some degree "out of control". The psychological message we give the guest is that we are in control of this situation. The guest will probably be offended and become argumentative. Do not attempt to "reason" with the guest. If you know the guest is belligerent or physically threatening, approach the guest with another employee/volunteers (preferably a Manager or police officer).

If the guest continues to be a problem, inform the Manager/Police. Never attempt to physically detain a guest on site.

NOTE: A person with a physical or mental disability may seem to have the some outward appearance as a guest who has had too much to drink. Your sensitivity is extremely important in all situations.

Violation Policies:

Any employee that knowingly violates the Lemon Tree Grocer and/or The State of Illinois liquor policies shall be terminated and reported to proper authorities.

Village of Downers Grove Alcohol Awareness Programs:

I have read and understand this manual and that I hold a current BASSET Certificate.
