## **PREAMBLE/AGREEMENT**

### **Preamble**

This Agreement is entered into by and between the VILLAGE OF DOWNERS GROVE, ILLINOIS, AN ILLINOIS MUNICIPAL CORPORATION (hereinafter referred to as the “Village”, or the “Employer”) and the INTERNATIONAL UNION OF OPERATING ENGINEERS LOCAL #150, PUBLIC EMPLOYEES DIVISION (hereinafter referred to as the “Union”). The purpose of this Agreement is the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; the establishment of rates of pay, hours of work and conditions of employment applicable to bargaining unit employees while encouraging and promoting quality and continuance of public service and preventing unnecessary interruptions of work.

### **AGREEMENT**

This Agreement has been made and entered into, by and between the Village and the Union by their duly authorized representatives on behalf of certain civilian employees described in Article I, Section 1.1 hereof. In consideration of the mutual promises and agreements contained in this Agreement, the Employer and the Union do mutually covenant and agree, as follows:

### **ARTICLE 1** **RECOGNITION**

#### **Section 1.1: Recognition**

The employer hereby recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages, salaries, hours, working conditions and other conditions of employment for employees within the following collective bargaining unit as certified by the Illinois Labor Relations Board in Case No. S-RC-07-001. Included: All employees of The Village of Downers Grove in the classification of Materials Coordinator, Maintenance Worker I, Maintenance Worker II, Water Production Specialist, CAD Technician, Public Works Technician, Public Works Technician-Water AMR, Public Service Specialist, Assistant Village Forester, Fleet Maintenance Technician, Building Maintenance Worker I, Building Maintenance Worker II, Building Maintenance Technician I, Building Maintenance Technician II, Lead Fleet Maintenance Technician, as amended and certified by the Illinois Labor Relations Board on January 31, 2012, and the part-time shop assistant.

Excluded: All Village employees employed in titles other than those specifically listed above, as well as all managerial, supervisory, confidential, professional and short-term employees as defined by the Illinois Public Labor Relations Act, as amended.

#### **Section 1.2: New Classifications**

The Village may establish, modify or eliminate job classifications and the requirements of those classifications provided that the Village shall not do so and/or replace it with a new classification performing the same work as the existing classification for the purpose of lowering wage rates for the same work or reducing regular hours worked of bargaining unit employees. In the event the Village establishes any new classification pertaining to work of a nature performed by employees within the bargaining unit as established in Section 1, it shall provide the Union with at least fifteen (15) calendar days notice prior to the time the new classification will be implemented, together with notice of the proposed salary rate. If the new classification is a successor to a classification included in the bargaining unit, or, if the new classification will perform a significant amount of work currently being performed by a classification in the bargaining unit, the parties shall file an appropriate petition with the Illinois Labor Relations Board. The Union may notify the Village within seven (7) calendar days of a desire to meet for the purposes of negotiating the proposed salary rate for the new classification. If the parties are unable to agree on a salary rate, the Village may temporarily assign a proposed rate while the Union disputes the issue of the proposed wage rate only, pursuant to the Grievance Procedure set forth in this Agreement.

**ARTICLE 2**  
**UNION RIGHTS**

**Section 2.1: Union Activity During Working Hours**

The Union shall not engage in Union Activities on Village time or its property which will interfere with employees' assignments or duties. Authorized agents of the Union shall have access to the Employer's establishment during working hours for the purpose of adjusting disputes and/or grievances, investigating working conditions, and ascertaining that the Agreement is being adhered to, provided however, there is no interruption of the Village's working schedule, or employee's job duties. Normally, only one Union agent shall be on the premises at any one time, in which case, the Union agent shall provide advance notice to the Public Works Director or the employee's immediate supervisor when planning to be on site. If more than one agent is planning to be on site to engage in an activity not listed above, the Union shall provide three (3) days advance written notice to the Village Manager or the Director of Human Resources when planning to be on site, unless mutually agreed otherwise.

**Section 2.2: Time Off For Union Activities**

Union Stewards, as provided for in Section 2.4 of this Agreement, shall be allowed time off without pay (Unpaid Leave) for legitimate Union business, such as Union meetings and State or International conventions, provided such steward gives reasonable prior notice to his/her supervisor of such absence; and, shall be allowed such time off if it does not substantially interfere with the operating needs of the Employer. The employee shall utilize any earned, but unused, time off (Holiday, Personal, Vacation Days, etc.) prior to the employee taking unpaid leave. Requests for utilization of earned, but unused, time off and unpaid leave shall be handled under the same procedures and provisions of this Agreement that apply to such leave requests in all other situations.

**Section 2.3: Bulletin Boards**

The Employer shall designate space for the Union on a bulletin board located in an employee gathering area at each of the following Village facilities: Public Works facility; Village Hall; Fleet Services facility. The Union agrees that postings shall be of a non-political, non-discriminatory and non-inflammatory nature and shall be limited to notices and other Union-related informational material. The designated space shall not be used to criticize the Village or any of its employees or officials. All materials posted by the Union shall be dated and signed by a Union Steward or other Union Official. A copy of all postings shall be provided as a courtesy to the Director of Public Works at least twenty-four (24) hours prior to being posted, unless less time is agreed to by both parties.

**Section 2.4: Union Representatives**

The Union shall notify the Employer within seven (7) days of their selection by providing the Village Manager with a list of the names and job titles of the selection of its representatives within the bargaining unit ("Stewards"), which shall not exceed four (4). The Union shall indicate in its written notification to the Village which representative shall serve as Chief Steward, if applicable. Any changes, modifications, additions or deletions to this information must be reported by the Union immediately in writing to the Village Manager.

**ARTICLE 3**  
**BARGAINING RIGHTS**

**Section 3.1: Union Rights**

The Union and all bargaining unit members shall maintain all rights protected under law. This shall include the right to bargain collectively with regard to Village policy matters directly affecting wages, hours and terms and conditions of employment.

### **Section 3.2: Management Rights**

Except as specifically limited by the express provisions of this Agreement, the Employer has and will continue to retain the right to operate and manage its affairs in each and every respect. The rights reserved to the sole discretion of the Employer shall include, but not be limited to, rights:

Inherent managerial functions, prerogatives and policy-making rights and the impact thereof, whether listed above or not, which the Employer has not expressly restricted by a specific provision of this Agreement are not in any way, directly or indirectly, subject to the grievance and arbitration procedures contained herein, provided that no right is exercised contrary to or inconsistent with other terms of this Agreement.

## **ARTICLE 4**

### **UNION DUES/FAIR SHARE CHECKOFF**

#### **Section 4.1: Dues Deduction**

While this Agreement is in effect, the Village will deduct Union membership dues from the bi-weekly paycheck of those employees who are Union members and shall forward same to the Union, provided the employee has filed a voluntary, effective check off authorization on the form attached hereto as Appendix A. The Union is responsible for distributing the dues authorization form to the bargaining unit members (including new employees), securing signed forms, and forwarding such forms to the Village. Such dues authorization may be revoked by the employee with thirty (30) days written notice to the Village and the Union.

The Union shall certify in writing the exact amount of Union dues deductions for each individual member of the bargaining unit by providing the Village with a list of the names of each member and the exact amount of dues owed by that member. This formula shall be uniform for each employee in order to ease the employer burden in administering this provision. The Union may change the amount of the regular monthly fees twice each year during the life of this Agreement. The Union will give the Village thirty (30) days written notice of any such change in the amount of dues to be deducted; and, will provide in writing the exact amount of dues deductions that the Village shall make for each individual member of the bargaining unit by providing the Village with a list of the names of each member and the exact amount of dues owed by that member.

If an employee has no earnings or insufficient earnings to cover the amount of the dues deduction, the Union shall be responsible for the collection of that employee's dues, assessments or fees. The Union further agrees to refund to the employees any amount paid to the Union in error.

#### **Section 4.2: Fair Share**

Any present employee who is a recognized member of the bargaining unit but is not a member of the Union shall, as a condition of employment, be required to pay a fair share of the cost of the collective bargaining process, contract administration and the pursuance of matters affecting wages, hours, terms and conditions of employment, but not to exceed the amount of dues uniformly required of members. All employees hired on or after the effective date of this Agreement and who have not made application for membership in the Union shall, on or after the thirtieth (30<sup>th</sup>) day of their hire, also be required to pay a fair share as defined above.

With respect to any employee on whose behalf the Village has not received a written authorization as provided for in Section 4.1, the Village shall deduct from the wages of the employee the Fair Share financial obligation, including a retroactive amount due and owing and shall forward said amount to the Union, subject only to the following:

- a) The Union has certified in writing to the Village that the affected employee has been delinquent in his/her obligation for at least thirty (30) days;
- b) The Union has certified in writing to the Village that the affected employee has been notified in writing of the obligation and the requirement for each provision of this Article and that the employee has been advised by the Union of his obligation pursuant to this Article and of the manner in which the Union has calculated the Fair Share fee;
- c) The Union has certified to the Village that the affected employee has been given a reasonable opportunity to prepare and submit any objections to the payment and has been afforded an opportunity to have said objections adjudicated before an impartial arbitrator selected by the employee and the Union for the purpose of determining and resolving any objections the employee may have to the Fair Share fee.

#### **Section 4.3: Objections On Other Grounds**

Any non-member making a Fair Share payment may object to the amount of his/her Fair Share payments on the grounds that all or part of such payments have been expended by the Union for political activities or causes not germane to the collective bargaining process, contract administration and matters affecting employee wages, hours and conditions of employment.

Any such employee with any such objection shall process his/her objection in accordance with the notice and obligation procedure established by the Union which procedure shall be consistent with the requirements of law.

#### **Section 4.4: Religious Objections**

The objections to pay a Fair Share fee to the Union shall not apply to any employee, who on the basis of a bona fide religious tenet, teaching of a church or religious body of which such employee is a member, objects to the payment of a Fair Share fee to the Union. Upon proper substantiation and collection of the entire Fair Share fee, the Union will make payment on behalf of the employee to a non-religious charitable organization mutually agreed to by the objecting employee and the Union. If the employee and the Union are unable to agree upon a non-religious charitable organization, the organization shall be determined in accordance with the procedures

established by the Illinois State Labor Relations Board and shall not be inconsistent with Section 6G of the Illinois Labor Relations Act.

#### **Section 4.5: Indemnification**

The Union agrees to indemnify and save the Village harmless against any claims, demands, suits or other forms of liability which may arise by reason of any action taken or omitted by the Union or the Village in complying with the provisions of this Article.

### ARTICLE 5

#### HOURS OF WORK AND OVERTIME

##### **Section 5.1: Regular Hours**

This Article is intended to define work per day or per week during the term of this Agreement and shall not be construed as a guarantee of work per week.

##### **Section 5.2: Normal Workday and Workweek**

The workday for all full-time bargaining unit employees is eight and one-half (8 ½) hours, including a thirty (30) minute unpaid meal period. The normal workday and workweek shall be as follows:

- 1) Maintenance Worker I and II, Materials Coordinator, Building Maintenance Technician I and II, Public Works Technician-AMR, Water Production Specialist, Assistant Village Forester, Lead Fleet Maintenance Technician, Fleet Technician, CAD Technician: 7:00AM to 3:30 PM, MONDAY THROUGH FRIDAY.
- 2) Public Works Technician: 7:00 AM to 3:30 PM or 7:30 AM to 4:00 PM, MONDAY THROUGH FRIDAY.
- 3) Building Maintenance Worker I and II: 4:00 PM to Midnight (inclusive of a paid thirty (30) minute meal period), MONDAY THROUGH FRIDAY. Part-time hours shall be 6:00PM to 10:00 PM.
- 4) Public Service Specialist: ~~4:30~~ 5:30 AM to ~~12:00~~ 2:00 PM or ~~3:30~~ 2:00 PM to ~~Midnight~~ 10:30 p.m., MONDAY THROUGH FRIDAY. Part-time hours shall be 7:00 AM to 3:30 PM or 3:30 PM to Midnight, SATURDAY AND SUNDAY.
- 5) Shop Assistant: Part-time hours shall be 8:00 AM to Noon, MONDAY THROUGH FRIDAY.

The Director or his/her designee reserves the right to temporarily alter work hours based on the following:

- a. The Village shall first solicit volunteers to work the altered hours.
- b. If an insufficient number of employees volunteer then the Village may require employees to work the altered hours based on reverse seniority within a classification.
- c. The Village may not alter work hours in an effort to avoid overtime compensation.
- d. The Village shall provide as much advance notice as possible.

~~d.c.~~ In the event of a declared emergency or in preparation for said emergency, as determined by the Village Manager or Mayor, the work schedule shall default to teams and procedures as set forth in section 5.9 Winter Operations.

The Village shall not implement any daily schedule of over ten (10) hours without first (a) providing adequate notice to the Union, and (b) negotiating with the Union in good faith regarding said proposed change.

### **Section 5.3: Rest/Lunch Periods**

Bargaining unit employees shall be granted a fifteen (15) minute paid break during the first half of each work shift, a one-half(1/2) hour unpaid (unless otherwise agreed upon) lunch during the midpoint of each day, and a fifteen (15) minute paid break during the second half of each work shift. Employees may combine their break and lunch periods, subject to approval of their supervisor. In the event the employee is unable to take his/her lunch, the Village shall pay the employee, at the appropriate overtime rate, if applicable, for the time not taken; or, allow the employee to leave work early the commensurate amount of time with pay.

### **Section 5.4: Mandatory Rest Period:**

Unless an Employee agrees otherwise, Employees will not be required to work more than sixteen (16) hours in a twenty-four (24) hour period without being allowed an eight (8) hour rest period. The only exception to this practice is in situations of emergency as determined by the Director or his/her designee. In these situations of emergency, an employee may be permitted to work beyond a sixteen (16) hour period as previously described if in the Supervisor's opinion the employee is mentally alert and shows no visible signs of exhaustion or fatigue. Employees who participate in snow removal operations shall be granted an additional bank of twenty-four (24) hours of snow recovery time at the beginning of each year, and shall be granted an additional sixteen (16) hours for non-snow removal emergencies (i.e. operations for storm damage, flooding, water main breaks or any other event deemed to be an emergency as determined by the Director). Snow recovery hours shall be used for the purpose of rest following a period of snow removal, and emergency operations recovery hours shall be used for the purpose of rest following a period of storm damage, flooding, or any other emergency as determined by the Director. Snow and emergency operations recovery hours may be used by employees in lieu of requiring employees to utilize sick time or vacation time and only in the event the employee began working on or before 3:00 a.m.. These hours may be taken in increments of four (4) hours, but may not be taken on consecutive days and do not roll over from one year to the next. Under no circumstance shall an employee be paid out for snow and emergency recovery hours not taken.

### **Section 5.5: Workday Return Home:**

If a work assignment begins before 3:00 a.m. and if the Village ends such work assignment during the employee's normal workday, the affected employee may then utilize accrued vacation or compensatory time to complete the remainder of the normally scheduled workday with compensation or may elect to go home for the remainder of the workday without compensation. The Village has the right to determine the end of the work day.

### **Section 5.6: Overtime Compensation:**

An employee working any hours on duty in addition to the regular hours as defined in this Article shall be compensated for those overtime hours at the rate of one and one-half (1 ½) his/her regular straight time hourly rate. All approved overtime shall be paid in fifteen (15) minute increments according to Fair Labor Standards Act Rounding Rules. For the purpose of calculating hours worked for purposes of overtime, hours worked shall include paid leave for holidays, vacation, sick leave and any other leave provisions for which an employee receives compensation as a Village employee. All overtime must be approved by the employee's direct supervisor.

### **Section 5.7: Unscheduled Overtime Distribution:**

The Director or his/her designee shall have the right to require overtime work and employees may not refuse overtime assignments. Public Works overtime shall be distributed in the following manner: The Director or his/her designee will initially offer overtime to bargaining unit employees in the shop (Tool Room, PSRT, Pavement & Drainage, Traffic, Water, Forestry & Grounds, Fleet, Engineering, AMR) that normally performs the work in question, by order of seniority. In the event there are not enough volunteers within that shop, the Director or designee shall offer the work to all other bargaining unit employees in Public Works by seniority. If an employee does not answer the phone, the supervisor will leave a voicemail message and may contact the next person in seniority and shall not be required to wait for the nonresponsive employee to call back. In the event that there are not enough volunteers to complete the overtime assignment, the Director or designee shall assign overtime on a reverse seniority basis; first from within the shop where the work originated and then from the remaining Public Works bargaining unit employees. An employee that does not answer the phone or return a call

when being called in for overtime may be subject to discipline.

Notwithstanding any of the above, the Director or designee may deviate from these requirements in his/her discretion and select specific employees for overtime assignments based on specific skills, abilities and experience they may possess. A supervisor for non-Public Works employees shall assign overtime on a seniority basis. Any employee responding to an overtime assignment shall be at the assigned work place within one (1) hour of receiving the call.

In the event of a holdover overtime assignment, the overtime will first be offered to the crew that began the work assignment during the normal workday hours. If there are not enough employees to complete the holdover work assignment, then assignment of overtime shall default to the procedures set forth above.

The employment of non-bargaining unit personnel shall not work to deprive bargaining unit personnel of opportunities to work overtime. However, if no bargaining unit personnel are available, the employer may work other personnel without violating the Agreement. This Section shall be superseded by the procedures set forth in Section 5.97 (Winter Operations) for the time period stated therein for Winter Operations assignments.

Failure to comply with the provisions of this Section may result in disciplinary action, up to and including dismissal.

~~The Director or his/her designee shall have the right to require overtime work and employees may not refuse overtime assignments. At the beginning of each calendar year, the Director shall create an Overtime List of the Public Works bargaining unit employees who desire to work overtime, which shall include each employee's division, skill set, licensing, endorsements and contact information. The Overtime List shall remain the same throughout the calendar year, except that any newly hired employees may add their names to the Overtime List. By voluntarily placing their names on the Overtime List the employees are committing that they will be readily available to work overtime (unless they are on preapproved leave time) and will respond to the Public Works facility within one (1) hour of receiving notice of the overtime assignment. If an employee on the Overtime List, excluding those employees on preapproved leave, refuses three (3) overtime assignments, then that employee's name will be removed from the Overtime List and may be subject to discipline.~~

~~Public Works overtime shall be distributed in the following manner: The Director or his/her designee will initially assign overtime to employees on the Overtime List that are within the Division that normally performs the work in which the overtime is needed. In the event there are not enough employees within that Division on the Overtime List, then the Director or designee shall assign the work to other employees on the Overtime list in order of seniority based on the skills necessary to complete the overtime assignment. In the event there are not enough employees on the Overtime List for the overtime assignment, then the Director or designee shall assign overtime on a reverse seniority basis from the Division that normally performs the work in which the overtime is needed. In the event there is still an insufficient number of employees to complete the overtime assignment, the Director or designee shall assign overtime on a reverse seniority basis from the remaining Public Works bargaining unit employees. Failure to comply with these provisions may subject an employee to discipline. A supervisor for non-Public Works employees shall assign overtime on a seniority basis. Notwithstanding the above, the Director or designee may deviate from these requirements in his/her discretion and select specific employees for overtime assignments based on specific skills, abilities and experience they may possess.~~

~~In the event of a holdover overtime assignment, the overtime will first be offered to the crew that began the work assignment during the normal workday hours. If there are not enough employees to complete the holdover work assignment, then assignment of overtime shall default to the procedures set forth above.~~

~~The employment of non-bargaining unit personnel shall not work to deprive bargaining unit personnel of opportunities to work overtime. However, if no bargaining unit personnel are available, the employer may work other personnel without violating the Agreement. This Section shall be superseded by the procedures set forth in Section 5.9 (Winter Operations) for the time period stated therein.~~

## Section 5.8: Scheduled Overtime Distribution

~~The Director or his/her designee shall have the right to require overtime work. Such work assignments shall be distributed in the following manner: The Director or designee will prepare a list of upcoming overtime opportunities. The Director or designee will post overtime opportunities as soon as practicable; employees shall sign their name on the list indicating interest in working the overtime assignment. The Director or designee shall staff each overtime assignment with the most senior employee(s) expressing an interest in the assignment. In the event there is not enough employee interest in filling overtime assignments, the Director or designee shall assign the work to bargaining unit employees in reverse order of seniority.~~

The Director or his/her designee shall have the right to require overtime work. Such work assignments shall be distributed in the following manner: On the third Monday of each month, the Director or his/her designee shall provide to the bargaining unit a list of scheduled overtime assignments for the following month. The bargaining unit will ensure that a bargaining unit employee is assigned to each scheduled overtime assignment identified on the list. Prior to the close of business on the last full workday of the month, the bargaining unit shall return to the Director or his/her designee the completed list identifying each employee who will work each scheduled overtime assignment.

## Section 5.9: Winter Operations

### Section 5.9.1 Personnel

- A. Employees:** All bargaining unit employees including maintenance workers, engineering technicians and fleet technicians shall have a part in snow and ice removal. These personnel shall work all functions of snow and ice removal using all types of equipment, trucks and hand shovels.
- B. Teams:** The Public Works Director, or designee, shall assign teams during ~~October~~September and shall post the team sheet on the Public Works Bulletin board. Employees are assigned to either of two teams (Blue or Orange).
- C. Team Shifts:** As necessary during snow/ice events, the blue and orange teams shall be assigned to alternate twelve-hour shifts, one for days the other for nights. Shift changes shall occur at 7:00 p.m. and 7:00 a.m., and shall alternate every Monday as subsequently discussed in Section D (Team Rotation). If the Blue team is assigned the night shift for the Christmas holiday for a given year, the Blue team shall be slotted for the day shift the following year, and vice versa for the Orange team.
- D. Team Rotation:** Teams shall rotate on a weekly basis on Monday mornings at 7:00 a.m., unless snow and ice removal operations are already occurring at that time. If teams are in the midst of operations on Monday at 7:00 a.m., the shift change shall be delayed until there is a break in the work pattern to allow the switch. Any delay in the switch of teams from the day to night shifts shall have no bearing on the following Monday's scheduled shift change with the following exception: if the night shift actively worked more than 7 consecutive nights, the Director of Public Works may alter the team rotation schedule dependent on the welfare of the employees.
- E. Fleet Services:** Fleet technicians shall be assigned a weekly rotating schedule to accommodate night shifts should there be required repairs during snow and ice removal operations. Technicians will be called in concurrent with plowing operations, and at the Supervisor's discretion during salting operations. The fleet technician rotation schedule shall be posted on the Public Works Bulletin board.
- F. Overtime Pay and Compensation:** Overtime pay shall be paid in accordance with Section 5.6 of this Agreement. The standard practice during snow and ice removal operations has been to pay overtime for hours worked outside of the standard workday (standard workday typically is 7:00 a.m. to 3:30 p.m.) regardless of the number of regular straight hours worked. Additionally, when staff is called in where they have not been given pre-arranged instruction to come in to work, an additional hour of pay (call-out hour) shall be given to that employee. Because of the variable nature of weather and the rotation schedule of Public Works staff, it is quite possible that an employee may have more overtime hours than straight hours for a given pay period during the winter snow season.

**G. Call-out Procedure:** Supervisors shall call in crews as shown on the team schedule on a rotation of 12 hours on and 12 hours off. This shall be at the discretion of the Supervisors, depending on the anticipated strength and/or arrival time of the pending event. In the event a snow event requires less than a full team call-out it shall be made on a seniority basis from within the appropriate snow team.

**H. Sending Home Early:** Should a significant winter storm event be predicted with high probability to occur on a given workday prior to midnight (12:00 a.m.), the scheduled overnight snow team and assigned mechanics may be sent home at 11:00 a.m. or as close to that time as possible. This will allow an employee working the overnight shift to have an approximate 8-hour window in which to rest prior to working an overnight shift. Should the employees who were sent home not be called back in for service before midnight, they shall be paid for the hours of the workday missed to make an 8-hour day. The decision to send employees home early will be at the discretion of the on duty Supervisors subject to available weather forecasts.

When a snow work shift starts before midnight and the following day is a workday (Monday through Friday), and not a Village holiday, minimum payment for hours worked between midnight and 7 a.m. shall be five (5) overtime hours. This shall not apply to a work shift that starts after midnight.

**I. Response Time:** All employees called in for snow related duties shall physically be at the Public Works Facility within 1 (one) hour of response to a call on the Village-issued cell phone or home phone (or cell phone if applicable). Any deviation from the one-hour response time shall be at the discretion of the on duty Supervisors, and may be subject to discipline.

**J. Vacation and Time Off Requests:** All employees shall adhere to the following guidelines for requests and granting of time off during the snow and ice removal season. Time off is considered the use of accrued vacation, floating holiday and compensatory time. Requests for time off during snow and ice removal season shall be granted at the discretion of the Assistant Director of Public Works – Operations or designee.

Beginning January 1, 2016, Snow and Ice Removal Season is defined as that period of time from November 15<sup>th</sup> December 1<sup>st</sup> until March 21<sup>st</sup> of the following year. Though snow and ice removal activities may occur before and after these dates, historically the majority of storm events have occurred during this time period.

A maximum of two bargaining unit employees from each snow removal team, and one mechanic from fleet staff, may be granted time off on any given workday from December 1<sup>st</sup> through March 21<sup>st</sup>. A maximum of four bargaining unit employees from each snow removal team, and one mechanic from fleet staff, may be granted time off on any given workday from November 15<sup>th</sup> through December 1<sup>st</sup>. ~~during the designated snow and ice removal season.~~ Employees granted time off according to these conditions will not have any obligation to the Village for snow and ice removal during that window of time granted off.

Any employee may be granted time off on a given day, in addition to employees granted time off according to the terms of Paragraph J, with the understanding that they shall be required to perform snow and ice removal functions should they be called upon by an on-duty Supervisor.

Individuals who request time off during the Christmas and New Year's holiday period, who were not granted time off during the holiday period the previous year, will be given preferential treatment whenever possible.

In order to insure all employees the opportunity to take time off from work during ~~December 1<sup>st</sup>.~~ November 15<sup>th</sup> and March 21<sup>st</sup>, time off without obligation to snow and ice removal shall be limited to a maximum of seven consecutive calendar days during the snow and ice removal season. Additionally, no employee shall take more than one weekend off of snow removal during a single month. If the end of a month splits a weekend (Saturday in one month, Sunday beginning the next), the weekend will be counted in the month in which the Saturday falls.

Time off granted during the time period covered in this section will be posted once granted on the Public Works Calendar~~bulletin board~~. Employees can request time off according to this section after September 15<sup>th</sup>~~October 1<sup>st</sup>~~ of the given year. All requests shall be reviewed in the order with which they are received. Time off requests shall be requested by the employee in writing or electronically to Assistant Director of Public Works – Operations or his/her designee. Additionally, beginning in year 2016- up to two (2) public works employees may request

advanced time off during November 15<sup>th</sup> through March 21<sup>st</sup> by submitting an electronic request to the Assistant Director of Public Works – Operations or designee after June 1<sup>st</sup>. Said requests will be considered on a first come first serve basis. The request will be granted or denied within fourteen (14) days.

Approved days will correspond to the shift schedule of the employee. If the shift begins at 7:00 p.m., the approved time slot will extend until the end of the shift at 7:00 a.m. the following day.

The Director of Public Works may allow exceptions to the number of employees granted time off or to the length of time allowed off at his/her discretion.

**K. Discipline:** Any violation of this Winter Operations Plan may result in discipline in accordance with Article 8 of this Agreement.

### **Section 5.9.2: Contract Plowing**

If, in the Village's sole discretion, it is advantageous for the Village to use a snow removal contractor of a townhouse or condominium subdivision, the Village will consider contracting with the subdivision's service for snow removal in the right-of-way of that subdivision. In these subdivisions, contractual plowing occurs when snowfalls exceed 2 inches. Further, in its sole discretion, the Village shall have the right to contract out any snow removal operations it deems necessary, provided any such subcontracting will not result in a substantial loss of work for bargaining unit employees.

### **Section 5.10: Holdover Rate**

Employees held over beyond their normal quitting time shall receive the appropriate overtime rate for actual hours worked.

### **Section 5.11: Call Back**

A call back is defined as an official assignment of work, which does not continuously follow an employee's regularly scheduled working hours. Employees reporting back to the Village's premises, or their normally assigned work station, at a specified time, shall be compensated on the following basis:

- 1) Employees called back to work overtime and receiving such notice outside of their normal work schedule shall receive, in addition to the applicable overtime rate, one (1) additional hour's pay at the rate of one and one-half (1 ½) times their regular rate of pay as compensation for the inconvenience of unscheduled work outside the employee's normal working hours, and not as compensation for travel expense, with the exception of telecommuting response outlined below.
- 2) Telecommuting Call Back Response: Employees who are able to respond to notification of a problem and resolve the problem, without physically reporting to a work station, by electronic technologies including, but not limited to, SCADA, computer, facsimile machines and telephones (excluding employee to employee conversations) shall be compensated on the following basis:
  - a) If the problem is resolved through telecommunicating methods a non-exempt employee shall be compensated for a minimum of one (1) hour at one and a half (1 ½) times the regular rate of pay.
  - b) If an employee is unable to resolve the problem through electronic methods and it is necessary to physically report to an onsite Village station, then the compensation shall be based on the minimum as defined in this section. Time spent in attempting to initially resolve the problem via electronic methods, shall be included in the calculation of total hours worked. Travel time is not counted as hours worked.

### **Section 5.12: Compensatory Time**

An employee who has accumulated, with the permission of the supervisor, forty (40) hours of work time prior to the end of the work week may take the remaining hours as compensatory time at the rate of one and one-half (1 ½) hours for each hour worked. In the case of compensatory time, the scheduling of time-off shall be determined by the supervisor taking into account the budget and workload of the department. Employees shall not be allowed to carry over accumulated compensatory time from one year to the next, unless approval in writing is granted by the Manager no later than January 1, annually. In no event may an employee carry more than eighty (80) hours of compensatory time.

Annually, as part of the first pay period in January, all employees shall be paid out for all accumulated compensatory time.

### **Section 5.13: No Pyramiding**

Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement.

## **ARTICLE 6**

### **SENIORITY**

#### **Section 6.1: Definition of Seniority**

“Seniority” shall, for the purposes of this Agreement, be defined as an employee’s length of continuous regular full-time or continuous regular part-time employment calculated from the employee’s last date of hire. Employees hired on the same day shall be placed on the seniority list in alphabetical order in accordance with their last name.

#### **Section 6.2: Seniority List**

The employer shall prepare a list by January 1<sup>st</sup> of each year setting forth the present seniority dates for employees covered by this Agreement. Such list shall be provided to the Union Steward(s) or his/her designee and posted on the Union bulletin board. The Village shall not be responsible for any errors in the seniority list unless such errors are brought to the attention of the Village in writing within fourteen (14) calendar days after the Union’s receipt of the list.

#### **Section 6.3: Termination of Seniority**

An Employee shall be terminated by the Employer and his/her seniority broken when he/she:

- 1) Resigns;
- 2) Is discharged for just cause ( no cause needed for employees who are discharged during their qualification period upon initial hiring);
- 3) Retires;
- 4) Is laid off and fails to report to work on the mutually agreed upon date after being recalled;
- 5) Is laid off pursuant to the provisions of the applicable agreement for a period in excess of one (1) year; or
- 6) Is absent for three (3) consecutive scheduled work days without proper notification or authorization except for exigent circumstances.

**Section 6.4: Accrual of Seniority**

Employees will not continue to accrue seniority while on an authorized unpaid leave of absence, but will not lose seniority accrued at the time the leave commences.

**Section 6.5: Qualification Periods****Section 6.5.1: Qualification Period Upon Initial Hiring**

An appointee to a full-time or part-time employment position, prior to being accepted into full employment status, shall successfully complete an initial qualification period of six (6) months. At the Village Manager's sole discretion, the qualification period upon initial hiring may be extended for an additional six (6) months, provided the employee is advised of the reason for such extension. During the qualification period upon initial hiring, no grievance may be filed by or on behalf of such employee regarding discharge or discipline, and said employee may be discharged with or without cause. An employee that has not successfully completed the qualification period upon initial hiring shall have no seniority until he/she has successfully completed the required qualification period upon initial hiring. Upon such completion, he/she shall acquire seniority retroactively from the date of employment.

**Section 6.5.2: Qualification Period Upon Promotion or Transfer**

Employees who change departments, or are promoted within the bargaining unit, shall be required to serve an additional three (3) month qualification period upon promotion or transfer. During the qualification period upon promotion or transfer, the Village retains the right, provided there is a position available, to demote or transfer such employee to a position with a rate of pay not less than the rate the employee earned immediately prior to the promotion or transfer, provided that the employee is fully qualified for the position or the Village may demote or transfer the employee to his/her former position. The Village will provide an employee who is demoted or transferred pursuant to this Section with a written statement as to the basis of the demotion or transfer. The demotion or transfer shall not be subject to the grievance procedure. It is specifically understood that such action by the Village may result in a layoff of a new employee if the Village has hired a new employee to fill the newly created vacancy.

**ARTICLE 7****LAYOFF AND RECALL****Section 7.1: Layoff**

A layoff is defined as a reduction in the work force resulting in an employee being placed on a recall list as defined in Section 7.2. The Village, in its discretion, shall determine when and whether layoffs are necessary. If it is determined that layoffs are necessary, employees covered by this Agreement will be laid off within a job classification, according to seniority within said classification. A laid off, full-time employee, if he/she is on full employment status with the Village, will be given an opportunity to bump the least senior bargaining unit employee of the lowest full-time job classification (Maintenance Worker I for Public Works Department Employees; and, Building Maintenance Worker I for Building Services Department Employees) and assume that classification and reduced pay grade. The bumped employee will then be considered laid off with no additional bumping rights. Notwithstanding the above, any full-time employee in the affected job classification who is still in their qualification period upon initial hiring shall be laid off first.

Except in an emergency, no layoff will occur without at least fifteen (15) calendar days' notification to the Union. The Village agrees to consult the Union and afford the Union an opportunity to propose alternatives to the layoff though such consultation shall not be used to delay the layoff.

The Village will not hire any person or assign other personnel to perform bargaining unit work while any bargaining unit employee is laid off.

**Section 7.2: Recall**

Employees who are laid off shall be placed on a recall list for a period of one (1) year. If there is a recall, employees who are still on the recall list shall be recalled in inverse order of their layoff, provided they are fully qualified to perform the work to which they are recalled.

Employees who are eligible for recall shall be given fourteen (14) calendar days' notice of recall and notice of recall shall be sent to the employee by certified or registered mail with a copy to the Union, provided that the employee must notify in writing the Director of Public Works or his/her designee of his/her intention to return to work within seven (7) days after receiving notice of recall. The Village shall be deemed to have fulfilled its obligations by mailing the recall notice by mail, return receipt requested, to the mailing address last provided by the Employee, it being the obligation and responsibility of the Employee to provide the Director of Public Works or his/her designee with the latest mailing address. If an Employee fails to timely respond to a recall notice as provided hereunder, his/her name shall be removed from the recall list.

**ARTICLE 8****DISCIPLINARY PROCEDURES****Section 8.1: Discipline and Discharge**

Where appropriate, discipline in the Department shall be progressive and corrective, designed to improve behavior, not merely to punish. The Village may discipline only for just cause. Copies of the Village Personnel Manual shall be provided to the Union.

The employee may file a written reply to any oral reprimand discipline. If the Employer has a reason to reprimand an Employee, it should be done in a manner that will not embarrass the employee before other employees or the public.

Any employee found to be unjustly suspended or discharged should be reinstated with full compensation for all lost time; and, with full restoration of all other rights, benefits and conditions of employment without prejudice unless a remedy is agreed upon or otherwise deemed appropriate.

**ARTICLE 9****GRIEVANCE PROCEDURE****Section 9.1: Grievance Defined**

A grievance is defined as any meritorious difference, complaint or dispute, including disciplinary action of an employee, between the Employer and the Union or any employee regarding the application, meaning or interpretation of the express provisions of this Agreement. Business days shall be defined as Monday through Friday, excluding holidays as set forth in this Agreement.

**Section 9.2: Processing of Grievance**

Employees are encouraged to promptly discuss with their supervisor any work-related problem. It is the policy of the Village to endeavor to conduct personnel actions that are fair; and, to provide an open line of communication with all employees. Once identified, most problems can be resolved in a direct and open manner. However, it is recognized that certain issues may not be resolved in this manner; and, therefore, a formal grievance procedure has been established.

Grievances, except at Step 1, shall be processed only by the Union on behalf of an employee; on behalf of a group of employees; or, itself, setting forth name(s) or group(s) of the employee(s). Either party may have the grievant, or one grievant representing a group of grievants, present at any step of the Grievance Procedure; and, the employee is entitled to Union representation at each and every step of the Grievance Procedure. The resolution of a grievance filed on behalf of a group of employees shall be made applicable to the appropriate employees within that group. Consent of the employee or group of employees shall be obtained by the Union prior to the filing of any grievance under this Article which involves the particular employee or group of employees. The Union and Employer may mutually agree to extend time limitations set forth in this Article regarding processing of grievances. Such extensions must be in writing signed by both parties.

### **Section 9.3: Grievance Steps**

#### **Step 1: Immediate Supervisor**

The employee, with or without a Union representative, or the Union, shall first attempt to orally resolve the dispute with the direct supervisor, and only after such attempt is made, upon its failure, may file a formal written grievance with his/her direct supervisor within ten (10) business days from the occurrence of the event giving rise to the grievance.

The supervisor shall be responsible for making inquiry into the facts and circumstances of the grievance and providing the employee with a written response within ten (10) business days after receipt of the grievance. A copy of this response is to be given to the Director of Human Resources and the grievant as identified within the grievance form.

#### **Step 2: Director of Human Resources**

If the grievance remains unsettled after the response in Step 1, the Union may advance the grievance in writing to the Director of Human Resources within ten (10) business days from the date of the written response to the Step 1 grievance.

The Director of Human Resources or his/her designee shall be responsible for making inquiry into the facts and circumstances of the appeal; and, providing the grievant, as identified in the grievance form, with a written response within ten (10) business days after receipt of the grievance.

#### **Step 3: Village Manager**

If the grievance is not settled at Step 2, and the Union desires to appeal, it shall be referred in writing to the Village Manager within ten (10) business days after receipt of the response to the Step 2 grievance. The Manager, or the Manager's designee, shall consider the information provided and may, at the Manager's sole discretion, conduct an informal meeting with the employee, the Director, a Union Steward and a representative of the Union; and, other involved individuals, as determined by the Manager. The Manager will render in writing his/her findings and decision within fifteen (15) business days after receiving the request for review and provide the grievant, as identified in the grievance form, with a copy. If the grievance is not settled in Step 3, and the Union or Village desires to appeal the grievance from Step 3, the Union and/or Village may refer the grievance to arbitration, as described below, within fifteen (15) business days of receipt of the response to the Step 3 grievance as provided to the Union in Step 3. If no such request for arbitration is made within the fifteen (15) business day period, such request shall be considered waived.

### **Section 9.4: Arbitration Procedure**

If the grievance remains unsettled after the response in Step 3, the Union may refer the grievance to arbitration within fifteen (15) business days of the Step 3 response. The parties shall request the Federal Mediation and Conciliation Service (or other mutually agreeable arbitration service) to submit a panel of seven (7) Arbitrators. The parties shall alternately strike the names of Arbitrators, taking turns as to the first strike. The person whose name remains shall be the Arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of Arbitrators. The Arbitrator shall be notified of his/her selection by a joint letter from the

Village and the Union, requesting that he/she set a time and place for the hearing, subject to the availability of both parties.

Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the Arbitrator. Both parties shall have the right to request the Arbitrator to require the presence of witnesses and/or documents. Each party shall bear the costs of its own witnesses.

Questions of arbitrability shall be decided by the Arbitrator. The Arbitrator shall make a preliminary determination on the question of arbitrability. If it is determined that the matter is arbitrable, or if such preliminary determination cannot reasonably be made, the Arbitrator shall then proceed to determine the merits of the dispute.

In the conduct of any arbitration under this Article, the rules and procedure governing the conduct of arbitration proceedings of the American Arbitration Association shall control, except where specifically limited by this Article. The Arbitrator shall neither amend, modify, nullify, ignore, add nor subtract from the provisions of this Agreement.

The expenses and fees of the Arbitrator, and the cost of the hearing room, shall be shared equally by both parties. Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent Arbitrator(s) during the term of this Agreement.

If either party desires a verbatim record of the proceedings, it may cause such to be made, providing it pays for the record and makes a copy available, without charge, to the Arbitrator. If the other party desires a copy, it shall equally pay for the expense of such.

The Arbitrator shall render his/her decision in writing to the parties within thirty (30) calendar days following the close of the arbitration hearing or the submittal date of briefs, whichever is later, unless more time is requested by the Arbitrator. The Arbitrator shall support his/her findings with a written opinion. The decision and opinion shall be based solely on, and directed to, the issue presented. The award shall clearly direct the parties as to what action(s) must be taken in order to comply with the award.

The decision and award of the arbitration shall be final and binding to the Union, employee(s) and Village. Such decision shall be within the scope and terms of this Agreement, but shall not change any of its terms or conditions.

#### **Section 9.5: Grievance Forms And Content**

The written grievance required under this Article shall be on a form which shall be provided by the Union, which form shall be approved by the Village. A copy of the grievance form is attached hereto as Appendix B. At every Step of the grievance process, the written grievance shall contain a statement of the facts involved in Grievant's complaint, the Section(s) of this Agreement that have been allegedly violated, the date of the alleged violations and the relief being sought. The form shall be signed and dated by the Grievant and/or his/her representative. Typographical errors will not be grounds for denying a grievance.

#### **Section 9.6: Settlements**

Any grievance not appealed to the next succeeding Step in writing and within the appropriate number of work days of the Village's last answer will be considered settled on the basis of the Village's last answer and shall not be eligible for further appeal.

A promotional or transfer appointee as defined in the Village Personnel Manual shall be eligible for sick leave privileges regardless of the qualification period. ### **Section 10.9: Sick Leave – Accumulation**

Sick leave is accumulated on the basis of eight (8) hours for each month of service.

**Section 10.10: Sick Leave – Use**

Sick leave is to be used for periods of personal illness or injury. In addition to personal illness or injury, sick leave may be granted, at the discretion of the Director, for the following reasons:

- a. Medical or dental appointments for the employee or an immediate family member which cannot be scheduled outside of normal working hours;
- b. Illness or injury of a member of the employee's immediate family, which necessitates the employee's absence from work. For purposes of this section, the term "immediate family" shall mean husband, wife, children, father or mother, stepparents, brother, sister or step-child.

**Section 10.11: Sick Leave – Reporting of Absence**

Notice of absence due to illness or injury shall be given by the employee to the immediate supervisor as far as possible in advance of the starting time for the scheduled work day. **Section 10.12: Sick Leave – Doctor's Certificate Required**

The Village may require a doctor's certificate from employees who are absent. Said certification is at the employee's expense and may be requested when an employee has been absent due to illness or injury for a period of three (3) or more days; has repeated illnesses of shorter periods; is absent due to illness or injury on the day of, before, or after a holiday; or in other circumstances as deemed appropriate by the Director.

In the event of the death of the employee's spouse, son, daughter, step-child, parent or a person for whom the employee is the legal guardian of and possesses a durable power of attorney, the employee will be granted two additional working days off paid as funeral leave. An employee shall have the option of supplementing any funeral leave with any available vacation, compensatory or floating holiday time with approval from the employee's Supervisor.

Paid leave for this purpose will not be applicable in cases where the funeral occurs on a paid holiday, or any other case which would result in paying twice for the same time off. No additional payment will be made if the employee is on leave of absence or is absent due to illness or injury.

#### **Section 10.15: Jury or Witness Duty**

Employees in full employment status as defined in the Village Personnel Manual shall receive full pay for time not worked while serving on jury duty or testifying as a witness at the request of the Village, or testifying under subpoena to matters related to their employment with the Village.   6. If the employee is requesting partial or intermittent leave, the employer may request verification of the schedule of treatment.
- b. If the FMLA medical leave is for the employee’s own medical condition, the Village may, at the Village’s expense, require the employee to obtain the opinion of a second health care provider chosen by the Village. If the employee chosen and the Village’s health care providers disagree about any of the information in the certification, the parties will mutually select a third medical provider at the Village’s expense. The decision of the third provider shall be final and binding.

The affected employee is to immediately notify the supervisor and complete an incident report regarding the repair or replacement of the above listed items.

## **ARTICLE 19**

### **RULES AND REGULATIONS**

The Union agrees that its members shall comply, in full, with all Village rules, regulations and The Village of Downers Grove Personnel Manual that are not in conflict with the provisions of this Agreement.

Except in an emergency, changes to Village rules, regulations and The Village of Downers Grove Personnel Manual will be posted for no less than seven (7) days before they become effective and enforceable.

## **ARTICLE 20**

### **PERSONNEL RECORDS**

#### **Section 20.1: Personnel Records**

The Village shall maintain an official personnel file for each employee with the Department of Human Resources. Employees may request to inspect their personnel file at any time by providing a written request to the employee's Director, who will then notify the Human Resources Director. The Human Resources Director will determine a mutually agreed to place and time when access to the employee's personnel file will take place, during normal business hours.

#### **Section 20.2: Consideration of Prior Disciplinary Records**

Although the actual record of the event cannot be physically removed from the employee's personnel file, it is understood that disciplinary records will not be used against the employee for the purpose of progressive discipline, or as a deciding factor against an employee being considered for a promotion, after a period of two (2) years.

**ARTICLE 21**  
**NON-DISCRIMINATION**

**Section 21.1: General**

In accordance with applicable law, neither the Village nor the Union shall unlawfully discriminate against any employee covered by this Agreement because of race, sex, age, religion, creed, color, disability, national origin, Union membership or non-membership, or any other basis prohibited by State or Federal law. In matters other than Union membership or non-membership, any dispute concerning such may be processed through the Grievance Procedure provided for in this Agreement, but may not proceed to arbitration, except that grievances concerning Union membership or non-membership may be processed through to arbitration and the appropriate State agency. In no case shall this Section prohibit an employee from proceeding directly to a State or Federal agency or court with a discrimination claim.

**Section 21.2: Gender**

All references to employees in this Agreement designate both sexes; and, whenever the male or female gender pronoun is used, it shall be construed to include both male and female employees.

**ARTICLE 22**  
**NO STRIKE / NO LOCKOUT**

**Section 22.1: No Strike / Slowdown**

During the term of this Agreement, neither the Union nor any officers, agents, designees or employees of Employer shall instigate, promote, sponsor, engage in or condone any strike, including sympathy strikes, slow down, sit down, concerted stoppage of work, mass absenteeism, concerted refusal to work overtime, picketing, refusal to cross picket lines or any other intentional interruption or disruption of the operation of the Village regardless of the reasons of doing so.

Each employee who holds the position of officer or steward of the Union occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In addition, in the event of a violation of this Section of this Article, the Union agrees to inform its members of their obligations under this Agreement and to direct them to return to work. Any or all of the employees who violate any of the provisions of this Article shall be subject to discipline, including but not limited to immediate discharge.

**Section 22.2: No Lockout**

During the term of this Agreement, the Village shall not lockout any bargaining unit employees.

**ARTICLE 23**  
**WAGES**

**Section 23.1: Wages**

The Wage Rates for the term of this Contract are set forth in Appendix C attached hereto and herein incorporated.

Employees with a starting salary which is less than the starting salary established in the step plan for the first year of the contract will receive an adjustment to the minimum of the salary range for their position or rank.

All eligible employees shall receive step increases the first full pay period in May of each year of this Agreement.

### **Section 23.2: Assignment Pay**

Except as provided herein, employees shall not be entitled to any additional compensation beyond that specified for their employment position as set forth in Appendix C. The Director may assign an Employee to perform duties substantially different than those normally included within the employment position currently held by the Employee. In the event the Director determines that such additional duties merit additional compensation beyond that specified for their employment position within the compensation plan, the Director, with the approval of the Village Manager, may authorize assignment pay. In such event, the Director shall complete a Personnel Action Request Form (PAR) and submit it along with any other supporting documentation to the Director of Human Resources. No employee shall be entitled to assignment pay except as expressly approved by the Director and Village Manager with a PAR. Assignment pay for any employee may be terminated at any time at the sole discretion of the Village Manager.

## **ARTICLE 24**

### **DRUG AND ALCOHOL POLICY**

The Village of Downers Grove is committed to maintaining a drug-free workplace in compliance with applicable laws. In order to protect the public and to ensure a safe, healthful and drug-free work place, the Village requires compliance with the following procedures and guidelines:

- a. The Village prohibits the unlawful use, consumption, manufacturing, dispensing, distribution, or possession of a controlled substance or alcohol while on Village premises, in Village vehicles or while performing work for the Village.
- b. For purposes of this policy, a controlled substance:
  1. Includes cannabis;
  2. Is a substance that is not legally obtainable;
  3. Is a substance that is being used in a manner different than prescribed;
  4. Is a substance that is legally obtainable, but has not been legally obtained, or
  5. Is a substance that is defined as such by federal or State law.
- c. Any employee found using, possessing, manufacturing, dispensing or consuming a controlled substance or alcoholic beverage on Village premises, Village vehicles or while performing work for the Village shall be subject to disciplinary action up to and including discharge. Any disciplinary sanction imposed may also include the completion of an appropriate rehabilitation program as a condition of reinstatement or continued employment.
- d. The Village may require employees to submit to a urinalysis and/or other appropriate drug and alcohol testing prior to hiring or subsequent to any on-the-job injury or accident.
- e. Employees will not be permitted to work while under the influence of drugs or alcohol. Employees who appear to be unfit for duty will be relieved from duty and may be required to submit to a urinalysis and/or other appropriate drug and alcohol testing. The Village may also test an employee whenever there is a reasonable suspicion of drug or alcohol abuse. Refusal to submit to such testing or the failure to pass the test shall be cause for discipline, up to and including discharge.
- f. The results of any drug or alcohol testing shall be sent to the Village Human Resources Department but shall remain confidential to the extent possible under applicable law. If the results of the test are positive, the employee may be advised confidentially to seek the assistance of drug counseling or the employee assistance programs, and may be provided a reasonable period of time for rehabilitation. Provided, nothing herein shall be interpreted to prohibit the imposition of discipline up to and including discharge. In addition to any discipline which may be imposed, if an employee tests positive, the employee will be subject to random testing for the following year. If an employee subject to such random test again tests positive, the employee will be subject to further disciplinary action up to and including discharge.

g. As a condition of employment, each employee will notify his or her supervisor if he or she is convicted of a criminal drug offense involving the workplace within five (5) calendar days of the conviction. In the event any such conviction involves an employee working on a Federal or State contract or Federal or State grant, the Village will notify the granting or contracting agency within ten (10) days of receiving notice of a conviction.

h. Employees are encouraged to request assistance through the Village's employee assistance program or other reputable sources in the community in dealing with a personal alcohol or drug-related problem.

i. Employees who wish to report drug and alcohol use in violation of this policy should contact their supervisor or the Human Resources Department. The Village will make every effort to protect anonymity, and such information will be treated in confidence.

The parties agree that during the term of this Agreement, the Village may adopt and amend policies to implement drug and alcohol testing for bargaining unit members required to have a commercial driver's license as required by Federal and State law. For random drug testing done pursuant to the Village's policy, the Union is entitled to have a Steward present during the random selection process. However, the Union Steward is not entitled to the names of the persons selected. The Village's policy, as may be amended from time to time pursuant to this Agreement, is attached hereto as Appendix D.

## **ARTICLE 25**

### **SAVINGS CLAUSE**

If any provision of this Agreement or any application thereof should be rendered or declared unlawful, invalid or unenforceable by virtue of any judicial action, or by existing or subsequently enacted Federal or State legislation, or by Executive Order or other competent authority, including boards or agencies, the remaining provisions of this Agreement shall remain in full force and effect. In such event, upon the request of either party, the parties shall meet promptly and negotiate with respect to substitute provisions for those provisions rendered or declared unlawful, invalid or unenforceable.

## **ARTICLE 26**

### **ENTIRE AGREEMENT**

The parties acknowledge that during the negotiations which preceded this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining. This Agreement supersedes and cancels all prior practices and agreements, whether written or oral, which conflict with the express terms of this Agreement. If a past practice is not addressed in the Agreement, it may be changed by the Employer as provided in the Management Rights Clause. The understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Except as may be stated in this Agreement, each party voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement. The Union specifically waives any right it might have to impact or effect bargaining for the life of this Agreement.

## **ARTICLE 27**

### **TERMINATION**

This Agreement shall be effective upon ratification by both parties and shall remain in full force and effect until April 30, 201~~5~~<sup>8</sup>. It shall continue in effect from year to year thereafter unless notice of termination is given in writing by certified mail by either party no earlier than one hundred twenty (120) days preceding expiration. The notices referred to shall be considered to have been given as of the date shown on the postmark. Written notice may be tendered in person, in which case the date of notice shall be the written date of receipt.

Notwithstanding any provision of this Article or Agreement to the contrary, this Agreement shall remain in full force and effect after any expiration date while negotiations or resolution of impasse procedure for a new Agreement or part thereof are continuing between the parties, provided that either party may terminate this Agreement by written notice to the other at least ten (10) days prior to the desired date of termination but not before the anniversary date of this contract.

IN WITNESS WHEREOF, the parties have executed this Agreement this \_\_\_\_\_ day of \_\_\_\_\_, 201~~5~~<sup>8</sup>, in the Village of Downers Grove.
