Public Comments		<p>My comment is in reference to the Council Member New Business concerning a motion to provide \$20,000 in funding to the Meals on Wheels program--a move which I support. I recall the lengthy discussion around this issue in 2010-11, which led to the council voting to discontinue funding for Meals on Wheels. In spring of 2011, while I was serving as editor of Downers Grove Patch, the executive director of the DuPage Senior Citizens Council submitted a letter to the site in an effort to clear up "misrepresentations" about the program. I'm calling the letter to your attention now as you once again weigh this issue.
