December 1, 2015**

**8. Consent Agenda**

**E. Minutes: Note Receipt of Minutes of Boards and Commissions**

*Library minutes refer to investigation with Village Attorney relationship. What is that about?*

The Village Manager and the Village Attorney met with the library's executive director to discuss opportunities for Village staff to provide legal services to the library.

*Library wants to give 3.5% salary increase across the board. How does this affect the tax levy?*

This does not affect the levy. The levy submitted by the Library includes the amount necessary to pay for the proposed salary increases.

**10. First Reading**

**A. Ordinance: Amendments to the Historic Preservation Code**

*What would be the legal requirements and/or constraints on the ability of the village council to create an historic overlay zoning district without the consent of anyone living within the contemplated district. Would the ability of the village council to create an historic overlay zoning district without the consent of anyone living within the contemplated district depend upon the prior existence of an ordinance authorizing such overlay districts?*

The Village zoning ordinance would first need to be amended to provide for an historic overlay zoning district. Thereafter, the Village Council would have the right to rezone the property subject to all the same legal requirements applicable to a typical rezoning case.
