BACKGROUND

The 2016 vehicle replacement schedule provides for the replacement of 14 vehicles. At this time, staff recommends replacing the four vehicles listed below. The remainder of the replacements will be presented at a future date.

Quantity	Type of Vehicle	Make and Model	Dealer	Price
2	Ambulance	2016 Ford F550	Foster Coach Sales of Sterling, Illinois	\$556,426
1	Sedan	2016 Ford Fusion Hybrid	Currie Motors	\$25,408
1	Squad SUV	2016 Ford Interceptor Utility	Morrow Brothers Ford, Inc.	\$37,289

The Village's Fleet Team, consisting of representatives from the Village Manager's Office, Finance, Public Works, Police and Fire Departments evaluated the need to replace the ambulances. All Village vehicles and equipment are targeted for replacement according to useful lifecycle replacement criteria. These criteria include age, usage, condition, repair costs, fuel efficiency and environmental impact. The Fleet Team reviewed the vehicles scheduled to be replaced and determined that the criteria for replacement were met in this case.

Ambulance Replacements

The Village operates four front-line ambulances and two reserve vehicles, which are used when a front-line vehicle is out of service. The two front-line vehicles were scheduled to be replaced in 2015 and were delayed as part of the Village's response to potential State budget actions. The current reserve vehicles will be traded into Foster Coach and the front-line vehicles will be placed in reserve.

Veh. #	Year	Make	Model	Hours (Nov. 2015)	2015 Repair Costs	Life-to-Date Repair Costs
938	2010	International	Ambulance	5678	\$12,415.98	\$43,565.78
939	2010	International	Ambulance	5607	\$21,664.66	\$52,774.21

The ambulances will be purchased through the Suburban Purchasing Cooperative Program (SPC), a joint purchasing program. This complies with the Village's Procurement Policy.

Police Vehicles

The Police vehicles also meet the lifecycle replacement criteria. The Ford Fusion Hybrid is the same make and model that has recently been purchased for detective vehicles and staff is pleased with the performance. The 2016 Ford Interceptor vehicle is new SUV offered by Ford made for heavy-duty police use. Village staff will evaluate this vehicle for future replacement purchases. The vehicles that are being replaced are listed in the table below.
