

## **Staff Responses to Council Questions**

### **January 12, 2015**

#### **5. Consent Agenda**

##### **B. Resolution: Express Intent to Continue Participation in the Suburban Tree Consortium and to Authorize Certain Purchases for FY 2016**

*Does this have any effect on the planned Village Tree Sale planned for the Spring?*

No, The trees purchased through the Suburban Tree Consortium are trees that will be planted in the Village's parkways. The trees for the Village Tree Sale will be purchased by residents through The Conservation Foundation, and will be planted on private property. This program will be similar to the rain barrel sale, where residents will place orders through The Conservation Foundation, and the Village will promote the sale and host and facilitate the event where residents will pick up their orders.

#### **Non-Agenda Questions**

*Several years ago, the Managed Redevelopment group put together a pamphlet for construction projects and was available in the lobby. Do we have any more of these? Can they be reprinted?*

The Village created the pamphlet 'A Resident's Guide to Neighborhood Construction' that was distributed to property owners adjacent to a construction project. A link to the pamphlet can be found here:

[http://www.downers.us/public/docs/departments/com\\_dvlpment/Resident\\_Guide\\_to\\_Neighborhood\\_Construction.pdf](http://www.downers.us/public/docs/departments/com_dvlpment/Resident_Guide_to_Neighborhood_Construction.pdf)

Staff will be updating the pamphlet and printing additional copies to be made available in the lobby and distributed to neighbors of residential construction projects.
