Proclamations

Arbor Day - April 19, 2016

Regional Program on Bioswales

Public Works hosted a seminar this week on the benefits of trees in bioswales and organizing volunteer TreeKeepers. The event was administered by DuPage County Stormwater Management in partnership with The Conservation Foundation. A Soil Scientist reported on findings of a study at the Morton Arboretum regarding the use of trees in bioswales. The Morton Arboretum also offers a TreeKeepers program. TreeKeepers learn how to help keep trees green and growing. They volunteer in a variety of situations from street tree care and tree planting, to woodland stewardship and advocacy. DCSWM provided lunch for the approximate 40 attendees.
