**Highland Avenue Bridge Closure - Open House Announced**

DuPage County's Division of Transportation is hosting an open house meeting regarding the planned construction project affecting the bridges carrying Highland Avenue over I-88 and Illinois Route 56 on Tuesday, May 10th near the Yorktown Center. This summer, DuPage County will perform major repairs to the bridge necessitating the temporary closure of the bridge over Butterfield Road. The closure is anticipated in mid-July through August with the project scheduled for completion by Labor Day. The Economic Development Corporation has been assisting the County with coordination with Downers Grove employers and businesses in the area of the closure. A copy of the open house announcement is attached.

### **DuPage County to host community open house** *Highland Avenue Bridge construction project to be discussed*

Residents, business owners, and employees are encouraged to attend an upcoming open house meeting hosted by DuPage County's Division of Transportation, regarding the planned construction project affecting the bridges carrying Highland Avenue over I-88 and Illinois Route 56.

Date: May 10, 2016  
Time: 4 p.m. to 7 p.m.  
Location: 24 Yorktown Convenience Center  
(Located just north of Yorktown Center in Lombard).

This summer, DuPage County will perform major repairs needed on the bridges. The work consists of partial depth deck patching and joint replacements. The project also includes roadway resurfacing of Highland Avenue from south of 31<sup>st</sup> Street to south of I-88.

The project will include a temporary closure of the Highland Avenue Bridge over IL 56. The closure is anticipated in mid-July through August with the project scheduled for completion by Labor Day. This project will include posted detour routes. Detour maps are available at [http://www.dupageco.org/DOT/Road\\_Construction/HighlandAve/](http://www.dupageco.org/DOT/Road_Construction/HighlandAve/)

The open house will provide further information regarding the scope of the project. Residents and business owners are encouraged to attend.

For more information please contact DuPage County Division of Transportation Chief Engineer, Paul Krueger, at (630) 407-6900.
