Future Calendar Reminders...

Village Council Meeting - The Village Council meeting will be held on **August 9 at 7:00 p.m. in the Council Chambers** at Village Hall.

Parking Deck Maintenance - Phase 1

The Village's contractor, J Gill & Company, will begin maintenance work on the downtown parking deck the week of Monday, August 8th. J Gill will begin work on the southeast stairwell, which will be closed on all levels while this work is taking place. Work on the southeast stairwell will not significantly impact parking as only a few spaces directly adjacent to the stairwell will need to be blocked off. Additionally, these spaces will only be blocked off one or two levels at a time. As work on at the southeast stairwell progresses, the contractor will begin working on other sections of the parking deck requiring minimal parking stall closures. Work requiring significant parking impacts will not begin until off-site parking is available for commuters in the temporary gravel at Belmont and Warren.

Staff will post signs at the stairwells on all levels early next week informing deck users of the upcoming work. Information will also be available on the Village website and through the e-news publication. More detailed information will also be posted at the deck as the maintenance work progresses.
