Approval on the September 6, 2016 Active Agenda.

BACKGROUND

On August 18, 2015, the Village Council approved a proposal to construct a five-story, 89-unit apartment building at 5100 Forest Avenue. As part of the approval, the petitioner is required to dedicate land or provide a cash-in-lieu donation for both park and school sites per the Subdivision Ordinance. At their August 9, 2016 meeting, the Village Council directed staff to amend the Special Use and Planned Unit Development Ordinances (No. 5476 and No. 5475 respectively) to reflect a reduction in the cash-in-lieu Park District and school district donations from \$543,814.40 to \$433,648.20.

The table below depicts the original and revised fees:

	Original Fees	Revised Fees
Park District	\$483,491.20	\$385,545.30
District 58	\$43,444.54	\$34,643.52
District 99	\$16,878.66	\$13,459.37
Total	\$543,814.40	\$433,648.20

On August 10, 2016, the petitioner requested the Village Council grant a six-month extension of the Special Use approval. Per Section 12.050.I of the Zoning Ordinance, a special use approval will lapse after one year if a building permit has not been issued. The Village Council is authorized to extend the expiration period for good cause on up to two separate occasions, by up to six months each.

The petitioner has met with Village representatives many times over the past year regarding construction of the building and has submitted a building permit application to construct the building. At this time, the petitioner is addressing Village comments and anticipates having an approved and issued permit within the next few weeks.
