Proclamations

Small Business Saturday - November 22, 2016

Residents Queried for Stormwater Improvements

Residents identified from three areas of the Village in the 2014 Stormwater Project Analysis were mailed surveys to identify issues and opportunities for improvements. The areas include Candlewood and Black Oak, Elm and Earlston between Ogden and 41st, and Linden. These areas all experienced flooding during the April 2013 event. The purpose of the survey is to learn of any ongoing issues the residents in these areas are experiencing.
