***Future Calendar Reminders...***

**Village Council Meeting** - The next Village Council meeting will be held on **December 13 at 7:00 p.m. in the Council Chambers** at Village Hall.

**Pedestrian Improvements at Belmont and Prairie**

To address concerns about drivers not yielding the right of way to pedestrians crossing at Belmont and Prairie, Village and DuPage County staff worked together to make improvements to the intersection. The Village installed additional signage on Prairie warning motorists of the school crossing. Significant tree trimming was completed as well, improving the visibility of the traffic signal and the crossing. DuPage County completed the installation of dynamic signs and school speed zone flashing beacons this week. These signs read "No right turn on red" when the pedestrian button is activated. Staff will continue to monitor the operation.

**CRS Recertification Received**

The Village received notice this week that the 2016 Community Rating System (CRS) Recertification is complete and that the Village remains in good standing with the CRS for this year. This program provides flooding insurance for residents and requires active participation and recordkeeping by the Village.
