

**VILLAGE OF DOWNERS GROVE**  
**Report for the Village Council Meeting**  
**12/6/2016**

<b>SUBJECT:</b>	<b>SUBMITTED BY:</b>
Public Hearing and first reading of ordinances for the 2016 Aggregate Tax Levy for the Village of Downers Grove	Judy Buttny Finance Director

**SYNOPSIS**

A public hearing is required for the 2016 Aggregate Tax Levy. The maximum levy to be considered was published in the newspaper on November 23, 2016 to be in compliance with State law. The Council will pass ordinances establishing and abating certain tax levies on December 13, 2016. The levy must be filed with the county by December 27, 2016.

**STRATEGIC PLAN ALIGNMENT**

The goals for 2015-2017 include *Steward of Fiscal, Environmental and Neighborhood Sustainability*.

**FISCAL IMPACT**

Without the abatement of any debt, the proposed levy is estimated to be \$26,351,102. However, it is recommended that tax levy abatements totaling \$8,186,019, which would abate all Village debt, be approved. Therefore, the net taxes to be raised by taxation for 2016 upon the taxable property are \$18,165,083 which includes the levy for the Village, Special Service Areas and the Public Library. The Village portion of the levy after abatements is proposed to be \$12,794,984.

**BACKGROUND**

The tax levy process requires the adoption of the motion presented in advance of the following:

- Publication of Truth in Taxation Notice and Announcement of Public Hearing 11/23/16
- Public Hearing on Tax Levy 12/06/16
- Adoption of Tax Levy 12/13/16
- Abatement of Certain Debt Levies 12/13/16
- Last day to file Levy with the County 12/27/16

Annually, the Village Council is required to levy taxes for the following:

- Village Services defined as corporate/police, fire protection, police pension, fire pension, the total amount of all General Obligation (G.O.) Bond payments due for the fiscal year;
- Library operating, and
- all Special Services Areas.

Following the levy of taxes, the Council may *abate* or reduce the levy (reduce the property tax collections) for the specific amount that the Village has other resources available to pay for debt service. The amount to be abated is determined by the budget when specific revenues such as gas tax are identified to pay for the

Fairview Avenue debt, water revenues that are identified to pay for bonds issued to improve the water system, revenues from stormwater and capital funds, and revenues from the Tax Increment Financing (TIF) districts that are available and budgeted for debt service.

The Mayor and Village Council have the opportunity to evaluate the proposed tax levy in the context of the budget. In addition, the proposal includes the tax levy and abatements. The amounts proposed for abatement are those debt instruments for which the Village has funds other than property taxes identified to pay principal and interest obligations.
