Transferring Jurisdiction of Hobson Road West of Belmont Road from DuPage County to the Village	Nan Newlon Director of Public Works

SYNOPSIS

Two resolutions and an ordinance have been prepared authorizing execution of a Local Agency Agreement and an Intergovernmental Agreement ("IGA") between the Village of Downers Grove and DuPage County to allow the transfer of a designated section of Hobson Road from DuPage County to the Village. The IGA also transfers responsibility for snow and ice removal for Finley Road north of Butterfield Road from the Village to the County.

BACKGROUND

DuPage County currently has jurisdiction of approximately 1340 feet of Hobson Road west of Belmont Road. This is a local, two-lane road that had east-west continuity before the construction of I-355. With the construction of I-355 several rights-of-way were vacated, or transferred to local jurisdictions; however, this section continued to be maintained by DuPage County. See the attached Location Map. Hobson Road to the west of this section is maintained by the Village of Woodridge.

DuPage County requested a transfer of jurisdiction of this roadway section to the Village. The trucks the County use for winter operations are not compatible with smaller roads and create inefficiencies with turning and clearing intersections. The Village maintains the adjacent streets within what is referred to as the "Hobson Triangle" and maintaining this road would not reduce service in this area.

Similarly, the Village has jurisdiction of approximately 1600 feet of Finley Road north of Butterfield Road. DuPage County has jurisdiction of Finley Road to the south and the Village of Lombard has jurisdiction to the north. This snow route, Route 1, is one of the Village's most challenging routes because of its size and mix of roadway types. This transfer of winter operations to the County would improve the Village's efficiency

and performance. The Village would retain jurisdiction of this section of Finley Road, maintain the road and grant permits for access.
