

**VILLAGE OF DOWNERS GROVE**  
**Report for the Village**  
**12/5/2017**

<b>SUBJECT:</b>	<b>SUBMITTED BY:</b>
Award of Contract for Guardrail Repair and Replacement	Nan Newlon Director of Public Works

**SYNOPSIS**

A motion is requested to award a contract for Guardrail Repair and replacement (ST-050) to Midwest Fence Corporation of Chicago, Illinois in the amount of \$42,000.

**STRATEGIC PLAN ALIGNMENT**

The goals for 2017-2019 include *Top Quality Infrastructure*.

**FISCAL IMPACT**

The FY17 Budget includes \$50,000 in the Capital Fund (Page 4-18, Line 20) for this project.

**RECOMMENDATION**

Approval on the December 5, 2017 consent agenda.

**BACKGROUND**

In 2012, the Village conducted a comprehensive study of the location and condition of Village-maintained guardrails. Guardrails provide an important roadway safety feature, and their placement is based upon recognized federal standards

Since the installation of guardrail around Gilbert Park there have been changes to the design standards used for the placement of guardrail. The current guardrail was installed at a different height than current standards. This project includes the repair and replacement of existing guardrail adjacent to Gilbert Park.

A Call for Bids was issued and published in accordance with the Village's Purchasing Policy. Midwest Fence Corporation submitted the only bid, for a total of \$42,000. Midwest Fence received positive recommendations from Will County Highway Department for work similar in scope. Midwest Fence also performed a repair for a portion of this guardrail system in 2014 for the Village after it was struck by a vehicle.
