55th Street Construction Schedule Update

DuPage County is in the process of finalizing property acquisitions for the 55th Street Construction project and anticipates a project letting in September 2018 with construction beginning in Spring 2019. They expect utility companies to be relocating facilities along this corridor in 2018, which will likely require lane closures and traffic delays. This project includes improvements to 55th Street between Clarendon Hills Road and Dunham Road. The intersections of 55th Street/Fairview Avenue and 55th Street/Main Street will be widened to include left turn lanes on all legs of the intersections. The intersections of 55th Street/Washington Street and 55th Street/Webster Street will be modified to improve safety.
