BACKGROUND

The Village approved a Local Agency Agreement on May 15, 2018 as Resolution No. 2018-34 that sets the funding obligations for each party to resurface Maple Avenue between Main Street and Fairview Avenue. The agreement includes a grant under the federal Surface Transportation Program in the amount of \$267,000 of the total project cost. The Village's funding obligation amount per the agreement is \$115,000, or as much as needed to match Federal Funds.

IDOT conducted the letting for the project and bids were received by IDOT on August 3, 2018. IDOT reviewed the bids submitted and requested the Village's concurrence for the award to the lowest responsive, responsible bid amount of \$415,550. This low bid amount is within 0.6% of the engineer's estimated cost for the project. The Village's funding obligation will increase an additional amount of \$33,550 from \$115,000 to \$148,550 based on the low bid amount of \$415,550. Construction is anticipated for the fall of 2018.
