

VILLAGE OF DOWNERS GROVE
Report for the Village
11/20/2018

SUBJECT:	SUBMITTED BY:
St. Mary of Gostyn - 440 Prairie Ave - Alley Vacations and the application of Right-of-Way Vacation Policy	Stan Popovich, AICP Director of Community Development

SYNOPSIS

The petitioner is requesting the vacation of four public alleys. The Village Council should use the Right-of-Way Vacation Policy to determine if any compensation will be required.

STRATEGIC PLAN ALIGNMENT

The goals for 2017-2019 include *Exceptional Municipal Services*.

FISCAL IMPACT

As determined per the Village's Right-of-Way Vacation Policy (Resolution #2003-58), the value of the four alleys is \$52,702.49.

UPDATE & RECOMMENDATION

This item was discussed at the November 13, 2018 Village Council meeting. Staff recommends approval on the November 20, 2018 active agenda.

BACKGROUND

The St. Mary of Gostyn Parish and School (SMG) consists of a school, three residential properties and a vacant lot on the north side of Prairie Avenue between Fairview Avenue and Douglas Road (North Campus) and a church, parking lot and vacant lot on the south side of Prairie Avenue between Fairview Avenue and Douglas Road (South Campus). SMG is proposing a building addition to extend the existing school's footprint to the east.

SMG is requesting the vacation of four public alleys (see attached map for specific locations). The first alley vacation request is needed to facilitate the school addition.

1. Prairie-Gierz alley - This alley is located on the North Campus and is immediately north of the existing school and the proposed expansion. Without this vacation, the proposed school addition would not be setback from the north property line. This alley is partially improved and provides access to the single family property at 4733 Douglas Road (SMG owned) and the SMG school. The east side of the ally is unimproved.

The private property owner at 435 Gierz Street has requested that the portion of the alley immediately south of their property be split evenly between SMG and themselves.

The remaining three alley vacation requests are based on existing conditions and will allow for uniform rezoning of all SMG property to INP-1.

2. Douglas-Gierz Alley – This alley is located on the North Campus and is adjacent to three residential properties owned by SMG. A driveway for the property at 445 Gierz Street (SMG owned) is currently located on the alley.
3. Fairview-Prairie Alley – This alley is located on the South Campus and is currently used exclusively by SMG as the easternmost entrance point to the SMG church parking lot.
4. Wilson-Prairie Alley – This alley is located on the South Campus, immediately east of the existing SMG Church and is used exclusively as the westernmost entrance point to the SMG church parking lot.

Estimated Value of the Requested Rights-of-Way

Per the Right-of-Way Vacation policy, the value of the requested alleys is based on the fair market value of land per acre (\$545,000) as defined by Section 20.300.d.2 of the Subdivision Ordinance. When land will be encumbered with an easement, land is generally valued at one-third (1/3) of the value of the same property that does not have an easement. As such, the fair market value of the entire alleys to be vacated will be discounted to reflect the blanket easement. The table below lists the four alleys requested to be vacated and the costs:

Alley	SF of alley to be vacated	SMG Encumbered Costs	Non-Petitioner Encumbered Costs	Alley Total Encumbered Costs
1. Prairie-Gierz	4,858 sf	\$18,612.57	\$1,445.08	\$20,057.65
2. Douglas-Gierz	1,750 sf	\$7,225.38	\$0	\$7,225.38
3. Fairview-Prairie	1,754 sf	\$7,240.99	\$0	\$7,240.99
4. Wilson-Prairie	4,403 sf	\$18,178.48	\$0	\$18,178.48
TOTAL	12,765 sf	\$51,257.42	\$1,445.08	\$52,702.50

There is a single adjacent property owner (435 Gierz Street) along the Prairie-Gierz alley who requested they receive their half of the alley adjacent to their property. No other property owner along the Prairie-Gierz alley requested their half of the alley. SMG is the adjacent property owner on all three other requested alley vacations.

SMG has submitted a letter requesting a waiver of their costs.

Compliance with the Village's Right-of-Way Vacation Policy (Res. #2003-58)

For each of the four requested alley vacations, the Village's Right-of-Way Vacation Policy notes the Village Council shall determine:

1. Whether the Parcel or portion thereof, is no longer necessary for public use and whether the public interest will be served by such vacation request.
2. Whether the Parcel or portion thereof, should be vacated and whether public utility easements and any ingress-egress easements are to be maintained.
3. The amount and type of compensation, if any, to be required as a condition to the effectiveness of the vacation of the parcel.

The Village's Fee Waiver Policy, Res. #2002-73, notes that not-for-profit, charitable, religious, or public service organizations may request fee waivers.

Compliance with the Comprehensive Plan

The existing church, private school, and accessory parking are institutional uses. A goal of the Comprehensive Plan is for the Village to support the continued operation and improvement of schools while mitigating negative impacts on the adjacent residential area. Another goal is to ensure the provision of high-quality public facilities, including educational facilities, for all residents of the Village. The alley vacation request would support the continued operation and improvement of the school.

Public Comment

During the Plan Commission meeting, the public did not express concerns regarding the requested alley vacations.
