**Report for the Village**  
**1/15/2019**

<b>SUBJECT:</b>	<b>SUBMITTED BY:</b>
5614 Katrine Avenue - Voluntary Annexation	Stan Popovich, AICP Director of Community Development

**SYNOPSIS**

The petitioner is requesting annexation of the property at 5614 Katrine Avenue.

**STRATEGIC PLAN ALIGNMENT**

The goals for 2017-2019 include *Strong and Diverse Local Economy*.

**FISCAL IMPACT**

N/A

**UPDATE & RECOMMENDATION**

This item was discussed at the January 8, 2019 Village Council meeting. Staff recommends approval on the January 15, 2019 Active Agenda.

**BACKGROUND**

The property at 5614 Katrine Avenue consists of one parcel (PIN 08-13-104-028) located in unincorporated DuPage County on the west side of Katrine Avenue, approximately 100 feet north of the intersection of Katrine Avenue and College Road. The property is contiguous with the Village of Downers Grove at the rear (west) and the side (south) and is located within the Village's planning boundary. The 30,000-square-foot property is currently vacant, as a single-family home was demolished in 2017.

The owner has petitioned the Village to annex into the municipal limits and to extend water service to the subject property. The plat of annexation has been prepared and all necessary fees have been paid including five (5) years of Fire Protection District taxes. The proper notices were sent to the Lisle Township and the Darien-Woodridge Fire Protection District on December 20, 2018.

The petitioner is proposing to construct a new single family home on the vacant lot that is accessible by Katrine Avenue. The portion of the Katrine Avenue roadway adjacent to the property will also be annexed into the Village, as it is currently under the jurisdiction of DuPage County.

Compliance with the Zoning Ordinance

The default zoning classification of R-1, Residential Detached House 1, will be applied upon annexation as the petitioner is not interested in rezoning the property. The proposed single-family use is permitted in the R-1 zoning district. The property meets the minimum lot area and lot width dimensions of the R-1 zoning district.

The default R-1, Residential Detached House 1, zoning classification is appropriate for this property, and the petitioner's new single family permit is currently under review and will meet the bulk and use regulations.

Compliance with the Comprehensive Plan

The annexation is consistent with the Comprehensive Plan, identifying the property as part of the estate type of residential development. The annexation will have no impact on the existing residential development patterns of this area as the land use will remain single family residential.
