

VILLAGE OF DOWNERS GROVE
Report for the Village
5/21/2019

SUBJECT:	SUBMITTED BY:
2019 Purchase of Bulk Rock Salt from DuPage County Contract	Nan Newlon Director of Public Works

SYNOPSIS

A motion is requested to authorize the approval of a contract for the purchase of bulk rock salt from Detroit Salt Company, LLC of Detroit, Michigan at a cost of \$80.37 per ton up to an amount of \$401,850.

STRATEGIC PLAN ALIGNMENT

The goals for 2017-2019 include *Exceptional Municipal Services*.

FISCAL IMPACT

The FY19 budget includes \$225,000 in the General Fund (Page 4-3, Line 16) for the purchase of rock salt. \$49,000 has been spent on rock salt in 2019, leaving \$176,000 remaining. There is sufficient fund balance in the General Fund to cover the additional cost.

RECOMMENDATION

Approval on the May 21, 2019 Consent Agenda.

BACKGROUND

The Village procures rock salt for snow and ice control operations from two sources, a DuPage County contract and a State of Illinois contract. Purchasing rock salt from two sources provides the Village with a higher level of reliability of delivery when demand is high. Both contracts are the result of multi-agency bidding processes.

The DuPage County contract provides early season (November) delivery and allows the salt storage facility to be filled completely prior to the 2019/20 winter season. This contract complements the State of Illinois salt contract, which provides for in-season deliveries. Bid pricing for the state contract is expected later this summer.

On March 18, 2019, DuPage County issued an invitation to bid for the purchase of bulk rock salt. This contract combines the needs of DuPage County with 28 DuPage municipalities and nine township highway departments into a single bid in an effort to consolidate buying power. The County's successful vendor,

Detroit Salt Company, LLC, submitted a bid price of \$80.37 per ton, which is 20% more than the unit price of \$67.15 per ton for County's contract last year.

A summary of the County's bid results for the 2019/20 winter season is shown in the table below.

Vendor	Detroit Salt Company, LLC	Compass Minerals America Inc.	Morton Salt, Inc.
Price per Ton (Group 2A – Townships/Municipalities Early Delivery)	\$80.37	\$82.96	\$99.15
Total	\$401,850	\$414,800	\$495,750

Staff is confident that the Village's current salt supply along with the amount of salt requested, the allocation with the State of Illinois, and the use of anti-icing agents will provide the material resources necessary to meet the service objectives described in the Village Snow Removal and Ice Control Policy in a cost effective manner.

SECTION 2 - INSTRUCTIONS TO BIDDERS

ON-LINE NOTIFICATION OF SPECIFICATIONS:

This document is available over the Internet at www.DemandStar.com or www.co.dupage.il.us, as well as from the Buyer listed in this document.

Businesses without Internet access may contact the Buyer listed on page 1.

Companies interested in doing business with the County are able to register and maintain their registration via the Internet at www.DemandStar.com. Registration is not required but if you choose to register you will receive an automatic initial notification from DemandStar of relevant opportunities with the County of DuPage.

The County is not responsible for errors and omissions occurring in the transmission or downloading of any specifications from this website. In the event of any discrepancy between information on this website and the hard copy specifications, the terms of the hard copy specification will prevail.

ON-LINE PROVIDER DISCLAIMER:

DemandStar.com has no affiliation with the County of DuPage other than as a service that facilitates communication between the County and its vendors. DemandStar.com is an independent entity and is not an agent or representative of the County. Communications to DemandStar.com do not constitute communications to the County.

BID REQUIREMENTS:

All bids must be submitted on the blank bid form furnished with these contract documents and shall conform to the terms and conditions set forth in this Invitation to Bid (the ITB). Please make and retain a copy of your Bid Response for your records. The bid must be enclosed in a sealed envelope bearing the bid number and the printed title of the bid. **Bidders must sign, in ink, the bid form where indicated and have the signature notarized.**

Bidder shall acknowledge receipt of each addendum issued in the space provided on the bid form.

ALTERNATE/EQUAL BIDS:

The specifications cannot cover precisely all minute details of the equipment required. Therefore, for purposes of establishing a standard of quality, the items listed in the specification may state brand names, manufacturer's models, numbers, et cetera. The County of DuPage, for cost effective measures, standardizes on specific items; those bids will contain the language "NO SUBSTITUTIONS," and any alternative will not be considered. A generic or alternate brand product of equal specifications may be proposed as an alternative for the item identified unless "NO SUBSTITUTIONS," is indicated. However, in bidding the alternate item, the bidder must also attach manufacturer's printed specifications and literature and bid must be clearly marked as an ALTERNATE.

Bidders submitting alternate items, of equal specifications, may be requested to provide samples of the item they intend to supply for testing. The Procurement Officer of DuPage County shall be the sole judge to determine whether the alternate item is actually equal to the item identified in the specifications, and the Procurement Officer's decision will be final and binding.

Bidders are encouraged to submit cost-saving/value-added alternate bid pricing suggestions, such as rebates, creative lease agreements, extended warranty periods, trade-in allowances, or the availability of discounts for floor model or demonstrator units at significant savings. Any alternate pricing should be noted as a separate line that may be subtracted from the bid pricing as specified, allowing for clear evaluation and value-analysis by the County.

The County recognizes the expertise provided by many bidders and encourages creativity in bidding. Alternates may be considered if the bid submitted clearly indicates what will be furnished and how it will benefit the County. Alternates will be compared to the lowest responsive, responsible bid as specified.

COMPETITION INTENDED:

It is the County's intent that this Invitation to Bid (ITB) permits competition. It shall be the bidder's responsibility to advise the Buyer in writing if any language, requirement, specification, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this ITB to a single source. Such notification must be received by the Buyer no later than seven (7) days prior to the date set for bids to close.

COMPLIANCE WITH ILLINOIS STATE LAW:

By submitting a response, bidder [offeror] certifies that it has obtained any and all required authorizations, certifications, and/or licenses required by law in order to perform the work described herein and transact business within the State of Illinois. This includes, but is not limited to, in the case of a foreign business corporation, limited liability company, limited partnership, or limited liability partnership, authorization from the Illinois Secretary of State to transact business within the State of Illinois.

DEVIATIONS:

The County of DuPage reserves the right to approve any material the Bidder proposes to furnish which contains deviations from specification requirements but which may substantially comply. If there is any deviation in the pack, source, quality, etc., of an item bid, from that prescribed in the specifications, Bidder must rule out the appropriate line in the specifications and clearly indicate the correction. Prices will be converted by the County to accommodate accepted deviations.

EXCEPTIONS:

Exceptions will be considered up to the deadline listed in Project Information. Exceptions must be fully described, on the Bidder's letterhead and signed; exceptions must reference the bid number and the specification, contract term or other portion of the Invitation to Bid which is being accepted. If the Bidder wishes to propose terms and conditions or alternative paperwork it must do so as an exception. In the absence of such statement, the bid shall be considered as if submitted in strict compliance with all terms, conditions, and specifications; by its submission, the Bidder agrees that if selected, it will be bound by same. No exceptions or changes to contract terms will be accepted with the bid.

EXAMINATION BY BIDDER:

The Bidder shall, before submitting his bid, carefully examine the bid and specifications. If his bid is accepted, he will be responsible for all errors in his bid resulting from his failure or neglect to comply with these instructions.

Unless otherwise provided in the SPECIAL CONDITIONS, when the specifications include information pertaining to preliminary investigations made by the County, such information represents only the opinion of the County of DuPage as to the location, character or quantity of the materials encountered. That information is only included for the convenience of the Contractor. The County of DuPage does not warrant the accuracy or the sufficiency of the information and assumes no responsibility therefore.

ELECTRONIC TRANSMITTALS:

Facsimile and/or e-mail transmitted bids will not be accepted by the County of DuPage.

INTERPRETATION OF CONTRACT DOCUMENTS:

If a potential Bidder is uncertain as to the meaning of any part of the specifications of this ITB, the Bidder is expected to contact the Procurement Services Division up to the deadline listed on the Project Information page for Exceptions to Bids.

PREPARATION OF BIDS:

The Bidder shall return his bid on the attached bid forms. It must be returned with all pages intact. Please make and retain a copy of the signed bid for your records. Unless otherwise stated, all blank spaces on the bid page or pages, applicable to the subject specification, shall be correctly filled in. Either a unit price or a lump sum price, or both as the case may be, shall be stated for each and every item, either typed in or printed in ink, in figures, and if required in words. Bidder shall acknowledge receipt of each addendum issued in the space provided on the bid form.

When a bid consists of a number of items, prices must be submitted for all items unless otherwise directed in the Special Conditions.

Where unit prices are to be bid, and/or where bids are to be made on more than one item, the Bidder shall extend the unit price(s) bid in the places provided on the pricing pages for the approximate quantities, shall compute the total amount of the bid and shall indicate the same on the proposal pricing page. The Bidder must bid in accordance with the unit(s) of measure called for unless deviation procedure is followed. All extensions and total sums are subject to verification by the County and the correct extensions and sums will be used in the comparison of bids. If a discrepancy exists between the unit prices and totals, the unit prices shall prevail. If a discrepancy exists between the total base bid and the true sum of the individual bid items, the true sum shall prevail.

Where unit prices are requested, the quantities stated are approximate only but will be used to determine bid award. The quantities for all items on which bids are to be received on a unit price basis, will not be used in establishing final payment due the Contractor. Bids will be compared on the basis of the number of units stated in the Bid Pricing Section. Contract payment for unit price items will be based on the actual number of units delivered.

In certain cases, amounts are to be shown in both words and figures. When discrepancies occur between the "Written in Words" and the "In Figures" amounts for the total lump sum bid amount, the "Written in Words" shall govern.

Bidders are warned against making any erasures or alterations of any kind, and bids that contain omissions, erasures, conditions, or alterations may be rejected. The bidder must fill in all blanks. Use "N/A" or "None" where applicable.

If the Bidder is a corporation, the President shall execute the bid. In the event that the bid is executed by anyone other than the President, a certified copy of that section of the corporate bylaws or other authorization by the corporation, which permits the person to execute the offer for the corporation, shall be submitted.

If the Bidder is a partnership, all partners shall execute the bid, unless one partner has been authorized to sign for the partnership, in which case, evidence of such authority satisfactory to the Procurement Officer shall be submitted.

If the Bidder is a sole proprietor, the owner shall execute the bid.

A "Partnership" or "Sole Proprietor" operating under an Assumed Name shall be registered with the Illinois County in which located, as provided in the Illinois Compiled Statutes, 805/ILCS 405/1 et seq.

SUBMISSION OF BIDS:

The Bidder shall be responsible for delivery of bids to the Procurement Services Division before the date and hour set for the opening of bids. Late bids will not be considered and will be returned unopened.

All bids must be received in sealed envelopes that have your name and address in the UPPER left corner and the attached label filled in and pasted on the LOWER left corner.

Bids mailed "EXPRESS MAIL" must have bid number and due date on the outside of the EXPRESS MAIL envelope.

You must allow sufficient time for processing through the County's internal mailroom system.
