

Staff Responses to Council Questions
October 1, 2019

6. Consent Agenda, Q. MOT 2019-8343 A motion authorizing \$256,500.50 for Deer Creek drainage improvements

Does this contract include the landscaping and planting materials? Will the landscaping be handled under a different contract?

This contract only includes seed and sod for restoration of areas that are disturbed by the work. Additional landscape work is included in an existing contract with Hampton, Lenzini and Renwick, which will be supplemented with some Village tree planting.

See the below link for the complete contract with Hampton, Lenzini and Renwick:
[Native Landscaping and Natural Areas Maintenance and Monitoring Contract](#)
