UPDATE & RECOMMENDATION

This item was discussed at the October 15, 2019 Village Council meeting. Staff recommends approval on the November, 5 2019 active agenda.

BACKGROUND

Currently, Municipal Code 14.108(d) prohibits individuals from parking in reserved disabled parking spaces without a properly issued disabled parking placard or license plate. This code is consistent with State law (625 ILCS 5/11-1301.3(a)) and carries a fine of \$250.00.

The proposed ordinance will add a section to the Downers Grove Municipal Code with verbiage and a fine consistent with State law. A violation of this section carries a fine of \$600.00 for the first offense and \$1,000.00 for a second or subsequent offense. This amendment would allow officers to cite an individual abusing disabled parking privileges by displaying placards or license plates not issued to them pursuant to Village ordinance.

Through enforcement activities and experiences, the officers have observed far more violations of individuals abusing disabled parking privileges by displaying placards and license plates not issued to them, than individuals parking in the reserved spaces without placards and license plates. Although State law prohibits individuals from using disabled parking privileges by using placards and license plates issued to individuals other than themselves, the Village does not have a similar ordinance and cannot issue a Village citation for that violation.
