

VILLAGE OF DOWNERS GROVE
Report for the Village

SUBJECT:	5/18/2021	SUBMITTED BY:
Law Enforcement Investigative Database		Shanon Gillette Chief of Police

SYNOPSIS

A resolution has been prepared to authorize a two-year agreement with LexisNexis Accurint for a law enforcement investigative database in the amount of \$25,000.

STRATEGIC PLAN ALIGNMENT

The goals for 2019-2021 include *Exceptional Municipal Services*.

FISCAL IMPACT

The FY21 budget provides \$25,000 in the General Fund for this contract.

RECOMMENDATION

Approval on the May 18, 2021 consent agenda.

BACKGROUND

Accurint Virtual Crime Center is a web-based service used by law enforcement for criminal investigations and crime-related data analysis. This program links publicly available records to agency provided data to help law enforcement conduct criminal investigations, identify crime patterns, and deploy resources more efficiently. Additionally, the service provides a public-facing crime-mapping program to share data on the Village website.

The Village has utilized a combination of three online service providers to conduct criminal investigations, crime analysis, and crime mapping. Due to significant cost increases for these services, software compatibility issues, and the opportunity to consolidate these services into one all-inclusive program, staff recommends the transition to the Accurint Virtual Crime Center. LexisNexis has been approved as a sole source provider.

Over the past four months Police Department staff has participated in a free trial of the Accurint Virtual Crime Center. Staff has found this service beneficial during this time.

RESOLUTION NO. ____**A RESOLUTION AUTHORIZING EXECUTION OF
AN AGREEMENT BETWEEN LEXIS RISK SOLUTIONS FL INC. AND
THE VILLAGE OF DOWNERS GROVE
FOR THE USE OF LN SERVICES**

BE IT RESOLVED by the Village Council of the Village of Downers Grove, DuPage County, Illinois, as follows:

1. That the form and substance of a certain Agreement (the "Agreement"), between the Village of Downers Grove (the "Customer") and Lexis Nexis Risk Solution FL Inc. ("LNRSFL"), for access to virtual crime center data services, as set forth in the form of the Agreement submitted to this meeting with the recommendation of the Village Manager, is hereby approved.

2. That the Village Manager and Village Clerk are hereby respectively authorized and directed for and on behalf of the Village to execute, attest, seal and deliver the Agreement, substantially in the form approved in the foregoing paragraph of this Resolution, together with such changes as the Manager shall deem necessary.

3. That the proper officials, agents and employees of the Village are hereby authorized and directed to take such further action as they may deem necessary or appropriate to perform all obligations and commitments of the Village in accordance with the provisions of the Agreement.

4. That all resolutions or parts of resolutions in conflict with the provisions of this Resolution are hereby repealed.

5. That this Resolution shall be in full force and effect from and after its passage as provided by law.

**AGREEMENT BETWEEN LEXISNEXIS RISK SOLUTIONS FL INC. AND
THE VILLAGE OF DOWNERS GROVE FOR THE USE OF LN SERVICES**

This Agreement is made and entered into this _____ day of _____, 2021, by and between **LexisNexis Risk Solutions FL Inc. ("LNRSFL")**, with its principal place of business located at 1000 Alderman Drive, Alpharetta, Georgia 30005 and the **Village of Downers Grove ("Customer")**, 801 Burlington Ave., Downers Grove, IL, each individually referred to as the **"Party"** and collectively as the **"Parties."** This Agreement governs the provision of the LN Services (as defined below) by LNRSFL and each of its respective Affiliates who provide LN Services under this Agreement (collectively referred to as **"LN"**).

WHEREAS, LNRSFL (or an Affiliate identified on a separate Schedule A) is the provider of certain data products, data applications and other related services (the **"LN Services"**); and

WHEREAS, Customer is a government agency requesting such data and data related services and is desirous of receiving LN's capabilities; and

WHEREAS, the Parties now intend for this Agreement to be the master agreement governing the relationship between the Parties with respect to the LN Services as of the Effective Date.

NOW, THEREFORE, LN and Customer agree to be mutually bound by the terms and conditions herein below stated, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby agree as follows:

1. **SCOPE OF SERVICES/CUSTOMER CREDENTIALING.** Subject to the terms of separate addenda and pricing schedule(s), purchase orders or statements of work for specific LN Services (each, a **"Schedule A"**), LN agrees to provide the LN Services described in such Schedule(s) A to Customer, subject to the terms and conditions herein. Any reference in a Schedule A to a services agreement shall mean this Agreement, plus the applicable addendum or addenda. References to the LN Services shall also be deemed to include the data therein as well as any Software provided by LN. This Agreement shall encompass any and all delivery methods provided to Customer for the LN Services, including, but not limited to, online, batch, XML, assisted searching, machine-to-machine searches, and any other means which may become available. Customer acknowledges and understands that LN will only allow Customer access to the LN Services if Customer's credentials can be verified in accordance with LN's internal credentialing procedures. The foregoing shall also apply to the addition of Customer's individual locations and/or accounts.

2. **RESTRICTED LICENSE.** LN hereby grants to Customer a restricted license to use the LN Services, subject to the restrictions and limitations set forth below:

- (i) Generally, LN hereby grants to Customer a restricted license to use the LN Services solely for Customer's own internal business purposes. Customer represents and warrants that all of Customer's use of the LN Services shall be for only legitimate business purposes, including those specified by Customer in connection with a specific information request, relating to its business and as otherwise governed by this

Agreement. Customer shall not use the LN Services for marketing purposes or resell or broker the LN Services to any third-party, and shall not use the LN Services for personal (non-business) purposes. Customer shall not use the LN Services to provide data processing services to third-parties or evaluate data for third-parties or, without LN's consent, to compare the LN Services against a third party's data processing services. Customer agrees that, if LN determines or reasonably suspects that continued provision of LN Services to Customer entails a potential security risk, or that Customer is in violation of any provision of this Agreement or law, LN may take immediate action, including, without limitation, terminating the delivery of, and the license to use, the LN Services. Customer shall not access the LN Services from Internet Protocol addresses located outside of the United States and its territories without LN's prior written approval. Customer may not use the LN Services to create a competing product. Customer shall comply with all laws, regulations and rules which govern the use of the LN Services and information provided therein. LN may at any time mask or cease to provide Customer access to any LN Services or portions thereof which LN may deem, in LN's sole discretion, to be sensitive or restricted information.

- (ii) **GLBA Data.** Unless Customer has expressly opted out of receiving such data, some of the information contained in the LN Services is "nonpublic personal information," as defined in the Gramm-Leach-Bliley Act, (15 U.S.C. § 6801, et seq.) and related state laws (collectively, the "**GLBA**"), and is regulated by the GLBA ("**GLBA Data**"). Customer shall not obtain and/or use GLBA Data through the LN Services in any manner that would violate the GLBA, or any similar state or local laws, regulations and rules. Customer acknowledges and agrees that it may be required to certify its permissible use of GLBA Data falling within an exception set forth in the GLBA at the time it requests information in connection with certain LN Services and will recertify upon request by LN. Customer certifies with respect to GLBA Data received through the LN Services that it complies with the Interagency Standards for Safeguarding Customer Information issued pursuant to the GLBA.
- (iii) **DPPA Data.** Unless Customer has expressly opted out of receiving such data, some of the information contained in the LN Services is "personal information," as defined in the Drivers Privacy Protection Act, (18 U.S.C. § 2721 et seq.) and related state laws (collectively, the "**DPPA**"), and is regulated by the DPPA ("**DPPA Data**"). Customer shall not obtain and/or use DPPA Data through the LN Services in any manner that would violate the DPPA. Customer acknowledges and agrees that it may be required to certify its permissible use of DPPA Data at the time it requests information in connection with certain LN Services and will recertify upon request by LN.
- (iv) **Non-FCRA Use Restrictions.** The LN Services described in a Schedule A (as defined in this Agreement) as Non-FCRA are not provided by "consumer reporting agencies," as that term is defined in the Fair Credit Reporting Act (15 U.S.C. § 1681, et seq.) ("**FCRA**") and do not constitute "consumer reports," as that term is defined in the FCRA (the "**Non-FCRA LN Services**"). Accordingly, the Non-FCRA LN Services may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another purpose in connection with which a consumer report may be

used under the FCRA. Further, (A) Customer certifies that it will not use any of the information it receives through the Non-FCRA LN Services to determine, in whole or in part an individual's eligibility for any of the following products, services or transactions: (1) credit or insurance to be used primarily for personal, family or household purposes; (2) employment purposes; (3) a license or other benefit granted by a government agency; or (4) any other product, service or transaction in connection with which a consumer report may be used under the FCRA or any similar state statute, including without limitation apartment rental, check-cashing, or the opening of a deposit or transaction account; (B) by way of clarification, without limiting the foregoing, Customer may use, except as otherwise prohibited or limited by this Agreement, information received through the Non-FCRA LN Services for the following purposes: (1) to verify or authenticate an individual's identity; (2) to prevent or detect fraud or other unlawful activity; (3) to locate an individual; (4) to review the status of a legal proceeding; (5) to determine whether to buy or sell consumer debt or a portfolio of consumer debt in a commercial secondary market transaction, provided that such determination does not constitute in whole or in part, a determination of an individual consumer's eligibility for credit or insurance to be used primarily for personal, family or household purposes; (C) specifically, if Customer is using the Non-FCRA LN Services in connection with collection of a consumer debt on its own behalf, or on behalf of a third-party, Customer shall not use the Non-FCRA LN Services: (1) to revoke consumer credit; (2) to accelerate, set or change repayment terms; or (3) for the purpose of determining a consumer's eligibility for any repayment plan; provided, however, that Customer may, consistent with the certification and limitations set forth in this Section, use the Non-FCRA LN Services for identifying, locating, or contacting a consumer in connection with the collection of a consumer's debt or for prioritizing collection activities; and (D) Customer shall not use any of the information it receives through the Non-FCRA LN Services to take any "adverse action," as that term is defined in the FCRA.

- (v) **FCRA Services.** If a Customer desires to use a product described in a Schedule A as an FCRA product, Customer will execute an FCRA Addendum to this Agreement. The FCRA product will be delivered by an affiliate of LNRSFL, LexisNexis Risk Solutions Inc., in accordance with the terms and conditions of this Agreement.
- (vi) **Social Security and Driver's License Numbers.** LN may in its sole discretion permit Customer to access full social security numbers (nine (9) digits) and driver's license numbers (collectively, "**QA Data**"). If Customer is authorized by LN to receive QA Data, and Customer obtains QA Data through the LN Services, Customer certifies it will not use the QA Data for any purpose other than as expressly authorized by LN policies, the terms and conditions herein, and applicable laws and regulations. In addition to the restrictions on distribution otherwise set forth in Paragraph 3 below, Customer agrees that it will not permit QA Data obtained through the LN Services to be used by an employee or contractor that is not an Authorized User with an Authorized Use. Customer agrees it will certify, in writing, its uses for QA Data and recertify upon request by LN. Customer may not, to the extent permitted by the terms of this Agreement, transfer QA Data via email or ftp without LN's prior written consent.

However, Customer shall be permitted to transfer such information so long as: 1) a secured method (for example, sftp) is used, 2) transfer is not to any third-party, and 3) such transfer is limited to such use as permitted under this Agreement. LN may at any time and for any or no reason cease to provide or limit the provision of QA Data to Customer.

- (vii) **Copyrighted and Trademarked Materials.** Customer shall not remove or obscure any trademarks, copyright notices or other notices contained on materials accessed through the LN Services.
- (viii) **Additional Terms.** To the extent that the LN Services accessed by Customer include information or data described in the Risk Supplemental Terms contained at: www.lexisnexis.com/terms/risksupp, Customer agrees to comply with the Risk Supplemental Terms set forth therein. Additionally, certain other information contained within the LN Services is subject to additional obligations and restrictions. These services include, without limitation, news, business information, and federal legislative and regulatory materials. To the extent that Customer receives such news, business information, and federal legislative and regulatory materials through the LN Services, Customer agrees to comply with the Terms and Conditions contained at: <http://www.lexisnexis.com/terms/general.aspx> (the “**L&P Terms**”). The Risk Supplemental Terms and the L&P Terms are hereby incorporated into this Agreement by reference. In the event of a direct conflict between this Agreement, the Risk Supplemental Terms, and the L&P Terms, the order of precedence shall be as follows: this Agreement, the Risk Supplemental Terms and then the L&P Terms.
- (ix) **MVR Data.** If Customer is permitted to access Motor Vehicle Records (“**MVR Data**”) from LN, without in any way limiting Customer’s obligations to comply with all state and federal laws governing use of MVR Data, the following specific restrictions apply and are subject to change:
 - a. Customer shall not use any MVR Data provided by LN, or portions of information contained therein, to create or update a file that Customer uses to develop its own source of driving history information.
 - b. As requested by LN, Customer shall complete any state forms that LN is legally or contractually bound to obtain from Customer before providing Customer with MVR Data.
 - c. Upon advanced written notice to Customer, LN (and certain Third-Party vendors) may conduct reasonable and periodic audits of Customer’s use of MVR Data. In response to any such audit, Customer must be able to substantiate the reason for each MVR Data order.
- (x) **HIPAA.** Customer represents and warrants that Customer will not provide LN with any Protected Health Information (as that term is defined in 45 C.F.R. Sec. 160.103) or with Electronic Health Records or Patient Health Records (as those terms are defined in 42 U.S.C. Sec. 17921(5), and 42 U.S.C. Sec. 17921(11), respectively) or with information from such records without the execution of a separate agreement between the parties.

- (xi) **Economic Sanctions Laws.** Customer acknowledges that LN is subject to economic sanctions laws, including but not limited to those enforced by the U.S. Department of the Treasury's Office of Foreign Assets Control ("**OFAC**"), the European Union, and the United Kingdom. Accordingly, Customer shall comply with all economic sanctions laws of the United States, the European Union, and the United Kingdom. Customer shall not provide access to LN Services to any individuals identified on OFAC's list of Specially Designated Nationals ("**SDN List**"), the UK's HM Treasury's Consolidated List of Sanctions Targets, or the EU's Consolidated List of Persons, Groups, and Entities Subject to EU Financial Sanctions. Customer shall not take any action which would place LN in a position of non-compliance with any such economic sanctions laws.
- (xii) **Retention of Records.** For uses of GLB Data, DPPA Data and MVR Data, as described in Sections 2(ii), 2(iii) and 2(vii), Customer shall maintain for a period of five (5) years a complete and accurate record (including consumer identity, purpose and, if applicable, consumer authorization) pertaining to every access to such data.
- (xiii) **Software.** To the extent that Customer is using software provided by LN ("**Software**"), whether hosted by LN or installed on Customer's equipment, such Software shall be deemed provided under a limited, revocable license, for the sole purpose of using the LN Services. In addition, the following terms apply: Customer shall not (a) use the Software to store or transmit infringing, libelous, or otherwise unlawful or tortuous material, or to store or transmit material in violation of third-party privacy rights, (b) use the Software to store or transmit spyware, adware, other malicious programs or code, programs that infringe the rights of others, or programs that place undue burdens on the operation of the Software, or (c) interfere with or disrupt the integrity or performance of the Software or data contained therein. The use of the Software will be subject to any other restrictions (such as number of users, features, or duration of use) agreed to by the parties or as set forth in a Schedule A.

3. **SECURITY.** Customer acknowledges that the information available through the LN Services may include personally identifiable information and it is Customer's obligation to keep all such accessed information confidential and secure. Accordingly, Customer shall (a) restrict access to LN Services to those employees who have a need to know as part of their official duties; (b) ensure that none of its employees shall (i) obtain and/or use any information from the LN Services for personal reasons, or (ii) transfer any information received through the LN Services to any party except as permitted hereunder; (c) keep all user identification numbers, and related passwords, or other security measures (collectively, "**User IDs**") confidential and prohibit the sharing of User IDs; (d) immediately deactivate the User ID of any employee who no longer has a need to know, or for terminated employees on or prior to the date of termination; (e) in addition to any obligations under Paragraph 2, take all commercially reasonable measures to prevent unauthorized access to, or use of, the LN Services or data received therefrom, whether the same is in electronic form or hard copy, by any person or entity; (f) maintain and enforce data destruction procedures to protect the security and confidentiality of all information obtained through LN Services as it is being disposed; (g) purge all information received through the LN Services within ninety (90) days of initial receipt; provided that Customer may extend such period if and solely to

the extent such information is retained thereafter in archival form to provide documentary support required for Customer's legal or regulatory compliance efforts; (h) be capable of receiving the LN Services where the same are provided utilizing "secure socket layer," or such other means of secure transmission as is deemed reasonable by LN; (i) not access and/or use the LN Services via mechanical, programmatic, robotic, scripted or other automated search means, other than through batch or machine-to-machine applications approved by LN; (j) take all steps to protect their networks and computer environments, or those used to access the LN Services, from compromise; (k) on at least a quarterly basis, review searches performed by its User IDs to ensure that such searches were performed for a legitimate business purpose and in compliance with all terms and conditions herein; and (l) maintain policies and procedures to prevent unauthorized use of User IDs and the LN Services. Customer will immediately notify LN, by written notification to the LN Information Assurance and Data Protection Organization at 1000 Alderman Drive, Alpharetta, Georgia 30005 and by email (security.investigations@lexisnexis.com) and by phone (1-888-872-5375), if Customer suspects, has reason to believe or confirms that a User ID or the LN Services (or data derived directly or indirectly therefrom) is or has been lost, stolen, compromised, misused or used, accessed or acquired in an unauthorized manner or by any unauthorized person, or for any purpose contrary to the terms and conditions herein. To the extent permitted under applicable law, Customer shall remain solely liable for all costs associated therewith and shall further reimburse LN for any expenses it incurs due to Customer's failure to prevent such impermissible use or access of User IDs and/or the LN Services, or any actions required as a result thereof. Furthermore, in the event that the LN Services provided to the Customer include personally identifiable information (including, but not limited to, social security numbers, driver's license numbers or dates of birth), the following shall apply: Customer acknowledges that, upon unauthorized acquisition or access of or to such personally identifiable information, including but not limited to that which is due to use by an unauthorized person or due to unauthorized use (a "Security Event"), Customer shall, in compliance with law, notify the individuals whose information was potentially accessed or acquired that a Security Event has occurred, and shall also notify any other parties (including but not limited to regulatory entities and credit reporting agencies) as may be required in LN's reasonable discretion. Customer agrees that such notification shall not reference LN or the product through which the data was provided, nor shall LN be otherwise identified or referenced in connection with the Security Event, without LN's express written consent. Customer shall be solely responsible for any other legal or regulatory obligations which may arise under applicable law in connection with such a Security Event and shall bear all costs associated with complying with legal and regulatory obligations in connection therewith. To the extent permitted under applicable law, Customer shall remain solely liable for claims that may arise from a Security Event, including, but not limited to, costs for litigation (including attorneys' fees), and reimbursement sought by individuals, including but not limited to, costs for credit monitoring or allegations of loss in connection with the Security Event. Customer shall provide samples of all proposed materials to notify consumers and any third-parties, including regulatory entities, to LN for review and approval prior to distribution. In the event of a Security Event, LN may, in its sole discretion, take immediate action, including suspension or termination of Customer's account, without further obligation or liability of any kind.

4. **PERFORMANCE.** LN will use commercially reasonable efforts to deliver the LN Services requested by Customer and to compile information gathered from selected public records and other sources used in the provision of the LN Services; provided, however, that the Customer

accepts all information "**AS IS**". Customer acknowledges and agrees that LN obtains its data from third party sources, which may or may not be completely thorough and accurate, and that Customer shall not rely on LN for the accuracy or completeness of information supplied through the LN Services. Without limiting the foregoing, the criminal record data that may be provided as part of the LN Services may include records that have been expunged, sealed, or otherwise have become inaccessible to the public since the date on which the data was last updated or collected. Customer understands that Customer may be restricted from accessing certain LN Services which may be otherwise available. LN reserves the right to add materials and features to, and to discontinue offering any of the materials and features that are currently a part of, the LN Services. In the event that LN discontinues a material portion of the materials and features that Customer regularly uses in the ordinary course of its business, and such materials and features are part of a flat fee subscription plan to which Customer has subscribed, LN will, at Customer's option, issue a prorated credit to Customer's account.

5. **PRICING SCHEDULES.** Upon acceptance by the LN Affiliate(s) set forth on an applicable Schedule A, such LN Affiliate(s) shall provide the LN Services requested by Customer and set forth in one (1) or more Schedules A attached hereto or subsequently incorporated by reference, for the fees listed on such schedules. The fees listed on a Schedule A may be updated from time-to-time by notice to Customer. All current and future pricing documents and Schedule(s) A are deemed incorporated herein by reference.

6. **INTELLECTUAL PROPERTY; CONFIDENTIALITY.** Customer agrees that Customer shall not reproduce, retransmit, republish, or otherwise transfer for any commercial purposes the LN Services. Customer acknowledges that LN (and/or its third party data providers) shall retain all right, title, and interest under applicable contractual, copyright, patent, trademark, Trade Secret and related laws in and to the LN Services and the information that they provide. Customer shall use such materials in a manner consistent with LN's interests and the terms and conditions herein, and shall promptly notify LN of any threatened or actual infringement of LN's rights. Customer and LN acknowledge that they each may have access to confidential information of the disclosing party ("**Disclosing Party**") relating to the Disclosing Party's business including, without limitation, technical, financial, strategies and related information, computer programs, algorithms, know-how, processes, ideas, inventions (whether patentable or not), schematics, Trade Secrets (as defined below) and other information (whether written or oral), and in the case of LN's information, product information, , product development plans, forecasts, the LN Services, and other business information ("**Confidential Information**"). Confidential Information shall not include information that: (i) is or becomes (through no improper action or inaction by the Receiving Party (as defined below)) generally known to the public; (ii) was in the Receiving Party's possession or known by it prior to receipt from the Disclosing Party; (iii) was lawfully disclosed to Receiving Party by a third-party and received in good faith and without any duty of confidentiality by the Receiving Party or the third-party; or (iv) was independently developed without use of any Confidential Information of the Disclosing Party by employees of the Receiving Party who have had no access to such Confidential Information. "**Trade Secret**" shall be deemed to include any information which gives the Disclosing Party an advantage over competitors who do not have access to such information as well as all information that fits the definition of "trade secret" set forth under applicable law. Each receiving party ("**Receiving Party**") agrees not to divulge any Confidential Information or information derived therefrom to any third-party and shall

protect the confidentiality of the Confidential Information with the same degree of care it uses to protect the confidentiality of its own confidential information and trade secrets, but in no event less than a reasonable degree of care. Notwithstanding the foregoing, the Receiving Party may disclose Confidential Information solely to the extent required by subpoena, court order or other governmental authority, provided that the Receiving Party shall give the Disclosing Party prompt written notice of such subpoena, court order or other governmental authority so as to allow the Disclosing Party to have an opportunity to obtain a protective order to prohibit or restrict such disclosure at its sole cost and expense. Confidential Information disclosed pursuant to subpoena, court order or other governmental authority shall otherwise remain subject to the terms applicable to Confidential Information. Each party's obligations with respect to Confidential Information shall continue for the term of this Agreement and for a period of five (5) years thereafter, provided however, that with respect to Trade Secrets, each party's obligations shall continue for so long as such Confidential Information continues to constitute a Trade Secret. Notwithstanding the foregoing, if Customer is bound by the Freedom of Information Act, 5 U.S.C. 552, or other federal, state, or municipal open records laws or regulations which may require disclosure of information, and disclosure thereunder is requested, Customer agrees that it shall notify LN in writing and provide LN an opportunity to object, if so permitted thereunder, prior to any disclosure.

7. **PAYMENT OF FEES.** Customer shall pay LN the fees described on the applicable Schedule A. Customer shall be responsible for payment of the applicable fees for all services ordered by Customer or otherwise obtained through Customer's User IDs, whether or not such User ID is used by Customer or a third-party, provided access to the User ID is not the result of use by a person formerly or presently employed by LN (and not employed by Customer at the time of the use) or who obtains the User ID by or through a break-in or unauthorized access of LN's offices, premises, records, or documents. Customer agrees that it may be electronically invoiced for those fees. Payments must be received by LN within thirty (30) days of the invoice date. Any balance not timely paid will accrue interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by applicable law, whichever is less.

8. **APPROPRIATION OF FUNDS.** If sufficient funds are not appropriated or allocated for payment under this Agreement for any current or future fiscal period, then Customer may, at its option, terminate this Agreement on the last day of any calendar month, upon ten (10) days prior written notice to LN, without future obligations, liabilities or penalties, except that Customer shall remain liable for amounts due up to the time of termination. In addition, Customer shall certify and warrant in writing that sufficient funds have not been appropriated to continue the Agreement for the next fiscal year.

9. **TERM OF AGREEMENT.** This Agreement is for services rendered and shall be in full force and effect during such periods of time during which LN is providing services for Customer (the "**Term**"); provided, however, that any term provided on a Schedule A (the "Schedule A Term") shall apply to the LN Services provided under such Schedule A until the expiration of that Schedule A Term. Upon expiration of any Schedule A Term, this Agreement shall continue in effect for so long as LN is providing services for Customer.

10. **TERMINATION.** Either party may terminate this Agreement at any time for any reason, except that Customer shall not have the right to terminate this Agreement to the extent a Schedule

A provides for a Schedule A Term or otherwise sets forth Customer's minimum financial commitment.

11. **GOVERNING LAW.** In the event that Customer is a government agency, this Agreement shall be governed by and construed in accordance with the state or federal law(s) applicable to such agency, irrespective of conflicts of law principles. If the Customer is not a government agency, these Master Terms shall be governed by the laws of the State of Georgia, irrespective of conflicts of law principles.

12. **ASSIGNMENT.** Neither this Agreement nor the license granted herein may be assigned by Customer, in whole or in part, without the prior written consent of LN. The dissolution, merger, consolidation, reorganization, sale or other transfer of assets, properties, or controlling interest of twenty percent (20%) or more of Customer shall be deemed an assignment for the purposes of these Master Terms. Any assignment without the prior written consent of LN shall be void.

13. **DISCLAIMER OF WARRANTIES.** LN (SOLELY FOR PURPOSES OF INDEMNIFICATION, DISCLAIMER OF WARRANTIES, AND LIMITATION ON LIABILITY, LN, ITS SUBSIDIARIES AND AFFILIATES, AND ITS DATA PROVIDERS ARE COLLECTIVELY REFERRED TO AS "LN") DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE LN SERVICES. LN DOES NOT WARRANT THE CORRECTNESS, COMPLETENESS, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE LN SERVICES OR INFORMATION PROVIDED THEREIN. Due to the nature of public record information, the public records and commercially available data sources used in the LN Services may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. The LN Services are not the source of data, nor are they a comprehensive compilation of the data. Before relying on any data, it should be independently verified.

14. **LIMITATION OF LIABILITY.** Neither LN, nor its subsidiaries and affiliates, nor any third-party data provider shall be liable to Customer (or to any person claiming through Customer to whom Customer may have provided data from the LN Services) for any loss or injury arising out of or caused in whole or in part by use of the LN Services. If, notwithstanding the foregoing, liability can be imposed on LN, Customer agrees that LN's aggregate liability for any and all losses or injuries arising out of any act or omission of LN in connection with anything to be done or furnished under this Agreement, regardless of the cause of the loss or injury, and regardless of the nature of the legal or equitable right claimed to have been violated, shall never exceed the amount of fees actually paid by Customer to LN under this Agreement during the six (6) month period preceding the event that gave rise to such loss or injury. Customer covenants and promises that it will not sue LN for an amount greater than such sum even if Customer and/or third-parties were advised of the possibility of such damages and that it will not seek punitive damages in any suit against LN. IN NO EVENT SHALL LN BE LIABLE FOR ANY INDIRECT, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER ARISING, INCURRED BY CUSTOMER.

15. **INDEMNIFICATION.** To the extent permitted by applicable law, Customer hereby agrees to protect, indemnify, defend, and hold harmless LN from and against any and all costs, claims, demands, damages, losses, and liabilities (including attorneys' fees and costs) arising from or in

any way related to any third-party claim based upon (a) use of information received by Customer (or any third-party receiving such information from or through Customer) furnished by or through LN; (b) breach of any terms, conditions, representations or certifications in this Agreement; and (c) any Security Event. LN hereby agrees to protect, indemnify, defend, and hold harmless Customer from and against any and all costs, claims, demands, damages, losses, and liabilities (including attorneys' fees and costs) arising from or in connection with any third-party claim due to the reckless or willful misconduct of LN under this Agreement or any Schedule A or in the event that the LN Services, when used in accordance with this Agreement, infringe a United States patent or United States registered copyright, subject to the following: (i) Customer must promptly give written notice of any claim to LN; (ii) Customer must provide any assistance which LN may reasonably request for the defense of the claim (with reasonable out of pocket expenses paid by LN); and (iii) LN has the right to control the defense or settlement of the claim; provided, however, that the Customer shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense. Notwithstanding the foregoing, LN will not have any duty to indemnify, defend or hold harmless Customer with respect to any claim of infringement resulting from (1) Customer's misuse of the LN Services; (2) Customer's failure to use any corrections made available by LN; (3) Customer's use of the LN Services in combination with any product or information not provided or authorized in writing by LN; or (4) any information, direction, specification or materials provided by Customer or any third-party. If an injunction or order is issued restricting the use or distribution of any part of the LN Services, or if LN determines that any part of the LN Services is likely to become the subject of a claim of infringement or violation of any proprietary right of any third-party, LN may in its sole discretion and at its option (A) procure for Customer the right to continue using the LN Services; (B) replace or modify the LN Services so that they become non-infringing, provided such modification or replacement does not materially alter or affect the use or operation of the LN Services; or (C) terminate this Agreement and any applicable Schedule A and refund any fees relating to the future use of the LN Services. The foregoing remedies constitute Customer's sole and exclusive remedies and LN's entire liability with respect to infringement claims or actions.

16. SURVIVAL OF AGREEMENT. Provisions hereof related to release of claims; indemnification; use and protection of LN Services; payment for the LN Services; audit; LN's use and ownership of Customer's search inquiry data; disclaimer of warranties and other disclaimers; security; customer data and governing law shall survive any termination of the license to use the LN Services.

17. AUDIT. Customer understands and agrees that, in order to ensure compliance with the FCRA, GLBA, DPPA, other similar state or federal laws, regulations or rules, regulatory agency requirements of this Agreement, LN's obligations under its contracts with its data providers, and LN's internal policies, LN may conduct periodic reviews and/or audits of Customer's use of the LN Services. Customer agrees to cooperate fully with any and all audits and to respond to any such audit inquiry within ten (10) business days, unless an expedited response is required. Violations discovered in any review and/or audit by LN will be subject to immediate action including, but not limited to, suspension or termination of the license to use the LN Services, reactivation fees, legal action, and/or referral to federal or state regulatory agencies.

18. **EMPLOYEE TRAINING.** Customer shall train new employees prior to allowing access to LN Services on Customer's obligations under this Agreement, including, but not limited to, the licensing requirements and restrictions under Paragraph 2, the security requirements of Paragraph 3 and the privacy requirements in Paragraph 23. Customer shall conduct a similar review of its obligations under this Agreement with existing employees who have access to LN Services no less than annually. Customer shall keep records of such training.

19. **TAXES.** The charges for all LN Services are exclusive of any state, local, or otherwise applicable sales, use, or similar taxes. If any such taxes are applicable, they shall be charged to Customer's account.

20. **CUSTOMER INFORMATION.** Customer certifies that Customer has not been the subject of any proceeding regarding any trust-related matter including, but not limited to, fraud, counterfeiting, identity theft and the like, and that Customer has not been the subject of any civil, criminal or regulatory matter that would create an enhanced security risk to LN, the LN Services or the data, including but not limited to, any matter involving potential violations of the GLBA, the DPPA, the FCRA, the Fair Debt Collection Practices Act ("**FDCPA**") (15 U.S.C. § 1692-1692p) or any other similar legal or regulatory guidelines. If any such matter has occurred, Customer shall attach a signed statement, along with all relevant supporting documentation, providing all details of this matter prior to execution of this Agreement. Customer shall notify LN immediately of any changes to the information on Customer's Application for the LN Services, and, if at any time Customer no longer meets LN's criteria for providing service, LN may terminate this agreement. Customer is required to promptly notify LN of a change in ownership of Customer, any change in the name of Customer, and/or any change in the physical address of Customer.

21. **RELATIONSHIP OF PARTIES.** None of the parties shall, at any time, represent that it is the authorized agent or representative of the other. LN's relationship to Customer in the performance of services pursuant to this Agreement is that of an independent contractor.

22. **CHANGE IN AGREEMENT.** By receipt of the LN Services, Customer agrees to, and shall comply with, changes to the restricted license granted to Customer hereunder and as LN shall make from time to time by notice to Customer. Notices to Customer will be provided via written communication. All e-mail notifications shall be sent to the individual named in the Customer Administrator Contact Information section of the Application, unless stated otherwise. LN may, at any time, impose restrictions and/or prohibitions on the Customer's use of some or all of the LN Services. Customer understands that such restrictions or changes in access may be the result of a modification in LN policy, a modification of third-party agreements, a modification in industry standards, a Security Event or a change in law or regulation, or the interpretation thereof. Upon written notification by LN of such restrictions, Customer agrees to comply with such restrictions.

23. **PRIVACY PRINCIPLES.** With respect to personally identifiable information regarding consumers, the parties further agree as follows: LN has adopted the "LN Data Privacy Principles" ("**Principles**"), which may be modified from time to time, recognizing the importance of appropriate privacy protections for consumer data, and Customer agrees that Customer (including its directors, officers, employees or agents) will comply with the Principles or Customer's own

comparable privacy principles, policies, or practices. The Principles are available at <http://www.lexisnexis.com/privacy/data-privacy-principles.aspx>.

24. **PUBLICITY.** Neither party shall use the other party's name nor refer to the other party in any press releases, advertisements, promotional or marketing materials, or make any other third-party disclosures.

25. **FORCE MAJEURE.** The parties will not incur any liability to each other or to any other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement to the extent such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the control, and without the negligence of, the parties. Such events, occurrences, or causes include, without limitation, acts of God, telecommunications outages, Internet outages, power outages, any irregularity in the announcing or posting of updated data files by the applicable agency, epidemics, pandemics, declared emergencies, strikes, lockouts, riots, acts of war, floods, earthquakes, fires, and explosions.

26. **LN AFFILIATES.** Customer understands that LN Services furnished under this Agreement may be provided by LNRSFL and/or by one of its Affiliates, as further detailed in a separate Schedule A and addendum to this Agreement. The specific LN entity furnishing the LN Services to Customer will be the sole LN entity satisfying all representations, warranties, covenants and obligations hereunder, as they pertain to the provision of such LN Services. Therefore, Customer hereby expressly acknowledges and agrees that it will seek fulfillment of any and all LN obligations only from the applicable LN entity and the other LN entities shall not be a guarantor of said LN entity's performance obligations hereunder.

27. **MISCELLANEOUS.** If any provision of this Agreement or any exhibit shall be held by a court of competent jurisdiction to be contrary to law, invalid or otherwise unenforceable, such provision shall be changed and interpreted so as to best accomplish the objectives of the original provision to the fullest extent allowed by law, and in any event the remaining provisions of this Agreement shall remain in full force and effect. The failure or delay by LN in exercising any right, power or remedy under this Agreement shall not operate as a waiver of any such right, power or remedy. The headings in this Agreement are inserted for reference and convenience only and shall not enter into the interpretation hereof.

28. **SEXUAL HARASSMENT POLICY.** LN, as a party to a public contract, acknowledges that it has a written sexual harassment policy.

29. **NONDISCRIMINATION.** LN, as a party to a public contract:

- (a) Shall refrain from unlawful discrimination in employment and undertake affirmative action to assure equality of employment opportunity and eliminate the effects of past discrimination;
- (b) Certifies that it is an "equal opportunity employer" as defined by Section 2000(e) of Chapter 21, Title 42, U.S. Code Annotated and Executive Orders #11136 and #11375, which are incorporated herein by reference. The Equal Opportunity clause,

Section 6.1 of the Rules and Regulations of the Department of Human Rights of the State of Illinois, is a material part of this Agreement.

30. DRUG FREE WORK PLACE. LN, as a party to a public contract, certifies and agrees that it has a drug free workplace policy and will provide a drug free workplace.

31. PATRIOT ACT COMPLIANCE. LN represents and warrants to the Village that neither it nor any of its principals, shareholders, members, partners, or affiliates, as applicable, is a person or entity named as a Specially Designated National and Blocked Person (as defined in Presidential Executive Order 13224) and that it is not acting, directly or indirectly, for or on behalf of a Specially Designated National and Blocked Person. LN further represents and warrants to the Village that LN and its principals, shareholders, members, partners, or affiliates, as applicable are not, directly or indirectly, engaged in, and are not facilitating, the transactions contemplated by this Agreement on behalf of any person or entity named as a Specially Designated National and Blocked Person. LN hereby agrees to defend, indemnify and hold harmless the Village, and its elected or appointed officers, employees, agents, representatives, engineers and attorneys, from and against any and all claims, damages, losses, risks, liabilities and expenses (including reasonable attorney's fees and costs) arising from or related to any breach of the foregoing representations and warranties.

32. INSURANCE REQUIREMENTS. LN shall be required to obtain, from a company or companies lawfully authorized to do business in the jurisdiction in which the project is located, such general liability insurance which, at a minimum, will protect LN from the types of claims set forth below which may arise out of or result from LN's operations under this Agreement and for which LN may legally liable:

- Claims under workers compensation, disability benefit and other similar employee benefit acts which are applicable to the operation to be performed;
- Claims for damages resulting from bodily injury, occupational sickness or disease, or death of the Proposer's employees;
- Claims for damages resulting from bodily injury, sickness or disease, or death of any person other than the Proposer's employees;
- Claims for damages insured by the usual personal injury liability coverage which are sustained: (1) by a person as a result of an offense directly or indirectly related to employment of such person by the Proposer, or (2) by another person;
- Claims for damages, other than to the work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom;
- Claims for damages because of bodily injury, death of a person or property damage arising out of ownership, maintenance or use of a motor vehicle;

- Claims for damages as a result of professional or any other type of negligent action by the Proposer or failure to properly perform services under the scope of the agreement between the Proposer and the Village.

LN shall demonstrate having insurance coverage for a minimum of \$2 million for professional liability (errors and omissions).

33. **ENTIRE AGREEMENT.** Except as otherwise provided herein, this Agreement constitutes the final written agreement and understanding of the parties with respect to terms and conditions applicable to all LN Services. This Agreement shall supersede all other representations, agreements, and understandings, whether oral or written, which relate to the use of the LN Services and all matters within the scope of this Agreement. Without limiting the foregoing, the provisions related to confidentiality and exchange of information contained in this Agreement shall, with respect to the LN Services and all matters within the scope of this Agreement, supersede any separate non-disclosure agreement that is or may in the future be entered into by the parties hereto. Any additional, supplementary, or conflicting terms supplied by the Customer, including those contained in purchase orders or confirmations issued by the Customer, are specifically and expressly rejected by LN unless LN expressly agrees to them in a signed writing. The terms contained herein shall control and govern in the event of a conflict between these terms and any new, other, or different terms in any other writing. This Agreement can be executed in counterparts, and faxed or electronic signatures will be deemed originals.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the date indicated above.

SCHEDULE A

Accurint Virtual Crime Center Online (Subscription)

Customer Name:	Village of Downers Grove
Billgroup #:	
LN Account Manager:	Wyatt Erwin

This Schedule A sets forth additional or amended terms and conditions for the use of the Accurint Virtual Crime Center services ("LN Services"), as set forth in the services agreement between Customer and LN or LN's affiliate(s) for the LN Services ("Agreement"), to which this Schedule A is incorporated by reference. The LN Services herein shall be provided by LexisNexis Risk Solutions FL Inc. ("LN"). Customer acknowledges that the services provided under this Schedule A are non-FCRA services and are not "consumer reports" within the meaning of the FCRA and Customer agrees not to use such reports in any manner that would cause them to be characterized as "consumer reports".

1. SCHEDULE A TERM

The term of this Schedule A will be 24 months beginning June 1, 2021 (the "Initial Term"). Following the Initial Term, this Schedule A shall automatically renew for additional periods of twelve (12) months (each one, a "Renewal Term"), unless written notice of termination is provided to either party at least sixty (60) days prior to the expiration of the Initial Term or any Renewal Term. If an account is activated after the first day of a calendar month, charges will not be pro-rated.

2. ACCURINT VIRTUAL CRIME CENTER FEES

2.1 Subscription Fees: Beginning on the effective date hereof, each 12-month period ("Year") Customer shall pay to LN \$12,500.00 ("AVCC Annual Subscription Fee"), to be invoiced in equal monthly installments, in exchange for unlimited use of Accurint Virtual Crime Center, Accurint for Law Enforcement, Accurint for Law Enforcement Plus (as further described in Section 2.3) and Accurint for Law Enforcement Mobile.

2.2 Accurint for Law Enforcement Plus Premium Features: Email Search, Real Time Phones, Real Time MVR and Virtual Identity Search & Report, including when these features are report components.

2.3 Accurint for Law Enforcement Plus Subscription: All of the searches and reports included in the attached Price Schedules are referred to as the "Features". The AVCC Annual Subscription Fee includes unlimited access to all Features, excluding those Features identified herein as Excluded Features but including the Premium Features listed in Section 2.2.

2.4 Features Not Included: The following Features ("Excluded Features") are not included in the AVCC Annual Subscription Fee and shall in all cases be charged separately according to the pricing specified in the attached Price Schedule:

LN standard pricing will be in effect for any new features made generally available by LN subsequent to the execution of this Schedule A.

2.5 Fee Increases: At the end of the Initial Term and each Renewal Term, all fees herein will be increased 3.00%.

2.6 Amounts Payable: Customer agrees to pay LN in accordance with any invoice for the fees set forth above.

3. EXPIRATION

Unless otherwise accepted by LN, the terms herein are valid if the Schedule A is signed by the Customer and received by LN on or before **May 30, 2021**.

4. CONFIDENTIAL INFORMATION

This Schedule A contains the confidential pricing information of LN. Customer acknowledges that the disclosure of such pricing information could cause competitive harm to LN, and as such, Customer agrees to maintain this Schedule A in trust and confidence and take reasonable precautions against disclosure to any third party to the extent permitted by local and state law.

Accurint Virtual Crime Center

Accurint Virtual Crime Center is a next generation policing platform used for COMPSTAT, Analytics, Crime Analysis and Investigations. This solution links billions of public records to agency-provided data in a cross-jurisdictional data exchange to provide law enforcement with unprecedented visibility into crime in their own jurisdiction and around the country. Linking across data types delivers a more comprehensive view into an identity, helping law enforcement to target investigations; identify patterns and predict upcoming events; and deploy resources more efficiently.

Criminals have no boundaries.

Accurint Virtual Crime Center will provide agencies with a view beyond their own jurisdictions into regional and nationwide crime data. Each year, about 12% of the population moves, a statistic that is even higher for young adults. To predict and solve crime patterns, you need visibility not just to the jurisdiction next door, but across the country. The ability to view information such as crime incident data, CAD, offender data, crash data and license plate readers in the same place will assist in resolving and preventing crimes in a timely manner.

Finding the “who” in an investigation.

Uncovering and locating key individuals is vastly simplified through Accurint Virtual Crime Center. By adding our proprietary linking technology, LexID®, to agency data, you will have crossjurisdictional agency data linked to identity information from over 10,000 sources. This gives your law enforcement agency the ability to disambiguate RMS records, find nonobvious connections, and generate leads with one search.

Flexible views for all users within an agency. Accurint Virtual Crime Center allows you to design your dashboard for your role within the agency. Whether you are a part of a command staff, supervisor, investigator or analyst, you will have the ability to search across all your own data and public records information while using the same predictive policing capabilities from Accurint Crime Analysis. Accurint Virtual Crime Center will replace multiple tools agencies currently use for public records, data analytics and social media, allowing all members of the agency to be more efficient across all cases through strong data analytics.

Accurant for Law Enforcement Plus

Accurant for Law Enforcement Plus (Accurant) offers cutting-edge investigative technology that expedites the identification of people and their assets, addresses, relatives and business associates by providing instant access to a comprehensive database of public records that would ordinarily take days to collect. An Internet-based software product, it was developed by experienced law enforcement professionals to enable agencies to locate suspects, find missing children and quickly solve cases.

With Accurant you can:

- Locate people and discover associations
- Investigate businesses
- Uncover assets
- Visualize complex relationships
- Verify and uncover derogatory information regarding beneficiaries/recipients and providers

The LexisNexis data repository is the most comprehensive on the market – containing 45 billion records. LexisNexis takes in data from more than 10,000 current and historical sources including more than 2.5 million new records every day. Combined, this equates to over 728 million unique identities, or approximately 300% more than any other vendor.

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal.

Accurint for Law Enforcement Plus

This vast data collection will supply responses to the State's investigative inquiries. LexisNexis refines, links, and fuses data using high-performance computing technology, patented algorithms, and precise analysis to deliver a single, consolidated view of each unique identity in our database with a 99.9% confidence level.

Accurint's powerful reporting feature explores the connections between individuals, relatives, associates and businesses. Short and comprehensive reports are available through Accurint. Report types include: assets, address, business, bankruptcy, civil courts, criminal records, death records, liens & judgments, property assessment, property deed, watercraft, summary report, finder report, and comprehensive report. Users may also customize reports to include specific types of information. The State can also tap into a variety of news sources via Accurint.

You can access Accurint through the desktop client or a user-friendly web application. Or choose mobile access and put the power of public records to work in the field too.

A Snapshot of Available LexisNexis Databases

Selected areas covered by LexisNexis data:

45+ billion public and proprietary records of current and historical information on:

- People
- AKAs & Alternative Names
- Relatives & Associates
- Phones (landline, cell, VoIP)
- E-Mail Addresses
- Addresses & Address Type
- Deeds & Mortgages
- Real Property Assessments
- Drivers Licenses
- Vehicle Records
- Death Records
- Utility & Resident Services Files
- Social Security Numbers (SSN)
- Businesses
- Voter Registrations

Selected highlights of the breadth and depth of LexisNexis data:

- **9.4 billion unique name/address combinations** that we map to hundreds of millions of unique identities by cross-linking data, removing deceased persons, etc.
- Nationwide SSA death records for **153 million individuals**, supplemented by from individual state death repositories
- More than a billion current and historical residential, business, and combined-use phone numbers, including **705 million phone numbers not currently found in Electronic Directory Assistance**.
- 4.3 billion records of past and present real property data covering **nearly 95%** of the U.S. population base.

Accurint Advantages

Accurint for Law Enforcement Plus is a powerful investigative tool used by thousands of government agencies across the country, assisting them with enforcing laws and regulations, fighting fraud and providing citizen-centric services. We're proud of our relationship with the State. By extending the State's access to Accurint, users won't lose time acclimating to a new solution. Instead they can focus on their important work for the State without interruptions or distractions.

State investigators can perform their jobs more efficiently and effectively thanks to Accurint's advanced data linking technology that instantly gathers and analyzes current, comprehensive and authoritative public records information.

Accurint Crime Analysis

Accurint Crime Analysis is a secure, easy-to-use online investigative solution that leverages strong technology, robust analytics, and mapping and visual tools to identify and predict patterns of crime. Accurint Crime Analysis is an extended capability within Accurint LE that can be accessed through the "Analysis" tab. It provides access to regional and national crime data sharing and analysis for law enforcement agencies.

Key Features

Accurint Crime Analysis provides analysts with access to a secured environment to map, analyze, and report crime data. Following are descriptions of a few commonly used features.

● Above: Analysts can view and analyze the data of greatest interest to their investigations

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal.

Accurint Crime Analysis

Customized Analytical Dashboards

Meaningful graphs help you visualize crime patterns and trends across jurisdictional lines. Choose from over 200 analytic features that help you analyze nearly every aspect of your agency's data. Each user can have a custom dashboard layout with up to 25 dashboard modules in view at a time. Crime hotspot maps and custom predictive analytics can be created with one click against any data on the map, even data spanning multiple jurisdictions. Best of all, you can download this robust regional data, including narratives, for further analysis.

Robust Crime & CFS Data

The Accurint Crime Analysis system includes more than 100 fields of Modus Operandi, Persons and Vehicle crime data related to each incident, including the incident's narrative. Available data includes:

- Crime Events (homicides, robberies, burglaries, fraud, arson, etc.)
- License Plate Reader (LPR) Data
- Computer Aided Dispatch (CAD) & Calls for Service (CFS) Data
- Crash Data
- Intelligence Data
- Offender Data

Above: Quickly identify crimes/calls of interest and retrieve associated details

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal.

Accurint Crime Analysis

Multiple disparate data sources can be displayed concurrently alongside crime information. You can view all of the information for the incident, including detailed offense information, suspect and victim descriptions, and descriptions of any vehicles related to the incident.

National Data Sharing

Accurint Crime Analysis lets agencies view their own crime data alongside data from all participating agencies. Agencies have full control on what data is shared and can restrict access to certain crime types they do not want other agencies to have access to. Accurint Crime Analysis automatically geo-codes and analyzes crime data as it is imported into the system. Crime data is pushed from agency computers and cleaned to present a single, standardized format for use by agencies, without affecting the data integrity of the original data. Standardization of format in this manner supports improving data quality standards and promotes multi-agency collaboration.

Integrates with Any RMS or CAD System

Accurint Crime Analysis combines data from disparate data sources into a seamless, standardized data set that makes it easy to view, analyze, and share data. Accurint Crime Analysis is updated through an automated data feed that works with any type of source: Computer Aided Dispatch (CAD), Records Management Systems (RMS), License Plate Reader (LPR), vehicle collision, and other types of data. The extracted data is saved locally within your agency, then the data is pushed into the Accurint Crime Analysis system. No action is necessary on the part of the user. Accurint Crime Analysis is never directly connected to your CAD or RMS system.

The entire process is automated to reduce the need for IT support and to ensure that your data is always up-to-date in Accurint Crime Analysis. Once the process has been adapted to fit the needs of an agency, updating can be achieved either periodically or manually. If the user chooses periodic updates, they select the frequency (day(s) or week(s)) and our software will automatically refresh the data as directed.

Offender Module

The Accurint Crime Analysis Offender Module lets users view offender data from various sources over existing data such as Calls for Service and Events (crimes). Data types available in the Offender Module include Sex Offenders, Gang Members, Parolee/Probationers, Warrants, and Prolific Offenders. These sources of data are instrumental in suspect generation and identification.

Accurant Crime Analysis

● Above: Quickly generate leads identify offenders using the ATACRAIDS Offender Module

Predictive Analytics & Geographic Profiling

Accurant Crime Analysis can predict future hot areas with Predictive Zones, the latest in predictive policing. Stop responding to where crime has happened and start deploying resources to where crime will likely happen. Powered by proprietary algorithms and perfected at the Department of Defense, Predictive Zones aim to put officers “in the right place at the right time.” Accurant Crime Analysis also supports Geographic Profiling (GP) – helping investigators prioritize areas where they should look for suspects. With Accurant Crime Analysis GP function, geographically profile any set of data to determine optimal areas to prioritize searches and investigative leads.

● Above: Use intuitive analytic layer functionality to pinpoint the events and trends that matter most

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal.

Accurint Crime Analysis

Time Comparisons

The Time Comparison analytic shows how crime or calls have changed between two time periods. The red areas of the density map highlight where events have increased from the first to the second time period. Conversely, the blue areas show where events have decreased. The Time Comparison maps allow agencies to discover temporal trends within any set of data. For instance, this analytic can be used to evaluate whether an initiative is working to decrease crime while measuring any resulting displacement.

Translation Services

Using software, our Translation Service copies selected data from an agency's system and pushes it to a local Analytical Warehouse and/or to the secured web-based RAIDS Warehouse. Data is automatically extracted from the data source, converted to literal values, cleaned and analyzed. This service includes:

- Installation of the Translation Software on the import server or workstation.
- Creation of a custom data extract that automatically extracts data from the selected data source(s).
- Configuration of lookup tables that convert code values to literal values for more efficient analysis.
- Configuration of data cleaning and processing to improve data quality.
- Scheduling and automation of translation to improve data standardization and save time.

Translated data is compatible with Accurint Crime Analysis, Microsoft Access, Microsoft Excel, GIS programs and other applications. This service is completed via remote-access by database administrators. Translation Services are available for a wide range of data sets for an additional cost.

Accurint Crime Analysis

Benefits for Officers & Analysts

- Hundreds of fields of data with narratives accessible anywhere, including internet-enabled patrol cars
- View various law enforcement and non-law enforcement data sets and analyze trends across borders
- Create, schedule and disseminate reports to other users through email
- Prioritize areas to look for a suspect with geographic profiling
- Connect the dots between events using link analysis

Benefits for Command Staff

- Predict where crime and calls for service will occur – making it easier to deploy the right resources to the right locations
- Time comparisons and animated hotspots over time
- Clean and accurate RMS and CAD information available to all levels of your organization
- Create, automate, and customize standard and ad-hoc reports
- Always up-to-date, reliable, secure and scalable
- Dashboard analytics with over 100 charts and graphs
