

VILLAGE OF DOWNERS GROVE
Report for the Village Council Meeting
11/2/2021

SUBJECT:	SUBMITTED BY:
Authorization for the Purchase of a Replacement Fire Engine.	Scott Spinazola Fire Chief

SYNOPSIS

A resolution has been prepared to authorize execution of an agreement for the purchase of a replacement fire engine with MacQueen Equipment LLC in an amount not to exceed \$595,000.

STRATEGIC PLAN ALIGNMENT

The goals for 2021-2023 identified *Exception Municipal Services*.

FISCAL IMPACT

The FY21 Equipment Replacement Fund includes sufficient funds for this purchase. The not to exceed price includes the base price of the engine at \$560,000, plus an estimated \$35,000 (which includes a \$10,000 contingency) for modifications of the engine to meet Village specifications.

RECOMMENDATION

Approval on the November 2, 2021 consent agenda.

BACKGROUND

The purchase of this engine was originally scheduled for fiscal year 2020, but due to unforeseen circumstances and an opportunity to purchase an engine that has already been manufactured, the purchase has been advanced to 2021. This vehicle will replace a 2005 reserve fire engine that has been taken out of service as a result of mechanical engine failure. This engine will serve as a frontline response vehicle. Due to the urgency of the need for this replacement engine, staff evaluated the availability of several “immediate delivery” options of fire apparatus and determined that the Pierce fire engine was best suited for the needs of the Village of Downers Grove.

Staff is requesting authorization to purchase a 2021 Pierce fire engine from Pierce Manufacturing, Inc. Purchase of this unit will be completed through MacQueen Equipment LLC of Aurora, Illinois, which serves as the exclusive dealer representative for Pierce Manufacturing, Inc.
