The Village's Fleet Team, consisting of representatives from the Village Manager's Office, Finance, Public Works, Police and Fire Departments evaluated the need to replace the following vehicles. All Village vehicles and equipment are targeted for replacement according to useful lifecycle replacement criteria. These criteria include age, usage, condition, repair costs, fuel efficiency and environmental impact. The Fleet Team reviewed the vehicles scheduled to be replaced and determined that the criteria for replacement were met. The FY22 budget also includes the replacement of two backhoes, a building services vehicle, a floor scrubber, and two Medics. These additional replacements are being further evaluated and they will be brought forth for consideration at a later date.
